

T. DAVIS BUNN

THE SEQUEL TO *THE AMBER ROOM*

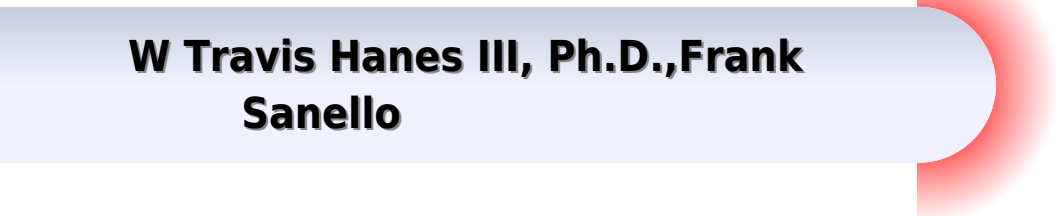

Winter Palace

From a memorable honeymoon in Monte Carlo
to a mysterious assignment in the turmoil
of present-day St. Petersburg

Winter Palace Priceless Collection

**W Travis Hanes III, Ph.D., Frank
Sanello**

Winter Palace Priceless Collection:

Winter Palace (Priceless Collection Book #3) T. Davis Bunn, 1993-05-01 The struggle for power wealth and souls in the crumbling Soviet Empire Passing through Florian's Gate having discovered the Amber Room T Davis Bunn now takes his readers to the Winter Palace Jeffrey Sinclair is on top of the world He is growing in professional success in the antiques trade in his spiritual quest for a better understanding of God and in his love for the beautiful Katya But his world is suddenly shaken when his mentor Alexander falls ill leaving Jeffrey to take on new responsibilities What begins as an enjoyable honeymoon visit to Monte Carlo ends with a mysterious assignment to reclaim a deposed Russian nobleman's winter palace Thrust into the turbulence of modern day St Petersburg Jeffrey's search constantly links him to the riches of its tsarist history Here he confronts the dangerous collusion that has emerged between former Communist Party members KGB agents and self-styled Mafia gangs of criminals and black marketers But most striking to him is the material and spiritual hunger which gnaws at the people Who will meet this incredible need And is it just the estate Count Markov seeks to recover or is there something more

Preserving Petersburg Helena Goscilo, Stephen M. Norris, 2008-06-13 Goscilo and Norris innovative anthology provides Slavic scholars with a panoramic view of the city's literary pictorial and social manifestations Europe Asia Studies For more than three centuries St Petersburg founded in 1703 by Peter the Great as Russia's westward oriented capital and as a visually stunning showcase of Russia's imperial ambitions has been the country's most mythologized city Like a museum piece it has functioned as a site for preservation a literal and imaginative place where Russians can commune with idealized pasts Preserving Petersburg represents a significant departure from traditional representations By moving beyond the Petersburg text created by canonized writers and artists the contributors to this engrossing volume trace the ways in which St Petersburg has become a museum piece embodying history nostalgia and recourse to memories of the past The essays in this attractively illustrated volume trace a process of preservation that stretches back nearly three centuries as manifest in the works of noted historians poets novelists artists architects filmmakers and dramatists The collection truly sparkles as the contributors each in turn take up this snuff box of a city and breathe movement and life into the idealized Petersburg museum Gregory Stroud Bennington College This collection brings together history literature architecture and the politics of memory Choice An interesting and important contribution to existing scholarship on St Petersburg's myth cult and text this volume is distinctive Catharine Theimer Nepomnyashchy Columbia University A truly innovative contribution to the scholarship on Petersburg The volume should be read by all serious Slavic scholars Emily Johnson University of Oklahoma

