The Way of the Master Ray Comfort, 2006 The Way of the Master is the flagship work of Ray Comfort and Kirk Cameron's organization. It anchors their television program, radio program, and website. Considered by many to be the definitive text in evangelism, this book is coming to Bridge Logos to be updated, expanded, and illustrated with photographs for Spring 2006 release. It's an anecdotal loaded with commentary and remarks that are more conversational than academic. It's an easy read with a hard message that has already changed the face of sharing faith

Love's Greatest Joy Les Galicinski, 2012-01-25 The God who is Love rejoices greatly when His people walk with Him in Truth. This book provides the essentials of the Christian life in a way that is theologically rich and inspired by the discipleship teachings of past giants of the faith. It provides a solid theological understanding of the character of God, His purposes and desires for His people. It provides an occasion for inner transformation by teaching, asking questions, and providing spiritual exercises that will allow God's Spirit to envelope the reader. It teaches spiritual disciplines that lead to Godly habits and enhance the quality of one's soul life with God. It also seeks to help the reader to move out into the world as one sent by God to testify to the joyous grace of the God who is Love. This book and integrated study guide was developed with several groups of research participants who contributed to its refinement. It is ideal for individual study or for small groups

Chisel Me, Lord!: An Exposition on Spiritual Formation Jimmie Davis Compton, Jr., 2014-10-29 A refreshing and liberating perspective to the church member who has actively participated in the life of their local church for 10, 15, 20, or more years yet still feels spiritually dry. The author peels back the institutional veneer of the local church to delve into the spiritual dynamics that operate organically within and upon souls that believe in Jesus Christ. This divinely inspired work shines a much needed guiding light upon key faith concerns that impact the liveliness of a believer's walk regardless of his/her situation of life. Addressed are such concerns as the revolving door of new converts, clarity about the nature of a genuine confession of faith, organic elements of God's transformation of the believer's soul, and the necessity

of being immersed into the revelation of Christ and His gift of God's life within us Through this work the institutional veneer around the believer's religious life is put into perspective thereby enabling a fluid fellowship with Jesus Christ and a vibrant servant
