Witnessed True Story Of The Brooklyn Bridge Abduction

Paul D. Collins, Phillip D. Collins

Witnessed True Story Of The Brooklyn Bridge Abduction:

Witnessed Budd Hopkins, Phyllis Halldorson, 1997 In *Intruders* Hopkins focused worldwide attention on a series of alien encounters Now for the first time in history an abduction has been sighted by independent third party witnesses including a major world leader This book reveals this unprecedented and amazingly complex case in its entirety Includes 16 page photo insert

Witnessed Budd Hopkins, 1996-01-01 Hopkins the respected authority in the field of UFO research learned of an witnessed abduction something unprecedented in the history of UFO research In NY City on Nov 30 1989 at 3 00 AM several witnesses saw this event Accompanied by 3 alien figures Linda Cortile was seen emerging from an apartment building window Suspended within a beam of light Linda her captors were lifted into a large glowing UFO which then moved off in the direction of the Brooklyn Bridge When she reported her abduction Hopkins conducted a thorough investigation Whatever the aliens motives the details of this case incl an inexplicable metallic object implanted in Linda s body challenge all preconceptions about UFOs alien abductions Illustrated

Bizarre Brooklyn: Stories of the Tragic, Macabre and Ghostly Allison Huntington Chase, 2022 Every day millions of New Yorkers walk past the ghosts of Brooklyn s history in broad daylight Park goes stroll by the Prison Ship Martyrs Monument in Fort Greene Park yet few read the historic marker revealing that it is actually a grave holding up to fifteen thousand bodies The iconic Park Slope Armory is simply a beautiful landmark to most onlookers but its secrets include numerous haunted halls and a hidden tunnel to Prospect Park buried underneath Two planes crashed into each other over the skies of Brooklyn in 1960 killing more than one hundred and destroying an entire city block yet an eleven year old known as the Boy Who Fell from the Sky miraculously walked away as the sole survivor Author Allison Huntington Chase reveals the hidden macabre and bizarre of Brooklyn s past Book jacket

The Alien Abduction Phenomenon Paul Meehan, 2025-06-16 News reports books articles and films about alien abductions have long captured the public imagination This book traces the evolution of the phenomenon from the late 1940s flying saucer era and the contactee and occupant sightings of the 1950s to the widespread abduction stories of the 1960s and beyond It examines how broader social cultural and scientific contexts have shaped these accounts and offers a critical analysis of their interpretations over time Also discussed are the key researchers who have sought to understand the nature and intentions of alleged extraterrestrial beings or ufonauts while addressing the skepticism about the subject The efforts of the scientific community to investigate unidentified aerial phenomenon UAP and abductions are assessed acknowledging both the challenges and limitations of such inquiries Firsthand encounters with non human entities are examined attempting to uncover the forces behind these sightings and arguing that there could be unforeseen consequences of ignoring the phenomena

Bizarre Brooklyn Allison Huntington Chase, 2022-09-19 Brooklyn The most populous borough in New York City Birthplace of the Dodgers Sweet n Low and Season 21 of *The Real World* With more than 400 years under its belt the borough is filled with a history of both sweet and savory moments It s hard to imagine Brooklyn as anything other than a

concrete jungle Who would guess that that first battle of the Revolutionary War was fought here Or that the world s oldest subway is hidden beneath the streets of Boerum Hill Or how an airplane fell from the sky and landed in the middle of the street in Park Slope Hundreds of people pass by the Prison Ship Martyrs Monument in Fort Greene Park everyday Virtually no one stops to read the plaque If they did they would learn that it is actually a grave holding up to 15 000 bodies Author Allison Huntington Chase Brooklyn s own Madame Morbid takes readers on a journey beyond the brownstones to discover the hidden macabre and bizarre throughout Brooklyn history **The Trickster and the Paranormal** George P.

