Women And Politics In Contemporary Ireland:

Women and Politics in Contemporary Ireland Yvonne Galligan, 1998-01-01 As Ireland made the transition from a rural to a post industrial society from the 1970s onwards Irish women developed a significant political voice Long excluded from participation in the civic arena they organised to make new challenging and specific demands on government The relationship between feminist representatives and political decision makers is at the core of this book It shows how Irish women developed the political skills required to represent women s interests to government effectively and finds that the political activity of the women s movement in the Republic of Ireland contributed to the dismantling of a range of discriminatory policies against women Galligan discusses the compromises made by both sides as the political system slowly moved to accomodate the feminist agenda In doing so she explores the dynamics of Irish politics from a different yet complementary perspective from the institutional approach which characterizes other studies of the Irish political system This book clearly marks the significant points in the creation of a more woman friendly society in Ireland from the 1970s to the present day It is the story of women s rights in contemporary Ireland *Abortion and Nation* Lisa Smyth, 2017-03-02 Abortion politics are contentious and divisive in many parts of the world but nowhere more so than in Ireland *Abortion and Nation* examines the connection between abortion politics and hegemonic struggles over national identity and the nation state in the Irish Republic Situating the abortion question in the global context of human rights politics as well as international social movements Lisa Smyth analyses the formation and transformation of abortion politics in Ireland from the early 1980s to the present day She considers whether or not the shifting connections between morality rights and nationhood promise a new era of gender equality in the context of nation state citizenship The book provides a new sociological framework through which the significance of conflict over abortion and reproductive freedom is connected to conflict over national identity It also offers a distinctive in depth consideration of the connection between gender and nationhood particularly in terms of its impact on women s status as citizens within the nation state within the European Union and as members of a global civil society *Sexual Politics in Modern Ireland* Jennifer Redmond, 2015 Includes biographical notes on the contributors *Engendering Ireland* Rebecca Barr, Sarah-Anne Buckley, Laura Kelly, 2015-09-18 *Engendering Ireland* is a collection of ten essays showcasing the importance of gender in a variety of disciplines These essays interrogate gender as a concept which encompasses both masculinity and femininity and which permeates history and literature culture and society in the modern period The collection includes historical research which situates Irish women workers within an international economic context textual analysis which sheds light on the effects of modernity on the home and rising female expectations in the post war era the rediscovery of significant Irish women modernists such as Mary Devenport O Neill and changing representations of masculinity race ethnicity and interculturalism in modern Irish theatre Each of these ten essays provides a thought provoking picture of the complex and hitherto unrecognised roles gender has played in Ireland over the

last century While each of these chapters offers a fresh perspective on familiar themes in Irish gender studies they also illustrate the importance and relevance of gender studies to contemporary debates in Irish society

Women and Political Power Simon Henig, 2002-01-04 The advance of women through the political system has been one of the most significant developments of the second half of the twentieth century For the first time we have seen women Prime Ministers and Presidents in Europe Women and Political Power examines the extent of progress women have made in ten western European countries and looks at the factors which have helped or hindered their greater involvement in the political process This book not only explores fascinating contrasts between northern and southern European countries it also reveals the strong similarities in all countries It highlights in particular the continuing absence of women from leadership positions and the concentration of women on committees dealing with social and welfare issues

Sexual Politics in Modern Ireland Jennifer Redmond, Sonja Tiernan, Sandra McAvoy, Mary McAuliffe, 2015 This innovative collection offers a new understanding of sexual and gender politics in Ireland throughout the 19th and 20th centuries Leading experts in the field contribute to a captivating and controversial debate on sexuality in Irish society and specifically include explorations of lesbian histories the treatment of intersex persons in Ireland the patriarchal system prostitution sex education and the ongoing and divisive issue of abortion Ireland's relationship between the Church and State is investigated and questioned along with the double standards attitude towards women and their position within the law New arguments made throughout the book offer a re examination of our understanding of the Irish State and how it has treated and continues to treat its people on the basis of gender The book contains insightful questions that challenge the concept of masculinity femininity and otherness within Irish society It also includes a fascinating study of activists from various campaigns that surround the progression of Pro Choice and Pro Life since 1983

