Building a Community of Interpreters Walter R. Dickhaut, 2013-07-03 In Building a Community of Interpreters Walter Dickhaut argues that the practice of reading and by extension listening is no less creative than the practice of writing and speaking readers and hearers just as much as writers and speakers are producers of meaning Hence the work of biblical interpretation is the work the calling of a community Focused on the experience of the reader or hearer of biblical texts he explores such questions as What happens when the author disappears What happens when a reader opens a book to meet the author What happens when a book is read What happens when the reader changes spectacles Into discussion of such issues as the reader's angle of vision when texts open and close the reader's expectations the reader's meeting up with the text and the functions of filters and lenses in the practice of reading and hearing the author introduces mystery surprise and expectation as hermeneutical lenses that can enlarge what may be seen in biblical texts In addition to some homiletical samples the author concludes with a suggested teaching plan for building a community of interpreters

The Social Worlds of Nineteenth-Century Chamber Music Marie Sumner Lott, 2015-06-15 Music played an important role in the social life of nineteenth century Europe and music in the home provided a convenient way to entertain and communicate among friends and colleagues String chamber music in particular fostered social interactions that helped build communities within communities Marie Sumner Lott examines the music available to musical consumers in the nineteenth century and what that music tells us about their tastes priorities and activities Her social history of chamber music performance places the works of canonic composers such as Schubert Brahms and Dvořák in relation to lesser known but influential peers The book explores the dynamic relationships among the active agents involved in the creation of Romantic

music and shows how each influenced the others choices in a rich collaborative environment In addition to documenting the ways companies acquired and marketed sheet music Sumner Lott reveals how the publication and performance of chamber music differed from that of ephemeral piano and song genres or more monumental orchestral and operatic works Several distinct niche markets existed within the audience for chamber music and composers created new musical works for their use and enjoyment Insightful and groundbreaking *The Social Worlds of Nineteenth Century Chamber Music* revises prevailing views of middle class influence on nineteenth century musical style and presents new methods for interpreting the meanings of musical works for musicians both past and present
