Secrets, Lies, Betrayals Maggie Scarf,2005-06-07 Reading Maggie Scarf s groundbreaking new book could change your life In Secrets Lies Betrayals the bestselling author of Unfinished Business Intimate Partners and Intimate Worlds brilliantly explores how the body holds on to painful episodes from the past including secrets we may be keeping even from ourselves and how we can release them to live freer healthier lives The body has a unique memory system in which early trauma and deeply buried feelings become woven into the fabric of our physical being Certain events can trigger these body memories which may then manifest themselves symptomatically as persistent anger mood swings headaches muscle tension and fatigue These echoes from the past also cause destructive patterns in our lives and relationships Why does a beautiful successful woman like Claudia seek out abusive explosively tense relationships in which she is forced to hide the truth about herself Why does the presence of a strange woman s name in her husband s cell phone directory make Karen feel physically ill to the point where

she cannot get through her daily life And why does the author herself experience painful physical symptoms when she wrestles with contradictory memories of her mother Exploring these and other personal narratives Scarf reveals how the body through its neurobiological systems retains some of life s most important experiences and describes how new power therapies such as reprocessing and psychomotor have had immediate results where traditional therapies have had a lower success rate Grounded in recent breakthroughs in mind body science and drawing on Scarf s personal experiences this book is a masterpiece of research analysis and insight into the human psyche and into human life **Take the Bully by the**
