Witnessing Prophecy Politics And Wisdom:

Witnessing Maria Clara Bingemer, Peter Casarella, 2014-10 Inspired by the twenty fifth anniversary of the Jesuit martyrs of El Salvador this volume gathers reflection on the meaning and role of Christian witness in the world today The meaning of witness has always carried special weight in the examples of martyrs But as the contributors both from North and South America here demonstrate the implications of witness extend in many ways to pedagogy the role of narrative in theology spirituality intercultural dialogue and politics

Faith Seeking Conviviality Samuel E. Ewell, 2019-12-30 Faith Seeking Conviviality traces the journey of a U S missionary into Brazil and beyond seeking to be faithfully present while also questioning the default settings of good intentions Taking Ivan Illich as the primary theological guide on that journey Faith Seeking Conviviality narrates the discovery of a renewed imagination for Christian mission that arises as a response to two persistent questions First given the colonial history of Christian missionary expansion on what basis do we go on fulfilling the Great Commission Matt 28 16 20 as Christ's disciples A second question intimately related to the first is What makes it possible to embody a distinctively Christian presence that is missionary without being manipulative In doing theology with and after Ivan Illich Faith Seeking Conviviality does not offer a pull off the shelf model for mission but rather a framework for embodying the incarnational logic of mission that entails a convivial turn delinking missionary discipleship from the lure of techniques and institutional dependence in order to receive and to share the peace of Christ relationally

Facing the World John K. Downey, Steve Ostovich, Johann M. Vento, 2018 This collection of essays on political theology including one by its inspiration Johann Baptist Metz accepts the challenge of how to live mercifully in difficult times The authors respond to the call of Pope Francis to respond with mercy compassion and solidarity to a global culture of indifference

Christianity and the Laws of Conscience Jeffrey B. Hammond, Helen M. Alvare, 2021-06-24 This book explores the Christian theological legal constitutional historical and philosophical meanings of conscience for both scholarly and educated general audiences

Beyond Dogmatism and Innocence Bradford E. Hinze, Anthony J. Godzieba, 2017-02-01 Behind every important development in Catholic doctrine and practice since the beginning of the modern period have been debates about the interpretation of Christianity's classic texts and traditions and their ideological and practical implications Over the past century there have been breakthroughs in retrieving the origins of beliefs and practices recovering the rich myriad and multifaceted literary forms and recognizing the ways these venerable traditions have been received applied and negotiated in the lives of reading audiences with their contrasting worldviews The essays in this volume by leading figures in Catholic theology suggest what might be called a third way that blends deeply contextual interpretations with a critical theological analysis of the roles of power and grace in church and society The abilities and skills to grapple with basic issues in hermeneutics and critical theory remain necessary and fundamental for Catholic theology At stake is nothing less than how the good news of God's salvation can be grasped and lived today This volume provides a trustworthy map and compass for

negotiating these debates and options Contributors include Sandra M Schneiders Francis Sch ssler Fiorenza Robert J Schreiter John E Thiel Dominic Doyle Fernando F Segovia Andrew Prevot Ormond Rush Judith Gruber Susan Abraham Anthony J Godzieba and Bradford E Hinze

The Structures of Virtue and Vice Daniel J. Daly, 2021-02-01 Daly uses the lens of virtue and vice to reimagine a Catholic ethics that can better scrutinize the social forces that both affect our moral character and contribute to human well being or human suffering creating a framework to respond virtuously to problems caused by global social systems from poverty to climate change

Theology of the People Scannone, Juan Carlos, SJ, 2021 Theology of the People presents and studies the influence of liberation theology on Jorge Mario Bergoglio Scannone s former teacher who lived with him for many years and who is cited in Pope Francis s first encyclical *Laudato Si*

Beyond Suffering and Reparation Timothy James Bowyer, 2018-11-01 This book presents the key issues debates concepts approaches and questions that together define the lives of rural people living in extreme poverty in the aftermath of political violence in a developing country context Divided into nine chapters the book addresses issues such as the complexities of human suffering losing trust psychic wounds dealing with post traumatic stress situations and disillusionment after change By building knowledge about human and social suffering in a post conflict environment the book counters the objectification of human and social suffering and the moral detachment with which it is associated In addition it presents practical ways to help make things better It discusses new methodological concepts based around empathy and participation to show how the subjective reality of human and social suffering matter Finally the book maps a burgeoning field of enquiry based around the need for linking psychosocial approaches with the actual lived experience of individuals and groups

Von Balthasar & the Option for the Poor Todd Walatka, 2017 Hans Urs von Balthasar s vast corpus of theological philosophical literary and pastoral writings remains one of the most impressive achievements in 20th century thought In light of liberation theology and now the papacy of Francis however a theological affirmation of the option for the poor remains dangerously weak in Balthasar s corpus Von Balthasar and the Option for the Poor offers a sympathetic reforming of Balthasar s account of the drama of salvation what he calls theodramatics in response to this weakness