Law and Gender in Modern Ireland Lynsey Black, Peter Dunne, 2019-02-21 Law and Gender in Modern Ireland Critique and Reform is the first generalist text to tackle the intersection of law and gender in this jurisdiction for over two decades As such it could hardly have come at a more opportune moment The topic of law and gender perhaps more so than at any other time in Irish history has assumed a dominant place in political and academic debate Among scholars and policy makers alike the regulation of gendered bodies and the legal status of sexual and gendered identities is now a highly visible fault line in public discourse Debates over reproductive justice exemplified by the recent referendum to remove the 8th Amendment increased rights for lesbian gay bisexual and transgender persons including the public sanctioned introduction of same sex marriage and the historic mistreatment of women and young girls have re shaped Irish public and political life and encouraged Irish society to re examine long unchallenged gender norms While many traditional flashpoints remain such as abortion and prostitution sex work there are also new questions including surrogacy and the gendered experience of asylum frameworks which have emerged As policy makers seek to enact reforms they face a population with increasingly polarised perceptions of gender and

a legal structure ill equipped for modern realities This edited volume directly addresses modern Irish debates on law and gender Providing an overview of the existing rules and standards as well as exploring possible options for reform the collection stands as an important statement on the law in this jurisdiction and as an invaluable resource for pursuing gendered social change While the edited collection applies a doctrinal methodology to explain current statutes case law and administrative practices the contributors also invoke critical gender queer and race perspectives to identify and problematise existing and potential challenges This edited collection is essential reading for all who are interested in law gender and processes of social change in modern Ireland

Philosophical Perspectives on Contemporary Ireland Clara Fischer, Áine Mahon, 2019-11-25 This is the first book to bring a philosophical lens to issues of socio political and cultural importance in twenty first century Ireland While the social political and economic landscape of contemporary Ireland has inspired extensive scholarly debate both within and well beyond the field of Irish Studies there is a distinct lack of philosophical voices in these discussions The aim of this volume is to enrich the fields of Philosophy and Irish Studies by encouraging a manifestly philosophical exploration of contemporary issues and concerns The essays in this volume collectively address diverse philosophical questions on contemporary Ireland by exploring a variety of themes including diaspora exile return women s bodies and autonomy historic injustices and national healing remembering and commemoration institutionalization and containment colonialism and Ireland as home conflict and violence Northern Ireland and the peace process nationalism patriotism and masculinities ethnicity immigration and identity and translation art and culture **Philosophical Perspectives on Contemporary Ireland** marks a significant contribution to contemporary theorizations of Ireland by incorporating both Irish and transatlantic perspectives It will appeal to a broad audience of scholars and advanced students working in philosophy Irish Studies feminist theory history legal studies and literary theory Beyond academia it will also engage those interested in contemporary Ireland from policy and civil society perspectives

Women Divided Rosemary Sales, 2002-11-01 The ongoing Irish peace process has renewed interest in the current social and political problems of Northern Ireland In bringing together the issues of gender and inequality **Women Divided** a title in the International Studies of Women and Place series offers new perspectives on women s rights and contemporary political issues **Women Divided** argues that religious and political sectarianism in Northern Ireland has subordinated women A historical review is followed by an analysis of the contemporary scene state market particularly employment patterns family and church and the role of women s movements The book concludes with an in depth critique of the current peace process and its implications for women s rights in Northern Ireland arguing that women s rights must be a central element in any agenda for peace and reconciliation

Politics in the Republic of Ireland John Coakley, Michael Gallagher, 2010 **Politics in the Republic of Ireland** is now available in a fully revised fifth edition Building on the success of the previous four editions it continues to provide an authoritative introduction to all aspects of politics in the Republic of Ireland Written by some of the

foremost experts on Irish politics it explains analyzes and interprets the background to Irish government and contemporary political processes Bringing students up to date with the very latest developments Coakley and Gallagher combine real substance with a highly readable style providing an accessible textbook that meets the needs of all those who are interested in knowing how politics and government operate in Ireland

Body Politics in Contemporary Irish Women's Fiction Ellen Scheible, 2024-12-12 Exploring twentieth and twenty first century texts that wrestle with the Irish domestic interior as a sexualized and commodified space this book provides readings of the power and authority of the feminized body in Ireland Scheible dissects the ways that the woman as symbol remains consistent in Irish literary representations of national experience in Irish fiction and shows how this problematizes the role of women in Ireland by underscoring the oppression of sexuality and gender that characterized Irish culture during the twentieth century Examining works by Elizabeth Bowen Pamela Hinkson Emma Donoghue Tana French Sally Rooney and James Joyce this book demonstrates that the definition of Irish nationhood in our contemporary experience of capitalism and biopolitics is dependent on the intertwining and paradoxical tropes of a traditional yet equally sexual feminine identity which has been quelled by violence and reproduction

State Feminism, Women's Movements, and Job Training Amy Mazur, 2013-01-11 Drawing from the work of internationally renowned scholars from the Research Network on Gender Politics and the State RNGS this study offers in depth analysis of the relationship between state feminism women's movements and public policy and places them within a comparative theoretical framework Spain France Italy Germany Finland Austria Belgium Canada and the U S are all discussed individually

