In love and in hate Love,1875 **Thinking About Love** Diane Enns,Antonio Calcagno,2015-11-10 Does love command an ineffability that remains inaccessible to the philosopher Thinking About Love considers the nature and experience of love through the writing of well known Continental philosophers such as Hannah Arendt Simone de Beauvoir Jacques Derrida and Maurice Merleau Ponty Evolving forms of social organization rapid developments in the field of psychology and novel variations on relationships demand new approaches to and ways of talking about love Rather than offering prescriptive claims this volume explores how one might think about the concept philosophically without attempting to resolve or alleviate its ambiguities paradoxes and limitations The essays focus on the contradictions and limits of love manifested in such phenomena as trust abuse grief death violence politics and desire An erudite examination of the many facets of love this book fills a lacuna in the philosophy of this richly complicated topic Along with the editors the contributors are Sophie Bourgault John Caruana Christina M Gschwandtner Marguerite La Caze Alphonso Lingis Christian Lotz Todd May Dawne McCance Dorothea Olkowski Felix Murchadha Fiona Utley and M lanie Walton

Early Italian Love Stories Una Taylor,1899 **Stoicism: Inner Light Revealed** Edward Sianski,2023-03-26 This book takes to heart Matthew 13 52 Therefore every scribe who has been trained for the kingdom of heaven is like the master of the household who brings out of his treasure what is new and what is old Although Stoicism dates back to Greek and Roman times its influences have never waned This philosophy has underpinned the way of life of individuals and groups for hundreds of years Twelve Step programs such as Alcoholics Anonymous and Al Anon have successfully incorporated its key ideas to help many thousands of people I have been sober for 29 continuous years after drinking for 25 years and can attest to the effectiveness of Twelve Step programs Stoic principles are used in Cognitive Behaviour Therapy and Rational Emotive Behaviour Therapy This book also examines a cross section of people who have utilized Stoic principles in their lives of service to others Stoicism has proven to be a reliable scaffold for people determined to make a difference in their community sometimes against formidable opposition I believe this book will help to inspire a

wide range of people to navigate their way through life stoically **The British Drama** ,1871 The Love of an Uncrowned Queen, Sophie Dorothea, Consort of George I. William Henry Wilkins,1900 **Effacing the Self** Marc De Kesel,2023-08-01 In spirituality and mysticism many seek a counterbalance to the strong emphasis on the self that modernity demands of us We desire a fixed self on the one hand and are fascinated by selflessness on the other But is our fascination with selflessness not a ruse to make that self of ours even stronger And is that self critical question not the kernel of even traditional mysticism Marc De Kesel investigates some dark rooms of the mystical tradition to clarify this This is a book for all who want to free themselves from the conceptual frameworks and rigid dogmas of late modern religiosity The first part of the volume deals directly with early modern Christian mysticism and more specifically with the French spiritualit and discussions centered around the problem of what it means to love God in a pure radically unselfish way The second part explores the paradoxical dialectics between self and selflessness in relation to the way Christian religion deals with its own identity If Christian love is selfless why has Christianity in the end not given up its own self its own identity The third and last part of the volume discusses the dialectics between self and selflessness in three other domains popular spirituality politics and modern science It makes clear that selflessness is not limited to mysticism but is both a fascination and a problem paradox for modernity in many fields *The Complete Works of Saint Alphonsus de Liguori* Saint Alfonso Maria de' Liguori,1886
