for the readers who wanted more 5 years later The Irish Heart Series Continuing Trilogy The Irish Castle Keeping Elizabeth Book 4 The Irish Secret Wild Fire Book 5 The Irish Wedding A Novel Romance Book 6 Juliet Gauvin s books are feel good romantic women s fiction They include international travel holidays contemporary women and epic love INTERVIEW WITH THE AUTHOR Q How did you come up with The Irish Cottage Juliet Well the story came together in pieces I love Ireland I ve always been attracted to the country the people the music the dancing I ve spent time traveling the country so I knew I wanted to set the book there And then the character of Elizabeth was based on a lot of the experiences I had when I was in law in San Francisco When I was immersed in that world it was a very dark time and I really did lose my way like Elizabeth I even let long time relationships die because I was in such a dark place it was difficult to see anything past my own nose So yeah I knew I wanted my heroine to be a recovering attorney and I knew that I wanted her to have this great love affair in Ireland that would open her up to the truly great possibilities life has to offer Q And what about Connor Bannon Is he based on anyone Juliet Ummm he might be an amalgamation of several people but I think I ll refrain from commenting further have to keep some of it to myself don t I Q Why did you elect to write romantic women s fiction as opposed to traditional contemporary romance Juliet I knew I wanted to write in the romantic women s fiction space because writing a story where the heroine s evolution is paramount not just her relationship with Connor is what really gets me drives me I love those types of stories I like writing herstory women s lives and journeys are so complex I wanted to write a series that included a great love story but didn t sacrifice the heroine s journey in any way It s about Elizabeth finding her way we all need to find our way Sometimes people help with that but ultimately each of us has to find our own path and we all need love too Q Why London and then Paris Juliet I lived in London for a time I love it so much It s one of the best cities on the planet really When I closed my eyes and thought about where Elizabeth s journey would take her I knew London would be next And Paris I lived in France for a time as well and I ve spent a lot of time in Paris so it seemed only natural for the final book to be set there I also set certain things in motion in The Irish Cottage that make it impossible to end anywhere else I knew I wanted to end it in France Plus Elizabeth has a major sweet tooth like me and Paris has the most amazing dessert masters in the world I spent many hours pouring over the websites of my favorites and discovering some new ones Those were the hardest and best research nights I m nocturnal I write at night and pouring over the websites of my favorite masters was heaven and hell I wanted to get on a plane already My sugar intake definitely went up while I was writing The Paris Apartment and my waistline with it romance book romance novel romantic women s fiction romantic book romance novels free freebie irish ireland irish romance holiday romance travel romance british romance international romance women s fiction literary women s fiction women s fiction romance travel wedding coming of age royalty romance romance literary fiction novel series love relationships international women s saga love stories contemporary women contemporary romance london england paris france irish heart irish heart series series
