and special sessions. We received 385 papers and the number of submissions was the largest among recent PCMs. Among such a large number of submissions we accepted only 94 oral presentations and 176 poster presentations. Seven special sessions were also organized by world leading researchers. We kindly acknowledge the great support provided in the reviewing of submissions by the program committee members as well as the additional reviewers who generously gave their time. The many useful comments provided by the reviewing process must have been very valuable for the authors' work.

This conference would never have happened without the help of many people. We greatly appreciate the support of our strong organizing committee chairs and advisory chairs. Among the chairs, special thanks go to Dr. Ichiro Ide and Dr. Takeshi Naemura who smoothly handled publication of the proceedings with Springer. Dr. Kazuya Kodama did a fabulous job as our Web master.
