The Vatican Exposed Money Murder And The Mafia:

The Vatican Exposed Paul L. Williams, 2009-09-25 Over 50 billion dollars in securities Gold reserves that exceed those of industrialized nations Real estate holdings that equal the total area of many countries Opulent palaces containing the world's greatest art treasures These are some of the riches of the Roman Catholic Church Yet in 1929 the Vatican was destitute Pope Pius XI living in a damaged leaky pigeon infested Lateran Palace could hear rats scurrying through the walls and he worried about how he would pay for even basic repairs to unclog the overburdened sewer lines and update the antiquated heating system How did the Church manage in less than seventy five years such an incredible reversal of fortune The story here told by Church historian Paul L Williams is intriguing shocking and outrageous The turnaround began on February 11 1929 with the signing of the Lateran Treaty between the Vatican and fascist leader Benito Mussolini Through this deal Mussolini gained the support of the staunchly Catholic Italian populace who at the time followed the lead of the Church In return the Church received among other benefits a payment of 90 million sovereign status for the Vatican tax free property rights and guaranteed salaries for all priests throughout the country from the Italian government With the stroke of a pen the pope had solved the Vatican's budgetary woes practically overnight yet he also put a great religious institution in league with some of the darkest forces of the 20th century Based on his years of experience as a consultant for the FBI Williams produces explosive and never before published evidence of the Church's morally questionable financial dealings with sinister organizations over seven decades through today He examines the means by which the Vatican accrued enormous wealth during the Great Depression by investing in Mussolini's government the connection between Nazi gold and the Vatican Bank the vast range of Church holdings in the postwar boom period Paul VI's appointment of Mafia chieftain Michele Sindona as the Vatican banker a billion dollar counterfeit stock fraud uncovered by Interpol and the FBI the Ambrosiano Affair called the greatest financial scandal of the 20th Century by the New York Times the mysterious death of John Paul I profits from an international drug ring operating out of Gdansk Poland and revelations about current dealings For both Catholics and non Catholics this troubling expose of corruption in one of the most revered religious institutions in the world will serve as an urgent call for reform

How the Catholic Church Became Naughty...And Where the Real Hindrance to Reform Lies Jack Doherty, 2015-10-31 The cardinals and bishops of the Catholic Church have been naughty for centuries Why can't they practice what they preach At Christmastime 2014 Pope Francis scolded them for their vanity hypocrisy back biting gossiping boasting lust for power and control and acting like Lords of the Manor This book is an expansion on Pope Francis's admonition to his inner governing circle the Vatican Curia tracing this naughtiness from the time of Emperor Constantine who converted to Christianity in the early 4th century and gave the Church palaces basilicas riches and a noble lifestyle It is a short journey throughout the lascivious and corruption filled history of these church leaders their torture of non believers selling of indulgences and church offices concubinage partnering with evil kings and rulers ending with the 20th century Vatican Bank frauds the money laundering for Mafia and Mason crimes the betrayal of the Church and the sexual abuse of children scandal These popes cardinals and bishops of the Catholic Church are and have been the Real Hindrance to Reform with their peculiar Vatican mindset of clericalism arrogance and exaggerated self estimation of their superiority over everyone and everything It has been evolving for 1700 years This short book is not a denunciation of the Catholic Church but a ray of hope that the Vatican will make the deep changes that are necessary for survival of Catholicism Only a priesthood that includes married celibate male and female priests with a non clerical mindset will bring about the needed reform of the Catholic Church not the Pope alone nor the regressive Vatican mindset of clericalism ingrained in present day church leaders

The Time of Great Tribulation John Shacklefree, 2012-09-12 Today we see financial and environmental disaster facing the whole world human trafficking on a global scale family breakdown at unprecedented levels and wars being fomented by cynical profiteers In the so called democratic West we see democracy being gradually eroded by vested interests manipulating the electoral system and people being prosecuted for thought crimes The images of society painted by George Orwell in his books Animal Farm and 1984 look very much like the society we are building today It might

surprise many to know that a time of great tribulation was predicted a very long time ago These times are known as The End Times after which there will be an end to transgression and peace would reign over the whole world The question addressed in this book is whether we are in the End Times now and whether we are entering the time of darkness predicted over two thousand years ago