Put Away Your Sword Michael L. Budde, 2024-03-11 What does it mean to follow the Prince of Peace in a world plagued by war violence and killing Can the foundational convictions of Christianity and the experiences of Christians around the world contribute to a more adequate practice of the faith in contemporary times on matters of war violence and peacemaking This volume addresses these important questions with contributions from Christian scholars and practitioners from across the Majority World including El Salvador Brazil Kenya and the Philippines and from the United States and Europe They include proponents of Christian pacifism and just war theory advocates for varieties of just peacemaking frameworks and people pursuing slow modest steps toward reconciling enemies without the use of overarching theoretical frameworks What holds them together is a sense that the world and the church would benefit from a robust and gospel based commitment to nonviolence as an alternative to lethal business as usual

in addressing conflicts great and small The topics they consider include constructive aspects of a Christian theology of nonviolence case studies of gospel nonviolence and pastoral work from violent conflicts around the world women as victims of violence and makers of peace and theopolitical questions of just war armed intervention and Christian nonviolence The Oxford Handbook of Mystical Theology Edward Howells, Mark A. McIntosh, 2020-02-25 The Oxford Handbook of Mystical Theology provides a guide to the mystical element of Christianity as a theological phenomenon It differs not only from psychological and anthropological studies of mysticism but from other theological studies such as more practical or pastorally oriented works that examine the patterns of spiritual progress and offer counsel for deeper understanding and spiritual development It also differs from more explicitly historical studies tracing the theological and philosophical contexts and ideas of various key figures and schools as well as from literary studies of the linguistic tropes and expressive forms in mystical texts None of these perspectives is absent but the method here is more deliberately theological working from within the fundamental interests of Christian mystical writers to the articulation of those interests in distinctively theological forms in order finally to permit a critical theological engagement with them for today Divided into four parts the first section introduces the approach to mystical theology and offers a historical overview Part two attends to the concrete context of sources and practices of mystical theology Part three moves to the fundamental conceptualities of mystical thought The final section ends with the central contributions of mystical teaching to theology and metaphysics Students and scholars with a variety of interests will find different pathways through the Handbook *Beyond the Doctrine of Man* Joseph Drexler-Dreis, Kristien Justaert, 2019-12-03 Catalyzed by Sylvia Wynter's questioning of modern colonial descriptions of the human person the essays in *Beyond the Doctrine of Man* interrogate the problem of these definitions of the human person and take up the struggle to decolonize and unsettle such descriptions Contributors Rufus Burnett Jr M Shawn Copeland Yomaira C Figueroa Patrice Haynes Xhercis M ndez Andrew Prevot Mayra Rivera Linn Marie Tonstad Alexander G Weheliye Ex Auditu - Volume 34 Stephen Chester, 2019-07-01 Introduction Stephen J Chester The Moral Problematics of Exodus as Liberative Narrative Ruben Rosario Rodriguez Response to Rosario Rodriguez Armida Belmonte Stephens Human Violence in the Imprecatory Psalms Nancy L DeClaissie Walford Response to DeClaissie Walford Meredith Faubel Nyberg Jesus and the L stai Competing Kingdom Visions Jesse Nickel Response to Nickel Rebekah Eklund Paul and Violence Seyoon Kim Response to Kim Julien C H Smith I Will Put Enmity Between You Scriptural Arcana in Carl Schmitt's Political Theology Kyle Gingerich Hiebert Response to Gingerich Hiebert Colby Dickinson Blood Letters from a Mao Prison A Select Soldier of Christ Confronts Revolutionary Violence Xi Lian Response to Xi Lian Lida V Nedilsky Bearing Witness Faith Black Women and Sexual Violence Elizabeth Pierre Response to Pierre Melanie Baffes Keeping our Word 2 Samuel 9 D Darrell Griffin Revolutionary Saint Lee, Michael E., 2017 **The Mystery and the World** Maria Clara Bingemer, 2017-02-23 In *The Mystery and the World* Maria Clara Bingemer explores how the place of religion in society has dramatically shifted since the Enlightenment The

modern era is characterised by a major change in humanity's fundamental desires that means that reason has taken the place of faith. Human beings in their ongoing search for a scientific understanding of the world have drifted away from seeking any essence of transcendence in their lives. Bingemer examines this transition and how especially in the postmodern era it has led to technology and superficial happiness becoming all important as opposed to the more sacred sense of contentment that governed us for centuries prior to the Enlightenment. In her discussion however Bingemer demonstrates that we as humans have not lost our innate desire to believe in a higher power and that even in our world of instant satisfaction we still need to fill the void left by religion. Through well researched analysis of the modern era and discussion of some of the mystics of more recent times she reveals to readers how our religious belief whilst changed is not dead and is still an important aspect of our existence.

