In this the first full length study of the Directorate of Science and Technology Jeffrey T. Richelson walks us down the corridors of CIA headquarters in Langley, Virginia, and through the four decades of science, scientists, and managers that produced the CIA we have today. He tells a story of amazing technological innovation in service of intelligence gathering, of bitter bureaucratic infighting, and sometimes as in the case of its mind control adventure, of stunning moral failure. Based on original interviews and extensive archival research, *The Wizards of Langley* turns a piercing lamp on many of the agency's activities many never before made public. *Wizard's Holiday* Diane Duane, 2005-06-01. Two teen wizards embark on an alien exchange program in this hilarious and scary adventure from the author of *A Wizard Alone*. Booklist. Rest and relaxation that's what Nita Callahan thinks she's going to get when she and her partner wizard Kit Rodriguez go on a cultural exchange program. But nothing about wizardry, not even vacation, is ever quite that simple. Number one: They're headed to a planet that may be just a bit too perfect. Number two: Nita's sister Dairine must host a trio of alien guests here on Earth. Number three: The culture clashes that ensue could have devastating consequences for both planets.
