The Characters of Easter Daniel Darling,2021-02-02 Meet the unlikely people who witnessed history s greatest event At Easter the Son of God took on the world s sin and defeated the devil death and grave How is it then that history s most glorious moment is surrounded by fearful fishermen despised tax collectors marginalized women feeble politicians and traitorous friends In The Characters of

Easter you'll become acquainted with the unlikely collection of ordinary people who witnessed the miracle of Christ's death and resurrection. Enter their stories and ultimately draw closer to Christ Himself as you encounter His Passion through their experiences. *The Characters of Easter* provides a fresh approach to the Lenten season and can be used as a devotional or study for both individuals and groups. *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic e.g. Christian, Jewish, Muslim, etc., agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease. *The Very, Very, Very First Easter* Susan Minton, 2014-04-11 Have you ever wondered what happened at the very very very first Easter? Find out in this simple retelling of the biblical Easter story. Follow Jesus and His disciples from right before the Last Supper all the way to the Resurrection. The story is taken right from the Gospels and it has built-in questions that will help children relate to the story and the characters. When you have finished reading the story, learn a verse from the book of Matthew that tells what the angel said to the women who loved Jesus. Matthew 28:6a He is not here for He has risen just as He said. **Children's Liturgy of the Word 2009 - 2010: A Weekly Resource - Celebrating the Lectionary**, **The Whole Gospel according to the Universal Theater of God's Kingdom** Catherine Whittier Huber, Lynn C. McCallum, 2011-01-28 When our Father of Faith is tempted to sacrifice his sense of humor on the Altar of God's Demands, God intervenes in a surprising way that really makes Abe laugh. This is the same God whose hungry servant Elijah is fed by ravens way out on the ragged edge and towards whom Moses manages a sidewise glance while on the lookout for greener pastures. Then along comes another tough act to follow: the Wild Man of Judea appearing in the Galilee Theater and baptizing Jesus of Nazareth in the Jordan River of God's Transforming Power and Hope. Then in the very next scene, Jesus, the Number One Draft Choice in all of Baseball, hops a trail way bus to intensive training camp where he comes face to face with the temptations and adversities of the real world. Fortunately, Jesus has his Spring Training Manual handy for quick reference. Jesus then launches his teaching and healing career in many forms as a

dance instructor farmer chef and even as a flamboyant pyromaniac arsonist who comes not to bring peace to the world but to set it on fire For who can forget Marshal Jesus out along the Border of Sin and Forgiveness encountering the Ten Men yon Or the homefolks chant Dr Jesus he s our man If we can t use him nobody can Because when Anglo Catholic Father Jesus meets an average parishioner at the Holy Water Basin and asks her to bless him with it their engaging conversation prompts students of the bible and pillars of the church to take a second look in order to watch ordinary altar candles suddenly take on more beauty and meaning than they have ever imagined before So for those who have eyes to see Look **Easter Is Coming!** ,2019-02-01 Mommy and her little ones are settling in for story time and this time it s the biblical story of Easter that she s telling As the youngsters hear God s tale unfold with its sometimes somber notes about sin and death they are softly and continually reminded But Easter is coming By the end of the book the anticipation has built and the children can celebrate the ending and the glory of Easter Sunday In a time when children s Easter excitement often focuses on only egg hunts and candy this book offers a different and true reason for joy and expectancy It s designed to be read and reread on the days leading up to Easter telling the greatest story and building a sense of anticipation and celebration in little hearts Go to bhkids com to find this book s Parent Connection an easy tool to help moms and dads or anyone else who loves kids discuss the book s message with their child We re all about connecting parents and kids to each other and to God s Word **The Resurrection in Retrospect** Peter Carnley,2020-01-01 In 2003 the British New Testament scholar N T Wright published *The Resurrection of the Son of God* arguing vigorously that the Resurrection of Christ should be handled purely as a historical event subjected to historical reason and critical historical research This book critically examines Wright s arguments Peter Carnley demonstrates the flaws in the view that the Resurrection should be understood essentially as Jesus return from the dead to this world of space and time in a material and physical body Carnley argues that the Resurrection of Christ is a mystery of God which must necessarily be appropriated not by reason alone but by faith Evidence relating to a past occurrence can be known only retrospectively Yet Easter faith has to do with apprehending in the present a concretely experienced reality which Saint Paul called the Spirit of life in Christ Jesus Rom 8 2 An epistemology of the identification of the Spirit in faith as the living presence of Christ will be found in the companion volume to this book *The Reconstruction of Resurrection Belief* *Nursery Stories of Jesus* Katherine Royer,2009-12-01 Katherine Royer designed this curriculum especially for three year old children It is intended to be used in both the church and the home simultaneously Norma Hostetler illustrator Twenty five songs celebrate the young child s special delights which God gives family playmates playful pets sunny days starry nights butterflies fireflies flowers birds snowflakes raindrops Sunday school Christmastime and Jesus love Includes 27 four color pictures **Perspectives on the Bird's Head of Irian Jaya, Indonesia** ,2023-07-31 The Bird s Head Peninsula of Irian Jaya has long been an area neglected by New Guinea Studies Only in the late seventies interest began to focus more intensively on this scientifically important border area between Austronesian and Papuan languages and

cultures In the early nineties this led to the creation in The Netherlands of the Irian Jaya Studies programme ISIR which organizes and coordinates multi disciplinary research on the Bird s Head Peninsula Within this framework study of the peninsula has reached a peak with research being conducted in the area by scientists from different disciplines anthropology archaeology ethno botany demography development administration geology and linguistics The diverse perspectives of these disciplines are subject to constant internal debate Through ISIR and other research initiatives there is a growing body of data on and insights into the various disciplines concerned with this fascinating area with each discipline developing its own specific perspectives on the Bird s Head These perspectives were presented during the First International Conference Perspectives on the Bird s Head of Irian Jaya Indonesia organized by ISIR in cooperation with the Indonesian Institute of Sciences LIPI Jakarta and the International Institute for Asian Studies ILAS Leiden and held at Leiden University 13 17 October 1997 Researchers were informed on current perspectives in many disciplines to facilitate integration of findings into wider interdisciplinary frameworks and to stimulate international debate within and between disciplines As a result of the Conference the forty two contributions in these Proceedings present a wealth of recent developments from various disciplines in New Guinea Studies
