Pineda,2023-07-21 Readers will learn how to use simple time tested techniques to control anxiety

and recover their creative nature For centuries spirituality has told us that the answer to life s problems lies within us if only we would realize that we are more than what we imagine Now scientific understanding is showing us the way For humans anxiety is the background fever that never breaks but can often get much worse Whether the causes are individual relational cultural or pandemic problems when they occur they affect our ability to live a joyful and creative life This often means getting mired in uncontrolled mind loops and incessant circular thinking making us feel helpless and stuck In this book Jaime Pineda shows how the dynamics of anxiety and incessant rumination reflect uncontrolled creativity and how using simple time tested techniques we can learn to control the chaos and recover our creative nature The key to the solution is to understand that the intellect only helps to some extent but by itself cannot solve its own problem What we need is a mind that can in a nonjudgmental way distance itself from the thought patterns that trap us We are born with an incredible original mind that quickly becomes obscured by the fever of fear and anxiety But we can recover this mind quickly Pineda teaches us how to recognize the basic problem and find the solution through a series of steps and techniques that help bring us out of the loops and recover a cleaner mindset that enables us to move beyond the static of anxiety **Words Matter**

Stan H. Wisler,2019-09-17 This book delves into the power of the conversation and the words we use There is a tremendous need for people to be more thoughtful and careful with their words Electronic transactions tend to be shorter and quicker and in many cases delivered without much thought as to the impact of the message and the words As soon as the words are spoken or written and received it is too late to take them back In addition most conflicts and challenging situations could be avoided minimized and or deescalated with an effective conversation Effective and meaningful conversations do not come naturally but it is a skill that can be learned through education and practice This book will walk you through effective principles and practices that can be used to enhance the probability of a good outcome from a challenging situation and conversation The words we choose do make a difference and this fact needs to be at the forefront of our thought process as we enter a face to face conversation compose an email and send a text or place a social media post This book will provide the tools necessary to begin a practice of meaningful and effective conversations