Irish women and the creation of modern Catholicism, 1850-1950 Cara Delay, 2019-03-26 This is the first book length study to investigate the place of lay Catholic women in modern Irish history It analyses the intersections of gender class and religion by exploring the roles that middle class working class and rural poor women played in the evolution of Irish Catholicism and thus the creation of modern Irish identities The book demonstrates that in an age of Church growth and renewal stretching from the aftermath of the Great Famine through the Free State years lay women were essential to all aspects of Catholic devotional life including both home based religion and public rituals It also reveals that women by rejecting negotiating and reworking Church dictates complicated Church and clerical authority Irish women and the creation of modern Catholicism re evaluates the relationship between the institutional Church the clergy and women positioning lay Catholic women as central actors in the making of modern Ireland

Women's Life Writing and Early Modern Ireland Julie A. Eckerle, Naomi McAreavey, 2019-06-01 Women's Life Writing and Early Modern Ireland provides an original perspective on both new and familiar texts in this first critical collection to focus on seventeenth century women's life writing in a specifically Irish context By shifting the focus away from England even though many of these writers would have identified themselves as English and making Ireland and Irishness the focus of their essays the contributors resituate women's narratives in a powerful and revealing landscape This volume addresses a range of genres from letters to book marginalia

and a number of different women from now canonical life writers such as Mary Rich and Ann Fanshawe to far less familiar figures such as Eliza Blennerhassett and the correspondents and supplicants of William King archbishop of Dublin The writings of the Boyle sisters and the Duchess of Ormonde women from the two most important families in seventeenth century Ireland also receive a thorough analysis These innovative and nuanced scholarly considerations of the powerful influence of Ireland on these writers construction of self provide fresh illuminating insights into both their writing and their broader cultural context Women, Politics, and the Irish Public Sphere in the Age of Revolution Catriona

Kennedy,2025-04-28 The late eighteenth century age of revolutions has long been identified as a key moment in the gendering of modern democratic politics one which opened up new debates on the rights of women while often re affirming the masculinity of the political citizen In Ireland the revolutionary era saw the rise of the radical United Irish movement mass popular mobilisation and reached a violent d nouement in the 1798 rebellion But what did Ireland s age of revolution mean for women Was radical republicanism able to imagine women as political actors How did Irish women experience and navigate the intense ideological conflicts of the 1790s Addressing these and related questions this is the first book length study of women and Irish politics in the late eighteenth century Revising a stubborn tendency to present women s political engagements in this period as largely mediated through men it stresses instead women s concerns initiatives and networks It reconstructs the distinctively gendered political cultures of Ireland s principal communities the dynastic politics of the Protestant elite the dynamic oppositional culture of Belfast Presbyterianism the urban and agrarian radicalism of unpropertied Catholics and asks how these shaped the meanings of the 1790s for women In looking beyond the homosocial spaces of the club pub lodge and corps it reveals a complexly gendered public sphere in which women were often active participants As the subjects of United Irish addresses religious sermons state surveillance and post rebellion commemoration women emerge as a clear if overlooked constituency in Ireland s age of revolution And it suggests how our understanding of revolution might change when viewed from the perspective of women **The Field Day Anthology of Irish Writing**

Seamus Deane,Andrew Carpenter,Angela Bourke,Jonathan Williams,1991 **Twentieth-Century Irish Literature** Aaron Kelly,2008-06-02 This Guide surveys existing criticism and theory making clear the key critical debates themes and issues surrounding a wide variety of Irish poets playwrights and novelists It relates Irish literature to debates surrounding issues such as national identity modernity and the Revival period armed struggle gender sexuality and post colonialism *Ireland*

Joseph Coohill,2014-03-06 From the first prehistoric inhabitants of the island to the St Andrews Agreement and decommissioning of IRA weapons this uniquely concise account of Ireland and its people reveals how differing interpretations of history ancient and modern have influenced modern Irish society Combining factual information with a critical approach Coohill covers all the key events including the Great Famine Home Rule and the Good Friday Agreement Updated with two new chapters expanding the discussion of pre modern Ireland as well as developments in the 21st century this highly

accessible and balanced account will continue to provide a valuable resource to all those wishing to acquaint themselves further with the complex identity of the Irish people *The Oxford Handbook of Modern Irish History* Alvin Jackson, 2014-03
Draws from a wide range of disciplines to bring together 36 leading scholars writing about 400 years of modern Irish history

Narrating Irish Female Development, 1916-2018 Jane Elizabeth Dougherty, 2024-12-31 Narrating Irish Female Development 1916 2018 studies narratives of Irish female and feminized development arguing that these postmodern narratives present Irish female maturation as disordered and often deliberately disorderly The first full length study of the Irish female coming of age story the book develops a feminist psychoanalytic narratology derived from the belated oedipalization of Joyce's bildungsroman to read these stories This study argues that all Irish maturation stories are shaped by the uneven and belated maturation story of the Irish republic itself which took as its avatar the Irish woman whose citizenship in that republic was unrealized as indeed was her citizenship in an Irish republic of letters Dougherty takes the writing of Irish women as seriously as other critics have taken Joyce's work
