Fowler,1976-06 Woman of the American Frontier William W. Fowler,1972-01-01 *Woman on the American Frontier* William Worthington Fowler,2004-06 Of all the tens of thousands of devoted women who have accompanied the grand army of pioneers into the wilderness not one but that has been either a soldier to fight or a laborer to toil or a ministering angel to soothe the pains and relieve the sore wants of her companions Not seldom has she acted worthily in all these several capacities fighting toiling and ministering by turns If a diary of the events of their pioneer lives had been kept by each of these brave and faithful women what a record of toil and warfare and suffering it would present Woman on the American Frontier William Worthington Fowler,1976 **Woman on the American Frontier** William Worthington Fowler,2016-07-12 **WOMAN AS A PIONEER** Every battle has its unnamed heroes The common soldier enters the stormed fortress and falling in the breach which his valor has made sleeps in a nameless grave The subaltern whose surname is scarcely heard beyond the roll call on parade bears the colors of his company where the fight is hottest And the corporal who heads his file in the final charge is forgotten in the earthquake shout of the victory which he has helped to win The victory may be due as much or more to the patriot courage of him who is content to do his duty in the rank and file as to the dashing colonel who heads the regiment or even to the general who plans the campaign and yet unobserved unknown and unrewarded the former passes into oblivion while the leader s name is on every tongue and perhaps goes down in history as that of one who deserved well of his country **WOMAN ON THE AMER FRONTIER** William Worthington 1833-1881 Fowler,2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Woman on the American Frontier* William Worthington Fowler,2014-02 **WOMAN ON THE AMER FRONTIER** William Worthington 1833-1881 Fowler,2016-08-27 *Woman on the American Frontier a*
