The Next Sean Avery Martin Avery, **The Next One** Ken Reid, 2025-10-21 Behind the scenes to hockey s hidden superstars the scouts who chase teenage prodigies and might never bes across North America and around the world If you attend any junior minor or professional hockey game and you ll spot them often up in the rafters alone busily taking notes and calling their general managers These are the scouts the men and women who have made the job into a lifestyle chasing players across borders working the locals chatting with retired hockey people and visiting remote communities in hopes of finding the next one Yes they scout the likes of Connor McDavid and Connor Bedard and even Wayne Gretzky but scouts really make their mark by finding players who will fit in up and down the lineup the scorer having trouble finding the net the goalie who stands on her head to keep her team in the game the quiet winger who arrives at the rink first and leaves last Scouts don t just bird dog talent they evaluate character and grit and drive looking for players who can play even a handful of games in the bigs Hockey s favourite raconteur Ken Reid tells us all about this secret club One scout found himself squeezed into a small car with a bunch of other scouts including Hall of Fame goalie Glenn Hall Former

NHLer and pro scout Rick Knickle followed Jordin Tootoo of remote Rankin Inlet even though Tootoo didn't start playing the game until he was eleven years old. One scout worked at a maximum security prison only to find himself as a pro scout. Another scout went from a farmer who tried his hand at scouting to being a scout who happened to own a farm. And Reid takes us behind the scenes at the nascent PWHL where teams furiously scouted their starting lineups with only a few weeks before the season began. Always entertaining, often illuminating and sometimes hilarious, *The Next One* is the ideal book for anyone who wants to understand hockey beyond the ice.

No Is a Four-Letter Word Chris Jericho, 2017-08-29 New York Times bestselling author and six time WWE champion Chris Jericho shares 20 of his most valuable lessons for achieving your goals and living the life you want. Chris Jericho has known what he wanted out of life since he was a teenager: to be a pro wrestler and to be in a rock n roll band. Most of his high school friends felt that he lacked the tools necessary to get into either, but Chris believed in himself. With the wise words of Master Yoda echoing through his head, "Do or do not. There is no try," he made it happen. As a result, Chris has spent a lifetime doing instead of merely trying, managing to achieve his dreams while learning dozens of invaluable lessons along the way. *No Is a Four Letter Word* distills more than two decades of showbiz wisdom and advice into twenty easy-to-carry chapters, including: Developing a strong work ethic thanks to WWE chairman Vince McMahon; Remembering to always look like a star from Gene Simmons of KISS; Learning to let it go when the America's Funniest Home Videos hosting gig goes to his rival; Adopting a sense of perpetual reinvention from the late David Bowie; Making sure to sell himself like his NHL legend father Ted Irvine taught him; and Going the extra mile to meet Keith Richards with an assist from Jimmy Fallon. Now, in the hopes that those same principles might help and inspire his legions of fans, Chris has decided to share them while recounting the fantastic and hilarious stories that led to the birth of these rules. The result is a fun, entertaining, practical and inspiring book from the man with many scarves but only one drive: to be the best. After reading *No Is a Four Letter Word*, you'll discover that you might have what it takes to succeed as well; you just need to get out there and do it. That's what Jericho would do.

EPIC CONFRONTATION Greg Franke, 2019-01-15 There have been many thrilling and memorable sports rivalries. But none has ever combined such drama and excitement over such an extended period of time and against such a gripping background as the Cold War hockey rivalry between Canada and Russia, known at that time as the Soviet Union or USSR. For decades, Canada had reigned unchallenged as the dominant country at the sport, and the pride that came with knowing that their beloved national game was one thing at which they were unquestionably the world's best was a major part of the self-image and esteem of nearly all Canadians. Until suddenly, an interloper appeared that was like no other competitor Canada had ever met. It was a far-off country that lacked advanced equipment and facilities, had only recently taken up the sport and had even brazenly decided not, as other countries had done, to learn the game as mere pupils of the Canadian masters. Rather, largely through the genius of one remarkable leader, this newcomer would blaze its own trail, audaciously inventing an entirely new style of play along with a unique approach to skills development and physical

conditioning that led to a breathtakingly exciting and effective spectacle that even the game's creators had never conceived. Finally and perhaps most significantly this new competitor represented a political system that was openly hostile to the freedom and values taken for granted in the West and openly proclaimed its superiority predicting that it would one day spread throughout and dominate the world. Thus to Canadians overcoming this unexpected threat became not only a matter of national honor but also a crusade for the Free World. This newcomer was Russia the USSR and the seeming life and death struggle that ensued for four decades is an unbelievable tale that became the greatest sports drama ever known. Here is the never before told full story of this historic confrontation told from both sides from the people who lived it and from what was being reported as the events were happening.

And why did Petr Klima break his stick after every goal he scored? Hockey Superstitions by one of Canada's best known hockey writers Andrew Podnieks explores the fascinating and fun world of hockey superstitions their origins their quirks and the mythology around them. Along the way it gives us an original look into the minds of the players and coaches behind them.