Hansen,2001-08-20 Paranormal and supernatural events have been reported for millennia They have fostered history s most important cultural transformations e g via the miracles of Moses Jesus Mohammed Paranormal phenomena are frequently portrayed in the world s greatest art and literature as well as in popular TV shows and movies Most adults in the U S believe in them Yet they have a marginal place in modern culture No university departments are devoted to studying psychic phenomena In fact a panoply of scientists now aggressively denounces them These facts present a deeply puzzling situation But they become coherent after pondering the trickster figure an archaic being found worldwide in mythology and folklore The trickster governs paradox and the irrational but his messages are concealed This book draws upon theories of the trickster from anthropology folklore sociology semiotics and literary criticism It examines psychic phenomena and UFOs and explains why they are so problematical for science **Angels, Aliens and Prophecy** Betsey Lewis,2012-03-12 Reviews This book is amazing and I have been reading it non stop Betsey s knowledge and intellect of UFOs Aliens an the paranormal has quite simply floored me Anthony Sanchez Author of UFO Highway Conference Organizer of SACUFOCON Angels Aliens and Prophecy is astonishing I can hardly put it down Best selling Author of The Tujunga Canyon Contacts and renowned Earth Mysteries Investigator Ann Druffel One of the better books I have read of late as it draws upon the author s wealth of knowledge and ability to tie all the elements together aliens religious visions alien abductees time travel parallel universes and prophecy This special book brings up many fascinating questions but provides many tantalizing answers to the mysteries in our world that most books in this genre fail to do Posted on Amazon Books Awesome reading Thank You Dori Florida About Angels Aliens and Prophecy Betsey Lewis intuitive earth mysteries investigator and host of Rainbow Visions Radio Show since 2009 explores the mysterious connection between angels and aliens since recorded history and the startling prophecies given by these beings in her new book Angels Aliens and Prophecy Is it possible ancient aliens and time travelers have changed time lines and events Absolutely says Lewis who investigated these enigmatic subjects for the past forty years In 1983 Lewis uncovered surprising information about her UFO encounters from the hypnosis session conducted by renowned UFO investigator Ann Druffel included in the book A secret was given to Lewis as a child but erased from her memory until recently She reveals the secret her startling predictions for 2012 and beyond and the connection between angels and aliens

Alien Chic Neil Badmington,2004 From The War of the Worlds Mars Attacks Mission to Mars and Independence Day

Neil Badmington explores our relationship with aliens and how thinkers such as Descartes Barthes Freud Lyotard and Derrida have conceptualised what it means to be human and post human *They Know Us Better Than We Know Ourselves* Bridget Brown,2007-08-01 What's really behind Americans persistent belief in alien abductions Since its emergence in the 1960s belief in alien abduction has saturated popular culture with the ubiquitous image of the almond eyed alien appearing on everything from bumper stickers to bars of soap Drawing on interviews with alleged abductees from the New York area Bridget Brown suggests a new way for people to think about the alien phenomenon one that is concerned not with establishing whether aliens actually exist but with understanding what belief in aliens in America may tell us about our changing understanding of ourselves and our place in the world *They Know Us Better Than We Know Ourselves* looks at how the belief in abduction by extraterrestrials is constituted by and through popular discourse and the images provided by print film and television Brown contends that the abduction phenomenon is symptomatic of a period during which people have come to feel increasingly divested of the ability to know what is real or true about themselves and the world in which they live The alien abduction phenomenon helps us think about how people who feel left out create their own stories and fashion truths that square with their own experience of the world *Lessons Out of the Body* Bob Peterson,2025-09-12 In his first and now classic book *Out of Body Experiences How to Have Them and What to Expect* Robert Peterson taught us the mechanics of out of body travel In *Lessons Out of the Body* he describes how we can benefit from those experiences

Paranormal Nation Marc E. Fitch,2013-03-21 This thought provoking study of paranormal phenomena traces the impact of supernatural beliefs on popular culture and conversely examines the influence of new communication technologies on research being conducted in the field Did you know that interest in UFO research increased during the 1960s as a result of the Kennedy assassination Or that America experienced a Satanic Panic in the 1980s that culminated with the longest most expensive court trial in American history This book reviews the history economy and community of paranormal research in this country and considers the deeper meaning behind the philosophies and theories surrounding the industry *Paranormal Nation Why America Needs Ghosts UFOs and Bigfoot* explores the events that have defined paranormal belief systems today From the birth of religious doctrine to European witch hunts to the increasing popularity of the supernatural in American television programming the author examines the past and present conditions that have fueled interest in the unexplained and considers what this trend means for modern day America **Sight Unseen** Budd Hopkins,Carol Rainey,2004 The New York Times bestselling author of *Witnessed* and *Intruders* returns with astonishing evidence that otherworldly beings are a very real and growing part of our earthly lives *The Skeptical Inquirer* ,2009 [The Threat](#) David M. Jacobs,2008-06-30 The world's foremost academic expert on UFOs and alien abductions provides the first evidence based explanation of a mystery that has perplexed scientists for decades Based on more than 700 hypnotic regression interviews with alien abductees and a Roper survey of 6 000 adults *The Threat* reveals why the aliens are here and what they want explains why their agenda has

been kept secret and exposes their frightening plans for earth and its inhabitants In a direct authoritative challenge to researchers who believe the abduction phenomenon is essentially benevolent and spiritually uplifting Professor David M Jacobs proves that there is a far more disturbing and potentially dangerous plan underway with possible alien domination at its core In this remarkably well researched and well written book Professor Jacob has added a new complexity and depth to our knowledge of the UFO and abduction phenomena The secret alien agenda revealed here is ominous but it must be confronted before it is too late

