The Wee Book Of Glasgow:

The Wee Book of Glasgow Robert Jeffrey, 2003 Miniature family album brings together 50 of the best photographs ever taken of the city *The Wee Book of Glasgow Trams* T. H. Noble, 2003 **Glasgow's Hard Men** Robert Jeffrey, 2006-08-16 For more than 100 years the poverty of Glasgow's slums fuelled the violence of the gangs But the criminals were not Glasgow's only hard men The crimefighters from cops to chief constables and high court judges were also tough This volume is the story of both sides the good and the bad and the battle between the two **The Wee Book of Weegie Wit and Wisdom** Ian Black, Leslie Black, 2006-10-15 Weegies have long been known for the quickness of their wit and the sharpness of their tongues But behind every surreal retort and casual bloodthirsty threat is there a hidden profundity A deep philosophical stance Aye right maybe aiblins perhaps It really doesn't matter when they're this funny In Glasgow's DNA there is an inbuilt belief that making a fool of yourself is OK as long as it gets a laugh makes a buck builds a better society of whatever After all nobody but a real fool never made a mistake and it's a well known fact that Weegies do try harder and laugh louder In *Weegie Wit and Wisdom* find out why Glaswegians drink the best threats and insults for every occasion and why the Weegie approach to life helps Glasgow consistently top the league as the UK's happiest city Amusing and entertaining with just the right amount of wit and wisdom it's time to discover the secrets of the Weegie world *The Barlinnie Story* Robert Jeffrey, 2011-11-08 Barlinnie is one of the most notorious prisons in the world and for a hundred years it has held Glasgow's toughest and most violent men swept up from the city streets Ten men died on its gallows in the infamous Hanging Shed including serial killer Peter Manuel It has sparked rooftop protests and cell block riots and been home to godfathers of crime like Arthur Thompson Snr and Walter Norval Barlinnie was also the scene of one of the most controversial experiments in penal history the Special Unit where the likes of Jimmy Boyle and Hugh Collins were at the centre of a fierce battle between those who see prison as retribution and those who regard it as a step on the road to redemption even for the most evil killers Paul Ferris T C Campbell and gangleaders galore have languished behind its grim walls and a hundred years on Barlinnie still makes headlines This is its fascinating turbulent story [The wee Glasgow facts book](#) Jack Devlin, Paul Devlin, 1989

[Giants of the Clyde](#) Robert Jeffrey, 2017-05-30 There is barely a corner of the five great oceans where Clyde built is not recognised as the ultimate shipbuilding accolade As late as the 1950s around a seventh of the total of the world's sea going tonnage was built on the Clyde It is not a particularly wide river nor spectacularly long it is certainly no Mississippi or Amazon but its fame is legendary From the many yards on its banks north and south en route from the gentle hills of Lanarkshire to the Firth of Clyde came engineering innovation and fabled names in shipping iconic vessels like the Cutty Sark and the Delta Queen fearsome warships like the mighty Hood and the cream of the world's great liners the Cunard Queens and the beautiful white Empress vessels All that and cargo carrying workhorses that opened up the world More recent times have seen the phoenix like revival of Ferguson Shipbuilders the last remaining yard on the Lower Clyde saved

from closure by industrialist Jim McColl and now investing in the hybrid technology of the future that has thrown a lifeline to this once great yard This is the fascinating often turbulent story of a great river its great ships and the folk who built them

Scotland's Cruel Sea Robert Jeffrey,2014-11-06 High cliffs jutting out into the Atlantic and the North Sea many hundreds of rocky skerries deep sea lochs dangerous unseen reefs powerful tides and gales that batter the land fiercely from all points of the compass Scotland has a coastline of immense beauty and danger and its cruel sea has claimed many lives down the years Disaster at sea is a poignant part of Scotland s history and in this chilling and awe inspiring book bestselling author Robert Jeffrey tells the compelling stories of the victims of the ocean deeps Car ferries fishing boats troopers pleasure yachts and Navy vessels of all sorts including submarines have gone to the bottom And in brave attempts to save those in danger with lifeboats many have died Including the famous tales of the Princess Victoria the ill fated K13 submarines the Longhope lifeboat and the Iolaire Scotland s Cruel Sea remembers the maritime tragedies that made headlines and became part of the folk memory of a seagoing nation

