Eager to Love Richard Rohr, 2020-03-05 Francis of Assisi is one of the most beloved of all saints Both traditional and entirely revolutionary he was a paradox He was at once down to earth and reaching toward heaven grounded in the rich history of the Church while moving toward a new understanding of the world beyond Globally recognized as an ecumenical teacher Richard Rohr started out and remains a Franciscan friar The loving inclusive life and preaching of Francis of Assisi make him a recognizable and beloved saint across many faith traditions He was as Rohr notes a master of making room for it and letting go of that which was tired or empty Francis found an alternative way to follow Jesus one that disregarded power and privilege and held fast to the narrow path of the Gospel Rohr helps us look beyond the birdbath image of the saint to remind us of the long tradition founded on his revolutionary radical and life changing embrace of the teachings of Jesus Rohr draws on Scripture insights from psychology and literary and artistic references to weave together an understanding of the tradition as first practiced by St Francis Rohr shows how his own innovative theology is firmly grounded in the life and teaching of this great saint and provides a perspective on how his alternative path to the divine can deepen and enrich our spiritual lives The audio edition of this book can be downloaded via Audible

Limited,2019-06-06 Intention is the seed of all change and it is the creative power that fulfils our dreams An intention contains the DNA of manifestation and it is therefore the key to creating the life you want Our outer world is a reflection of our inner world and so the only way to shift reality is to start with what is inside us According to research 92% of new year resolutions fail by the end of the year The only way to reverse this trend is to go deeper This powerful book guides you through a process of practical self enquiry that gets to the true heart of your intentions for this life You will weed out the obstacles in the way of your wishes such as limiting self beliefs and the stories you currently tell about yourself You will plant the seeds of intention with a sense of true clarity and infinite possibility and then water them with your daily actions and care And then all that needs to be done is to trust in the outcome and allow your intentions to grow Intention is for anyone who wishes to align their life with their innermost wishes and tap into the most underrated power in the universe PRAISE FOR Intention It is a joy to find a life changing book that is so clearly and beautifully written Andrew Wallas distils decades of clinical practice with wisdom and a deceptively light touch The overall message is strong We are each responsible for our own path to happiness and Intention is the inspiring guidebook that can help us to find it Georgia Coleridge author of The Chakra Project PRAISE FOR ANDREW WALLAS Intention is a superpower which when used correctly aligns us to our purpose and helps fulfil our heart s work Andrew Wallas elegantly and generously shows us how His approach is simple yet it is not easy but boy is it worth it Emma Cannon fertility and women s health expert acupuncturist and author of Fertile Andrew holds the space for you to reconnect with your inner wisdom His skill is that he is intuitive but practical Financial Times How To Spend It Fast tracked healing Vogue Andrew Wallas has a gift for transforming stuck energy and releasing you from negative patterns Tatler With easy charm and 30 years experience as a psychotherapist Andrew Wallas helps clients remove the obstacles standing in their way Vanity Fair He has an uncanny ability to sense emotional blocks and asks penetrating questions that unearth destructive patterns of behaviour The Daily Mail Amazingly honest Incredibly insightful For any blocks you need to uncover to be able to create the life you want visit the Wizard Tanya business woman I have met many spiritual healers guides and psychics over the years However none of them have managed to explain to me in terms that I understand how I can effectively blend the real or human world with this spiritual calling that I feel I believe that I have found in you my guru teacher that can really help me navigate this exciting journey Gavin businessman **Littell's Living Age** ,1880 **Eloquence of Effort** Indar Maharaj,2017-09-27 The Eloquence of Effort echoes the merits of conscientious toil It provides an insightful look into the benefits of sustained socio economic effort To convincingly argue that dreams are only achievable through mind numbing toil the writer draws heavily from biographical philosophical economic religious historical and scientific data Work is the mission the multiple rewards are the byproducts he argues Moreover the pleasure resides in the effort not the results Against the dark backdrop of malignancies inflicted on society by unrepentant leeches the benefit of conscientious work is sharply focused The reader is imperceptibly nudged into a higher plane of reality

namely purposeful effort regardless of its nature is supremely rewarding The writer forces the realization that regardless of the outcome effort is never wasted Conversely indolence is the bane of progress and the root cause of economic crimes Indeed corruption in all its diabolical forms is nothing but laziness masquerading as diligence and embraced by vacuous minds craving the most for the least Analysis of biographical data sustains the thesis that industry prolongs life inaction truncates it a finding supported by the second Law of Thermodynamics The persuasiveness of the arguments is supported by a wealth of references Together they form the final authority they have given resonance to the arguments contained herein