UFOs and Abductions David Michael Jacobs, 2000 Examining the nature of UFO evidence the authors present a primer for scholars skeptics and others uneasy about investigating the field of UFOs The volume also brings together three bestselling authors David M Jacobs Budd Hopkins and Pulitzer Prize winner John Mack widely known for their writings on the controversial alien abduction phenomenon

UFOs, ETs, and Alien Abductions Don Donderi, 2023-06-23 A splendid book compiling the extensive evidence justifying his courageous and clear conclusion that some UFOs are extraterrestrial spacecraft Stanton T Friedman author of Flying Saucers and Science Psychologist and researcher Don Donderi examines the evidence and research from the past several decades on the changing nature of UFOs He looks at why the scientific establishment takes a dim view of UFOs and abduction evidence and examines how the US government has collected and suppressed UFO evidence UFOs ETs and Alien Abductions is a wide ranging examination of all things off planet that falls into three sections UFOs evidence and belief between 1947 through 1965 and Cold War mysteries The changing nature of UFO phenomenon from 1965 to the present which makes the case for the existence of humanoid crew members seen in and around landed UFOs This section also examines six well documented abduction cases and includes the author detailing his own research involvement with the evidence He refutes the belief that all abductees are mentally disturbed and that a psychological disturbance explains the experience The third section is devoted to a very meaty and controversial analysis of science politics and UFOs An excellent study of the UFO phenomenon and the scientific community's reaction to it David M Jacobs author of The Threat Revealing the Secret Alien Agenda A bold summation of the case for extraterrestrial UFOs which explains why science has rejected these data and tells us how the UFO phenomenon is potentially important for all mankind Mark Rodeghier president and scientific director of the J Allen Hynek Center for UFO Studies

Out of Time Steve Aspin, 2023-08-24 In Out of Time The Intergenerational Abduction Program Explored author Steve Aspin has written a crossover work about the enduring worldwide reports of alien abduction The book is intended for both those familiar with the historic published case material and the curious reader unfamiliar with the decades of serious academic research on this superficially improbable phenomenon The author details his lifelong personal experience and the relationships he built with leading researchers during 15 years of investigating this phenomenon He has at all times attempted to approach the subject with critical thoroughness and intellectual rigour From stumbling on a cattle mutilation in Ireland in 1970 to witnessing a UFO after a period of missing time at age 16 in 1972 to a confrontational experience in a

Sardinia hotel in 2006 the author relates a lifetime of anomalous experiences But this is only the starting point of the journey the reader of Out of Time will make Steve then details several years of investigation into the subject and how what he has learned has shaped his thoughts on what is happening to perhaps millions of people worldwide He had the good fortune to meet with several leading researchers in the field including Budd Hopkins and Dr David Jacobs and read hundreds of published works on the subject of UFOs and abductions He has attempted to bring hard forensic evidence to the discussion and to follow that evidence where it may lead paying particular attention to the clearly intergenerational aspect of the global abduction program which he demonstrates with corroborating evidence almost certainly dates from the 1890s His conclusions will be of interest to anyone attentive to this field of study Whether inevitably proved right or wrong they stem from a conscious effort to bring objectivity and honesty to the analysis of this widely reported phenomenon Although successfully normalised in popular culture to become background noise or a minor comic footnote in otherwise busy lives this subject has real and serious implications for both the individual experiencer and human society collectively

Invoking the Beyond: Paul D. Collins, Phillip D. Collins, 2020-11-22 The Gnostic revival of the Enlightenment witnessed the erection of what could be called the Kantian Rift an epistemological barrier between external reality and the mind of the percipient Arbitrarily proclaimed by German philosopher Immanuel Kant this barrier rendered the world as a terra incognita Suddenly the world out there was deemed imperceptible and unknowable In addition to the outer world the cherished metaphysical certainties of antiquity the soul a transcendent order and God swiftly evaporated The way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the Divine Collectively these surrogates could be referred to as the Beyond because they epistemologically and ontologically overwhelm humanity In recent years the Beyond has been invoked by theoreticians literary figures intelligence circles and deep state operatives who share some variant of a technocratic vision for the world In turn these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government and the creation of a New Man Their hegemony has been legitimized through the invocation of a wrathful earth goddess a technological Singularity a superweapon and extraterrestrial gods All of these are merely masks for the same counterfeit divinity the Beyond

Shockingly Close to the Truth , The UFO Chronicles John Michael Greer, 2020-10-31 Beyond the familiar opposition between those who believe that UFOs are spacecraft from other planets and those who believe UFOs do not exist at all lies a landscape of stranger and more rewarding topics This new edition of The UFO Phenomenon is a discovery of the nature of apparitions the history of secret American aerospace technologies the mythology of progress and the role of popular culture in defining experienced reality
