A beautifully tender story of a little robin s first winter from the enormously talented creator of The Dawn Chorus Songs in My Head JoAnn Post,2015-09-11 Startled by the unexpected diagnosis of a rare and often terminal cancer JoAnn A Post chronicles the course of her treatment in Songs in My Head a journal written both for her own sake and for friends family and colleagues Each of her twelve chemotherapy treatments is presented as a verse of the songs that hummed in her heart during and at the close of treatment Inspiration and encouragement come through simple events like the return of a lost dog Chasing Maggie and complicated events like allergic reactions to chemotherapy A False Summit The journal closes with an ancient Jewish ritual of thanksgiving the Birkat HaGomel which places the author s suffering in the context of the suffering and healing of God s people through the centuries While writing from the perspective of faith the author neither offers easy

solutions nor glosses over the difficult questions posed by illness and disability During a difficult time she writes with hope humor and honesty This journal is written for those living with cancer and for those who love and care for them *Catalog of Copyright Entries* Library of Congress.
