The Value In The Valley A Black Womans Guide Through Lifes Dilemmas:

Value in the Valley Iyanla Vanzant, 2002-05-23 The most powerful spiritual healer fixer teacher on the planet Oprah Winfrey Is it the job you hate but need in order to pay the rent Is it that relationship that you gave your all to only to end up with a broken heart again Perhaps it s your children a family member or a life long friend doing you in dragging you down pushing you to the brink If you are an honorary member of the Black Woman s Suffering Society you have probably been told that it s all your fault Or that struggling and suffering is your lot in life Iyanla Vanzant says No Life is an Act of Faith and suffering is optional Those everyday challenges obstacles and dilemmas are what Iyanla calls valleys As bad as they may seem there is a purpose or as Iyanla says There is so much value in the valley If you ve ever been disappointed betrayed rejected abandoned or just plain old scared to let go then you ve been or may still be in a valley Iyanla knows she s been there and on a bad day she s still there but now she shares the way out with you Prime Time Marilyn Hughes Gaston, Gayle K. Porter, 2003 Today seven million African American women are living in their prime experiencing the joys and challenges of middle age Now at last here is the book that addresses our total health needs physical emotional and spiritual Written by a distinguished physician and a clinical psychologist Prime Time is the first complete guide that empowers us to take charge of our lives and attain the well being we deserve In many ways it s true that we are better off today than our foremothers were We earn more money command more respect Yet in spite of these advances we still experience more chronic health problems endure more stress and live shorter lives than women of other races That s why Prime Time is both urgent and essential This groundbreaking book not only lays out a detailed practical plan for overall healing and for maintaining wellness it also addresses the underlying attitudes and assumptions that lead so many of us to neglect ourselves and undermine our own health Prime Time will help you Reframe priorities to put yourself and your own health needs first Interpret the latest medical findings on the Big Four killers and how they affect black women in middle age Profile your current health with worksheets quizzes and assessment tools Renew sex at midlife by eliminating restricting myths and taboos and finding new paths to pleasure Reduce anger and attitude that block you from attaining good health Identify the nontraditional signs of depression and anxiety common to African American women Comprehensive straight talking and grounded in science and spiritual truth Prime Time is at once a guide to total health in middle age and a celebration of the strength wisdom and beauty of African American women in their second half of life Sista Talk Rochelle Brock, 2005 Sista Talk The Personal and the Pedagogical is an inquiry into the questions of how Black women define their existence in a society which devalues dehumanizes and silences their beliefs Placing herself inside of the research Rochelle Brock invites the reader on a journey of self exploration as she and seven of her Black female students investigate their collective journey toward self awareness in the attempt to liberate their minds and souls from ideological domination Throughout Sista Talk attempts to understand the ways in which this self exploration informs her pedagogy Combining Black feminist and

Afrocentric Theory with critical pedagogy this book frames the parameters for an Afrowomanist pedagogy of wholeness for teaching Black students

Rhetorical Healing Tamika L. Carey, 2016-09-30 Since the Black women's literary renaissance ended nearly three decades ago a profitable and expansive market of self help books inspirational literature family friendly plays and films marketed to Black women has emerged Through messages of hope and responsibility the writers of these texts develop templates that tap into legacies of literacy as activism preaching techniques and narrative formulas to teach strategies for overcoming personal traumas or dilemmas and resuming one's quality of life Drawing upon Black vernacular culture as well as scholarship in rhetorical theory literacy studies Black feminism literary theory and cultural studies Tamika L Carey deftly traces discourses on healing within the writings and teachings of such figures as Oprah Winfrey Iyanla Vanzant T D Jakes and Tyler Perry revealing the arguments and curricula they rely on to engage Black women and guide them to an idealized conception of wellness As Carey demonstrates Black women's wellness campaigns indicate how African Americans use rhetorical education to solve social problems within their communities and the complex gender politics that are mass produced when these efforts are commercialized