Prophetic Leadership and Visionary Hope Barbara Will, 2023-05-09

Thirty years have passed since Cornel West's book *Race Matters* rose to the top of the bestseller lists in 1993. Yet his book remains as relevant as ever to American culture even more so if one considers its influence on contemporary racial justice movements such as Black Lives Matter, prison justice and the fight for police reform. *Prophetic Leadership and Visionary Hope* an edited volume of essays by leading scholars in Black studies, religious studies and social justice history looks back to the original 1993 text and forward into the future of racial understanding and healing in our current century responding to Dr West's own repeated insistence that we can only understand our present and future by looking back. By reengaging with West's book at this seminal moment *Prophetic Leadership and Visionary Hope* offers new points of entry into the thorny issues that the 1993 text addressed: the challenge of leadership in a culture marked by the legacy of white supremacy, the limited value of liberal affirmative action programs in promoting the affirmation of Black humanity, the dangerous seductions of African American conservatism and the question of Black self-regard, what West called black nihilism, the necessity and difficulty of cross-race solidarity and cross-religious affinity, the need to channel legitimate Black rage over untenable conditions of existence into productive opportunities and viewpoints. All of these issues are even more marked in American society today. The voices collected in this volume are the legitimate intellectual heirs of the original *Race Matters*. With essays that span the topics of history, politics, philosophy, religion, cultural studies, music and aesthetics *Prophetic Leadership and Visionary Hope* is as wide-ranging as the thinker whose ideas it engages, interrogates and celebrates. Contributors: Nkosi Du Bois, Anderson Paul A. Bov, Matthew M. Briones, Farah Jasmine Griffin, Susannah Heschel, Lucius T. Outlaw Jr, Andrew Prevot, Brandon M. Terry, Cornel West, Barbara Will.

Witnessing a Prophetic Text in the Making Noam Mizrahi, 2017-10-23

The book of Jeremiah poses a challenge to biblical scholarship in terms of its literary composition and textual fluidity. This study offers an innovative approach to the problem by focusing on an instructive case study. Building on the critical recognition that the prophecy contained in Jer 10:1-16 is a composite text, this study systematically discusses the various literary strands discernible in the prophecy, satirical depictions

of idolatry an Aramaic citation and hymnic passages A chapter is devoted to each strand revealing its compositional development from the earliest recoverable stages down to its late reception A range of pertinent evidence culled from the literary text critical and linguistic realms is examined and sets within broader perspectives with an eye open to cultural history and the development of theological outlook The investigation of a particular text has important implications for the textual and compositional history of Jeremiah as a whole Rather than settling for the common opinion that Jeremiah developed in two main stages reflected in the MT and LXX respectively a nuanced supplementary model is advocated which better accords with the complexity of the available evidence

The Spirit's Relation to the Risen Lord in Paul Mehrdad Fatehi, 2000 Mehrdad Fatehi studies Paul's letters and shows that the risen Lord is featured in the religious experiences of Paul and the Pauline believers as the present and active lord of the new covenant community These experiences seem to point beyond the notion of a divine agent alongside God to a redefinition of the very concept of God in a way that it would include Christ within itself This is confirmed by the way Paul and the Pauline communities believed themselves to have experienced the risen Lord through God's Spirit In Judaism in general as well as in Paul the Spirit was not regarded as an entity distinct or separable from God but as God himself in his presence and action in and among his people Yet we have clear evidence in Paul's letters that the risen Christ was experienced and conceived of as being present and active through the Spirit bestowing grace and gracious gifts infusing wisdom communicating his will regenerating and transforming his people and dwelling in and among them all through the Spirit in a way which is best understood after the analogy of God's presence and work through the Spirit in Judaism In other words Paul's the Spirit of Christ is best understood after the analogy of the Spirit of God Paul's application of the Spirit language to describe and interpret the Christians experiences of the risen Lord shows that Paul most probably presupposed a redefinition of monotheism in which Christ would be included within the Godhead

Of Whom Do the Prophets Speak? Howard Morgan, 2019-08-30 This book is not about trying to convert Jewish people or to change anything about their identity beliefs or practices as Jews It is about helping people whose lives have been changed by their personal encounter with Jesus to share their understanding of the many prophecies in the Hebrew Bible that we believe can only be fulfilled in Yeshua It is also about encouraging and challenging you to seriously consider these prophecies and why we believe that Yeshua really is the Jewish Messiah the Son of God and the Redeemer of the world
