Wolf With Benefits Heather Long,2017-06-14 After graduating college and spending a summer breaking the law Shiloh Sullivan needs to make amends and accomplish something for Willow Bend When she returns home her best friend the wolfish and playful Matt Montgomery distracts her In an effort to make his mother feel better Matt cons Shiloh into telling his mother that she came home for him The little fib he promises is all his mother needs to feel better about his sister s recent mating and exodus across the ocean Pretending a relationship with a wolf is impossible and while Shiloh might be human she knows the rules The friendly with benefits arrangement suits Matt fine It makes his mother happy helps the pack forgive his best friend and gives him a reason to pry into the secrets Shiloh s been keeping Still the closer they get and the more rules they break the more Matt s wolf wants to change their con game into a mating game Two problems stand in his way Shiloh s very human parents never wanted their children to take the bite and a wolf from across the line has his eye on her too Can Matt keep his best friend and mate her too

A Man Called Wyatt Heather Long,2017-09-26 Meet Wyatt The mysterious brother the shadowed man where he rides death follows He s always been the hunter never the hunted The past The first war ground to a halt in the blink of an eye Wyatt the most feared and ruthless Fevered fell His allies scattered to the wind in a single evening of destruction and retribution Victory had been within Adam s grasp but one Shaman interfered and crippled him The present Nearly five decades have passed since that bloody night but the feud between brothers long at an impasse is about to explode Though the Fevered have grown in numbers the war itself is far more perilous because everyone has something to lose and the voice of reason will no longer hold death at bay The future The Fevered have continued to evolve and more powerful are awaking every day When death rides his brother will rush to meet him and only one woman will have the power to step into the breach it is the end of an era and it could be the end of the Fevered **Brave Are the Lonely**

Heather Long,2012-03-05 Meet Cody Wolf Brother Wild Cowboy Wicked Lover He s never a met a woman who can handle him When the spirit fever struck a town a village or an outpost it left few if any survivors The white man blamed the Indian saying they used their mojo on them The Indians blamed the white man for angering the spirits The survivors knew it didn t matter The Fevered were forever changed When death seemed preferable Mourning his mate drove fevered wolf shifter Cody out of Texas but a brother s need drags him back from the brink and good deeds never go unpunished Gypsy princess Mariska only wants to protect her people and her freedom but a dangerous choice puts her on a collision course with an angry wolf When Cody touches Mariska his wolf cannot escape the hunger that fills him For Mariska Cody s touch brings her a pleasure she never imagined but is it enough to heal his fractured soul As danger stalks them they must confront who they are or risk losing Cody forever His wolf His woman His way *Space Cowboy Survival Guide* Heather
