Pankhurst,2013-10 This is a new release of the original 1936 edition Suffragette: the Autobiography of Emmeline

Pankhurst Emmeline Pankhurst,2016-01-21 Now a major motion picture Emmeline Pankhurst was a leader of the British suffrage movement in a critical era the early 1900 s and helped women win the right to vote Although reviled by many for the violent tactics that she eventually adopted including arson she was named by Time magazine as one of the 100 Most

Important People of the 20th Century In this fascinating autobiography originally published as *My Own Story* Pankhurst details the story of the women's suffrage movement including the escalating battle between activists and the government her multiple stints in prison hunger strikes and forced feeding This book has been carefully proofread and curated for quality It includes all original illustrations and is customized for display on the Kindle Excerpt This vague feeling of mine began to shape itself into conviction about the time my brothers and I were sent to school The education of the English boy then as now was considered a much more serious matter than the education of the English boy's sister My parents especially my father discussed the question of my brothers' education as a matter of real importance My education and that of my sister were scarcely discussed at all Of course we went to a carefully selected girls' school but beyond the facts that the head mistress was a gentlewoman and that all the pupils were girls of my own class nobody seemed concerned A girl's education at that time seemed to have for its prime object the art of making home attractive presumably to migratory male relatives It used to puzzle me to understand why I was under such a particular obligation to make home attractive to my brothers We were on excellent terms of friendship but it was never suggested to them as a duty that they make home attractive to me Why not Nobody seemed to know The answer to these puzzling questions came to me unexpectedly one night when I lay in my little bed waiting for sleep to overtake me It was a custom of my father and mother to make the round of our bedrooms every night before going themselves to bed When they entered my room that night I was still awake but for some reason I chose to feign slumber My father bent over me shielding the candle flame with his big hand I cannot know exactly what thought was in his mind as he gazed down at me but I heard him say somewhat sadly What a pity she wasn't born a lad My first hot impulse was to sit up in bed and protest that I didn't want to be a boy but I lay still and heard my parents' footsteps pass on toward the next child's bed I thought about my father's remark for many days afterward but I think I never decided that I regretted my sex However it was made quite clear that men considered themselves superior to women and that women apparently acquiesced in that belief

Votes for Women Sandra Stanley Holton, June Purvis, 2000 *Votes for Women* provides an innovative re-examination of the suffrage movement presenting new perspectives which challenge the existing literature on this subject This fascinating book charts the history of the movement in Britain from the nineteenth century to the postwar period assessing important figures such as Emmeline Pankhurst and the militant wing Millicent Garrett Fawcett leader of the constitutional wing Jennie Baines and her link with the international suffrage movements

MY OWN STORY - The Emmeline Pankhurst Story Emmeline Pankhurst, 2018-11-15 The closing paragraphs of this book were written in the late summer of 1914 when the armies of every great power in Europe called upon their citizens and the citizens of their colonies to mobilise for savage unsparing barbarous warfare against one another against small and unaggressive nations against helpless women and children and against civilisation itself How mild by comparison with the despatches in the daily newspapers will seem this chronicle of women's militant struggle against political and social injustice in one small corner of

Europe Yet let it stand as it was written with peace so called and civilisation and orderly government as the background for heroism such as the world has seldom witnessed The militancy of men through all the centuries has drenched the world with blood and for these deeds of horror and destruction men have been rewarded with monuments with great songs and epics Yet the militancy of women has harmed no human life save the lives of those who fought the battle of righteousness Time alone has revealed what reward has been allotted to the women In the black hour that struck in Europe the men indeed Governments turned to their women and called on them to take up the work of keeping civilisation alive Through all the harvest fields in orchards and vineyards women garnered food to send to the front as well as for the children left fatherless by war In the cities the women kept open the shops drove trucks and trams and operated machines in the factories which made clothing and the munitions for the impending battle ahead and altogether attended to a multitude of tasks to keep the wheels of commerce turning At the first alarm of war the militants proclaimed a truce which was answered half heartedly by Reginald McKenna the Home Secretary s announcement that all suffrage prisoners would be released who gave an undertaking not to commit further crimes or outrages A few days later no doubt influenced by representations made to the Government by men and women of every political persuasion Mr McKenna announced in the House of Commons that it was the intention of the Government to release unconditionally all suffrage prisoners So ended for a short time the war of women against men until the clash of arms ceases Then once more women will take up the arms they so generously laid down There can be no real peace in the world until woman the mother half of the human family are given liberty in the councils of the world Emmeline Pankhurst YESTERDAY S BOOKS FOR TODAY S CHARITIES 10% of the profit from the sale of this book will be donated to charity KEYWORDS TAGS My Own Story Emmeline Pankhurst 1914 Act of Parliament agitate Annie arrest authorities Bill Cabinet case Christabel Pankhurst committee Conciliation court daughter declare demands deputation doctor education Edward election England facilities Fight franchise freedom friends girls Gladstone Government Great War Hall Herbert Asquith Holloway House of Commons hundred hunger imprisonment justice King law Lawrence leaders letters Liberal life long Lloyd George London Lord magistrate majority Manchester meetings members men militancy Minister movement Parliament party Pethick petition place pledge police policy political power Prime Minister prison prisoners property protest public punishment question refuse release school Secretary sentence session Social Movement speech Street suffrage Suffragettes suffragists trial Union vote Winston Churchill woman women Women s rights world World War One WWI *The Suffragette Movement* Estelle Sylvia Pankhurst,1984
