The Way Of Jesus Re Forming Spiritual Communities In A Post Church Age:

The Way of Jesus Toby Jones, 2010-02-01 Countless books have been written about the impending death of the institutional church but this one both celebrates the resurrection that will follow and lights the way toward a new kind of spiritual community The Way of Jesus identifies seven principles upon which authentic and vibrant Christian communities can be built in today's diverse and ever shrinking world Toby Jones traveled across the country from San Francisco's Glide Memorial Church to New York's Church of the Holy Apostles and from Chicago's Wicker Park Grace to Minneapolis's Solomon's Porch He sojourned with seven communities in all and conducted in depth interviews with their leaders and participants to reveal what distinguishes resurrection communities from those in precipitous decline In The Way of Jesus Jones draws both from the scriptures and from such fresh thinkers as Brian McLaren Dallas Willard Doug Pagitt and Shane Claiborne offering genuine hope and practical direction to the millions of spiritually homeless But just as importantly The Way of Jesus offers a clear path to struggling shrinking congregations who desire to re form themselves in a way that is both more faithful to the Gospel and compelling to post modern generations who have long since abandoned the institutional church

Approaches to Monasticism in the Context of Christian Responses to Modern Culture Kevin Maddy, 2022 Approaches to Monasticism in the Context of Christian Responses to Modern Culture is a study of how the values and practices of monasticism are being shaped by the shift to a cultural understanding of Christianity in modern times The values and practices of traditional monasticism are contrasted with those of various expressions of new monasticism against the background of a multicultural and fluid social environment in an effort to find some reciprocal illumination The study aims to describe monasticism in terms of authenticity and lived religion

Church Re-imagined Doug Pagitt, 2005 Inside these pages readers will spend a full week with Solomon's Porch a holistic missional Christian community in Minneapolis to

discover a church community that moves beyond education based practices by including worship physicality dialogue hospitality belief creativity and service as means toward spiritual formation **Preaching Re-imagined** Doug Pagitt,2005 This author and pastor offers an invitation to the kind of preaching that creates followers of God who serve the world well and live the invitation to the rhythm of God **Theology After Christendom** Joshua T. Searle,2018-02-14 Christianity must be understood not as a religion of private salvation but as a gospel movement of universal compassion which transforms the world in the power of God s truth Amid several major global crises including the rise of terrorism and religious fundamentalism and a sudden resurgence of political extremism Christians must now face up fearlessly to the challenges of living in a post truth age in which deceitful politicians present their media spun fabrications as alternative facts This book is an attempt to enact a transformative theology for these changing times that will equip the global Christian community to take a stand for the gospel in an age of cultural despair and moral fragmentation The emerging post Christendom era calls for a new vision of Christianity that has come of age and connects with the spiritual crisis of our times In helping to make this vision a reality Searle insists that theology is not merely an academic discipline but a transformative enterprise that changes the world Theology is to be experienced not just behind a desk in an armchair or in a church but also in hospitals in foodbanks in workplaces and on the streets Theology is to be lived as well as read **Discipleship in a Post-Christian Age** Thiago Silva,2025-05-20 This is an age where Christianity is no longer the assumed foundation of culture Instead secularism relativism and individualism shape how people think live and even approach faith Many within the church have unknowingly embraced a shallow self focused spirituality that offers comfort without transformation How can the church recover a robust life giving vision of discipleship in such a world With a little help from C S Lewis this book offers a way forward Lewis s insights rooted in reason imagination and community speak powerfully to this modern crisis equipping believers to engage both mind and heart Through cultural analysis and biblical wisdom this book calls the church to rediscover discipleship as an intellectual imaginative and relational pursuit one that forms resilient thoughtful and deeply rooted followers of Christ Whether picked up by a pastor church leader or everyday disciple longing for deeper faith this book will challenge and inspire readers to cultivate a Christianity that is not only true but beautiful and compelling in an increasingly post Christian world **Post-Christendom** Stuart Murray,2018-01-10 Western societies are experiencing a series of disorientating culture shifts Uncertain where we are heading observers use post words to signal that familiar landmarks are disappearing but we cannot yet discern the shape of what is emerging One of the most significant shifts post Christendom raises many questions about the mission and role of the church in this strange new world What does it mean to be one of many minorities in a culture that the church no longer dominates How do followers of Jesus engage in mission from the margins What do we bring with us as precious resources from the fading Christendom era and what do we lay down as baggage that will weigh us down on our journey into post Christendom Post Christendom identifies the challenges and

opportunities of this unsettling but exciting time Stuart Murray presents an overview of the formation and development of the Christendom system examines the legacies this has left and highlights the questions that the Christian community needs to consider in this period of cultural transition *The Christian Century*, 1928 **The Church Militant Phillips Brooks Memorial Number**, 1899 **Finding God in All the Black Places** Beretta E. Smith-Shomade, 2024-10-11 This book is also freely available online as an open access digital edition <https://manifold.ecds.emory.edu/projects/finding-god-in-all-the-black-places> https://dhjhxawhe8q4.cloudfront.net/rup/wp/v2/wp-content/uploads/2025/01/28132142_9781978839809.pdf In *Finding God in All the Black Places* Beretta E. Smith-Shomade contends that Black spirituality and Black church religiosity are the critical crux of Black popular culture. She argues that cultural community and social support live within the Black church and that spirit art and progress are deeply entwined and seal this connection. Including the work of artists such as Mary J. Blige, D'Angelo, Erykah Badu, Prince, Spike Lee, and Oprah Winfrey, the book examines contemporary Black television, film, music, and digital culture to demonstrate the role, impact, and dominance of spirituality and religion in Black popular culture. Smith-Shomade believes that acknowledging and comprehending the foundations of Black spirituality and Black church religiosity within Black popular culture provide a way for viewers, listeners, and users not only to endure but also to revitalize. **The Free Methodist**, 1902 **New-York Observer**, 1907 *ThirdWay*, 1998-09 Monthly current affairs magazine from a Christian perspective with a focus on politics, society, economics, and culture **The Congregationalist and Christian World**, 1902 **Communities Directory** Fellowship for Intentional Community, 2000 An international community is made up of a group of people who live or work together in pursuit of a common ideal or vision. This guide includes more than 700 listings of communities around the world, maps of those located in North America, 33 illustrated articles about community living, a resources section with indices, and more. **Herald and Presbyter**, 1906 **The Morning Star and Free Baptist**, 1907 **The Living Church**, 1944 *Shaping the Future* Horst Hutter, 2006-01-01 *Shaping the Future* maps out the ascetic practices of a Nietzschean way of life. Hutter argues that Nietzsche's doctrines are attempts and temptations that aim to provoke his free-spirited readers into changing themselves by putting philosophy into practice in their lives.