On the Fringe of History Sarge Hoteko, 2004 **Contemporary Christian Authors** Janice DeLong, Rachel E. Imperial Legend Alexis S. Troubetzkoy, 2002-09-12 Alexander I one of Russia's greatest emperors beloved of his subjects for his many liberalizing works and reforms domestically and for his astounding and unexpected victory over the presumably invulnerable Napoleon Bonaparte reigned from 1801 to late 1825. But despite his many glittering successes at home and abroad his immense power and wealth the tsar was throughout his life a troubled man. Caught up in the personal and political maelstrom between his domineering grandmother Catherine the Great and his highly neurotic and volatile father Paul I Alexander came to the throne as a result of a coup mounted against his father in March 1801. Although not an active participant in the plot and reassured that the plan was to depose and exile the unpopular Paul not to harm him Alexander was devastated when the takeover turned violent and his father was assassinated. That cloud under which he acceded to the throne never lifted and throughout his reign he often confided to family and friends his desire to thrust off the burdens of state and retire to some quiet place to live out the rest of his life. By 1825 his popularity waning the health of his wife becoming more fragile by the day he decided to remove himself and a bare bones court to Taganrog a remote town near the Crimea. A few weeks after his arrival there he suddenly fell ill and died on November 19 1825. Or did he? Ever since that day rumors have swarmed that the young and still vigorous tsar he was only forty-eight had staged his death to expiate the sin that refused to leave him the sin of patricide. The legend has it that his reincarnation took the form of a starets the humble and holy men who wandered throughout nineteenth century Russia doing good works. That starets brilliant and uncommonly erudite was one Feodor Kuzmich. So widespread and persistent was the belief that Tsar Alexander and Feodor Kuzmich were one and the same that the great Leo Tolstoy planned to write a book on the subject **Imperial Legend** with a deft touch and a fresh voice solves one of the most intriguing royal mysteries of the past two centuries.

The Court of the Last Tsar Greg King, 2008-04-21 It was the most magnificent court in Europe a world of fairy tale opulence ornate architecture sophisticated fashion extravagant luxury and immense power. In the last Russian imperial court a potent underlying mythology drove its participants to enact the pageantry of medieval Orthodox Russia infused with the sensibilities of Versailles against a backdrop of fading Edwardian splendor providing a spectacle of archaic ceremonies carefully orchestrated as a lavish stage upon which Nicholas II played out his tumultuous reign. While a massive body of literature has been devoted to the last of the Romanovs **The Court of the Last Tsar** is the first book to examine the people mysteries traditions scandals rivalries rituals and riches that were part of everyday life in the last two decades of the Romanov dynasty. It is as difficult for the twenty-first century mind to imagine the pomp and splendor that accompanied the tsar and his family everywhere they went as it was for the simple Russian peasant toiling a thousand miles from St. Petersburg. This stunningly illustrated volume removes the mystery with more than a hundred black and white photos floor plans of the tsar's Winter Palace the Alexander Palace and the Grand Kremlin Palace a map of St. Petersburg and plans of the imperial parks at Tsarskoye Selo and Peterhof. This eye-popping tour of hedonistic imperial Russia on the edge of oblivion draws on hundreds of previously unpublished primary

sources including memoirs personal letters diary entries and official documents collected during author Greg King's fifteen years of research in Russia and elsewhere in Europe It invites you to experience dozens of extravagant ceremonies and entertainments attended only by members of the court exposes the numerous sexual intrigues of the imperial family including rape incest and brazen affairs and introduces many of the more than fifteen thousand individuals who made the imperial court a society unto itself Chief among these of course was Tsar Nicholas II He ruled an empire that stretched over one sixth of the earth's land surface but lacked according to one courtier both his father's inspiring presence and his mother's vibrant charm His wife Alexandra was a strong and passionate woman who never developed the social skills necessary to her rank Their wedding and the tsar's coronation are two of the most spectacular ceremonies described in this lavish volume Vetted with care by the last remaining members of the Russian imperial court *The Court of the Last Tsar* brings the people places and events of this doomed but unforgettable wonderland to vivid and sparkling life **To Be Continued** Hope

Apple, Merle L. Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995 Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series *To Be Continued* Second Edition maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles publishers publication dates genre categories annotations and subject terms Among the genre categories that can be found in *To Be Continued* are romance science fiction crime novel horror adventure fantasy humor western war Christian fiction and others **Outing**
