The Volunteer Revolution Unleashing The Power Of Everybody:

The Volunteer Revolution Bill Hybels, 2009-05-18 Pastor Bill Hybels believes that there is a new reality in America. The church has entered an era of growth and unprecedented spiritual opportunity to share the Gospel yet at the same time we face a shrinking economy and a world in crisis. This poses a great resource challenge for the church. In order to reach out to people who are spiritually hungry, the church needs more people to be equipped to serve others. Hybels passionately believes the key to the future of the church is the equation $X \text{ paid staff} + Y \text{ volunteers} = Z \text{ bearing much fruit for God's glory}$. Churches cannot afford to continue hiring more and more staff with limited budgets. The key to resourcing the church is what Hybels calls the Y factor. The Y factor is the pool of volunteers in every church. The great need of the church is to grow the church's volunteer base through the equipping ministry of church staffs. As churches recover the message of Ephesians 4:11-12 to equip God's people for works of service, they will launch a Volunteer Revolution. People are just waiting to discover the gifts and passions that God has given them to serve others and then be invited to use those gifts and passions through the local church in order to advance the kingdom of God on Earth. Hybels believes that every church staff should be helping people discover their spiritual gifts, passions, and place of service in order to meet the growing needs in our churches and world. Hybels makes a clarion call to move beyond volunteer retention to volunteer acquisition. By attracting, connecting, training, and sustaining volunteers, churches will mobilize people into places of service that will bring new meaning to their lives and understand why God put them on planet Earth. Hybels also outlines how we can build lifelong volunteers in the church through community celebration and commendation.

Living and Leading from Your Holy Discontent Bill Hybels, 2009-12-15 In this made-for-use guidebook, Bill Hybels provides the exact steps needed for ministry leaders to translate the principles described in his book *Holy Discontent* into practical and effective action. What is the one aspect of this broken world that when you see it, touch it, or get near it, you just can't stand? What reality is so troubling that it thrusts you off the couch and into action? This is what Bill Hybels refers to as a holy discontent, a personal firestorm of frustration that, although sparked by that which is terribly wrong, can catalyze fierce determination to set things right. It is often during these eye-opening, heart-hungering moments of engagement when you will hear God whisper, "I feel the exact same way about this situation. Now let's go solve it together." Here are the steps and the guidance you need to make that happen. This companion to *Holy Discontent* includes interactive processing exercises that encourage you to ask the tough questions of your ministry strategy, your supporting organizational structure, and the key people with whom you collaborate. Sidebar stories of ministry leaders who are living and leading from their holy discontent in a variety of contexts. Insightful prompts to help you act on what you learn. Space for personal reflection.

When Leadership and Discipleship Collide Bill Hybels, 2009-05-26 When *Leadership and Discipleship Collide*, using stories from his own life and ministry, Bill Hybels shows how the laws for leadership success can sometimes crash headlong into another reality, an inner prompting of the Spirit showing you a

different approach The decisions you make at that point could affect not only you but the ultimate destiny of those you lead

But Children Matter Kenneth G. Warren, John S. Knox, 2020-02-14 Often a disconnect exists between the way pastors children's ministry volunteers and churches describe the health and impact of children's ministry volunteers and the overall functioning of an ongoing children's ministry The volunteer dysfunction that is evident in many churches goes beyond the building scenario or the current strategy that leadership is pursuing If one asks the pastor of just about any local church how the children's ministry is going most pastors will respond positively However if speaking with a children's ministry volunteer one is likely to hear I am burned out but I feel obligated to serve here because we have such a shortage of volunteers and I do love these kids Too often there is no program in place to monitor the health of the ministry Official training is lacking church vision is blurred and many children's ministry volunteers feel like they are nothing more than large group unpaid babysitters This book analyzes these problems and provides pragmatic systematic steps to a healthier more robust children's ministry
