every Christian who weeps at the graveside of his culture R C Sproul A cataclysmic change has occurred as our culture has shifted toward belief in Oneism Every religion and philosophy fits into one of two basic worldviews Oneism asserts that everything is essentially one while Twoism affirms an irreducible distinction between creation and Creator The Other Worldview exposes the pagan roots of Oneism traces its spread throughout Western culture and demonstrates its inability to save For bodily holiness and transformed thinking we depend entirely on one amazing thing the incredibly powerful message of the Gospel to a sinful world which is the ultimate expression and goal of Twoism The only hope is in Christ alone *Don't Look Away* Don Brewster,2024-01-30 The extent and depth of evil confronting us on a daily basis can be overwhelming so overwhelming we can be tempted to look away from it After all with evil lurking around every corner what difference can a single person make In fighting the evil of child sex trafficking in Cambodia and focusing on one life at a time God has taken Don and Bridget Brewster s seemingly insignificant and unqualified efforts to transform a community known for trafficking all its girls to one that loves and protects all children As the Brewsters took the lonely first steps of faith God brought along others to serve with them Through the telling of their story the hope is that you will be challenged and inspired not to look away but to say yes to fighting evils that surround us In addition you will find principles from their successes and warnings from their failures that can be used to fight evil anywhere *Parenting* Brett Ullman,2020-07-31 After more than two decades and over two thousand presentations my interactions with parents reveal that although most want to learn and parent their best they feel ill equipped Kids don t come with manuals The goal of this book is to equip and empower you as a parent grandparent or youth leader to help kids navigate all aspects of life in the current culture How do we sift through the unending philosophies on parenting and be intentional in how we choose what s best for our family The number of voices is overwhelming This book distills the essential elements of parenting so you can apply them in your own home It approaches parenting from a Christian perspective and is filled with practical advice that is applicable to everyone As we explore the foundations of parenting we will look at Parenting What are the stages of parenting What is the current state of parenting What is the purpose of parenting Parenting styles What are they and which ones should I be using What might I need to alter about my current parenting style Progression of parenting What are the skills our children need to learn Time What does quality time and being present with my kids look like Communication How can I gain better communication skills so that I can more effectively connect with my kids Discipline How do I effectively discipline my children Family discipleship Why is our worldview important and how we can raise kids with a Christian worldview Mental Health How do we address issues like anxiety panic attacks and depression Engaging the Culture How do we empower our kids to engage the culture around us without compromising their faith Media How can we help our kids navigate technology Sexuality How do we direct our kids towards healthy sexuality Pornography What is the prevalence of pornography and how do we address its impact on our kids Dating How do we best avoid pitfalls in dating Finances and education How can we help our children make sound financial

Real Marriage Mark Driscoll, Grace Driscoll, 2013-01-07 Most marriage books assume the author did it right Most marriage books barely mention friendship Most marriage books use intimacy as code for sex This is not one of those books In *Real Marriage* Pastor Mark Driscoll and his wife Grace share how they have struggled and how they have found healing through the power of the only reliable source the Bible They believe friendship is fundamental to marriage but not easy to maintain So they offer practical advice on how to make your spouse your best friend and keep it that way And they know from experience that sex related issues need to be addressed directly Five chapters are dedicated to answering questions like Should I confess my pre marital sexual sin to my spouse Is it okay to have a work spouse What does the Bible say about masturbation and oral sex Stunningly honest and vulnerable *Real Marriage* is like a personal counseling session with a couple you cannot surprise you cannot shock into silence who will respond to every question with wisdom humility and realism If you want to have a long lasting fulfilling marriage you should read this book Wrestle with this book Pray over this book Share this book And discover how God can use it to change your life Endorsements If you're married or plan to be someday do yourself a favor and read every page of this book DRS LES LESLIE PARROTT Founders of RealRelationships.com and authors of Love Talk Whether engaged newlywed or veteran *Real Marriage* will serve as an invaluable resource I highly recommend this book ANDY STANLEY author of *The Grace of God* and Senior Pastor North Point Community Church One of my greatest concerns is that culture is going to continually define and redefine what marriage is and is not and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it That is why I am so thankful that Mark and Grace Driscoll wrote this book Their approach to marriage its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us through in this book will not just merely have a marriage that survives in this world but

rather thrives in it PERRY NOBLE Senior Pastor NewSpring Church Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully but boldly addressing the real issues facing real marriages Taking the unchanging truth of God's word and sprinkling in is the story of God's mercy in their own marriage they have filled every chapter with real helpfulness This book is powerful biblical practical and healing for marriages that hurt My wife and our adult children read it to great profit DR JAMES MACDONALD Senior Pastor Harvest Bible Chapel and Bible teacher for Walk in the Word *The 5 Love Needs of Men and Women* Gary Rosberg, Barbara Rosberg, 2001-04-18 Lists the top love needs of husbands and wives and discusses how to meet those needs from a Christian perspective *Themelios, Volume 35, Issue 2* D.