Blood on the Streets Robert Jeffrey,2009-07-22 For more than a hundred years Glasgow has been right up there in the major league of big city crime From Madelaine Smith and Oscar Slater by way of the Bridgeton Billy Boys and the Norman Conks through to modern villains like Paul Ferris and Tam McGraw Glasgow s streets have spawned a succession of fascinating tales of true crime Even in the twenty first century as the new Glasgow polishes a growing reputation for sophistication and culture blood still gets spilled on the streets and scams of one kind or another are always in the pipeline The A Z of Glasgow Crime is a compelling journey through an extensive history of crime and crime fighting in a city where the illicit is never far away From the tough streets of the east end to the leafy avenues of the west end from murder behind velvet curtains in the douce homes of the wealthy to the violent and bloody street battles on postwar housing estates all this and more is covered in gripping detail in Jeffrey s definitive true crime guide to a city with a notoriously violent history

Avant-Folk: Small Press Poetry Networks from 1950 to the Present Ross Hair,2016-11-01 A critical study of the intersection of folk and avant garde poetics in transatlantic small press poetry networks from the 1950s up to the present

Real Hard Cases Robert Jeffrey,Sheila (Les) Brown,2013-02-21 This book presents more hard hitting cases from the authors of Glasgow Crimefighter As legendary Glasgow detective Les Brown re investigates cases from Stratford in east London to Wick via Glasgow Lanarkshire Ayrshire and Renfrewshire he finds that often the official police line doesn t quite add up The body of a young electrician is dragged from a harbour The police say the death was an accident but a mysterious man confesses to murder What is the truth A young Scotsman is found dead on the pavement near to a multi story London car park Did he jump or was he pushed Then there s the rape and strangling of 14 year old Pamela Hastie and the killing of 11 year old Tracy Waters two of the most horrific and puzzling cases in West of Scotland crime And the mystery of 12 year old Moira Anderson s death in Coatbridge the strange case of rape at a holiday camp and the disturbing facts of a series of unsolved murders of street prostitutes These and many more Real Hard Cases

are re opened by Les Brown in this intriguing new book co written with Robert Jeffrey author of a best selling string of true crime titles including Glasgow s Hard Men Gangland Glasgow and Glasgow s Godfather **Scottish Presbyterian Worship** Bryan D. Spinks,2020-09-30 This seminal work by one of the world s most distinguished liturgical scholars fills an important gap in the history of the Church of Scotland and of Scottish worship It offers an in depth narrative of a neglected liturgical legacy and a perceptive analysis of the Church s evolving patterns of worship from the middle of the 19th century to the present day A magisterial study it includes Inherited Patterns of Public Prayer Liturgical Disruption Dr Robert Lee Of Greyfriars Edinburgh The Church Service Society and The Euchologion Nineteenth Century Public Worship Provisions including open air communions Worship s Companions Hymns and Choirs Worship and the High Church Parties Culture Ecclesiology and Architecture Worship Between the Two World Wars The Ecumenical and Liturgical Movements Into Postmodernity and the Present Gentle Johnny Ramensky Robert Jeffrey,2011-11-08 Throughout an astonishing criminal career Johnny Ramensky was the foremost safe blower of his era His exploits and audacious escapes from maximum security prisons also helped make him a household name admired by some notorious to others But when the Second World War broke out Ramensky joined the elite Commandos and his story became legend Peacetime had brought Johnny Ramensky a hard upbringing in the Gorbals a life of crime and long years in jail War brought him the chance to serve his country and a new use for his expertise in explosives Time after time he would show exceptional bravery as he was parachuted behind enemy lines to blow open the safes of Rommel Goering and the German High Command His mission was to secure documents vital to the war effort and it brought him the danger and excitement he had always craved Gentle Johnny Ramensky is the remarkable story of a boy reared in poverty who became one of the world s most extraordinary safe blowers both as a criminal and as a war hero who wore the Green Beret with pride **Porno** Irvine Welsh,2003-06-17 Ten years after the events detailed in Trainspotting Simon Williamson a k a Sick Boy is back in Edinburgh to direct and produce a porn film along with university student Nikki Fuller Smith and old friend Mark Benton **This Is Our Song** Janet Wootton,2013-01-07 Women have made an amazing creative and prolific contribution to hymnody through the centuries of Christian worship Excluded from liturgical commissions and denied other opportunities for involvement in the worship of the churches women were able to express and influence spirituality in the writing of hymns This influence spreads across the whole range of hymn writing including writing for children which was at one time seen as women s natural place but also the introduction of new voices through translations engagement in social campaigns such as temperance and the abolition of slavery mission and evangelism and the general development of worshipping life However with the exception of the nineteenth century the voices of women have been largely silenced or marginalized The Hymn Explosion of the 1960s onward almost completely ignored women s writing and there has only recently been something of a recovery There is much more to Our Song than people think This book opens up women s writing from the beginnings of Christianity through the Middle Ages

the development of printing and the rise of popular hymnody to the present day Living hymn writers add their voices in a series of biographical stories which complete the overarching story of Our Song *Embracing the Messy Complexities of Co-Creation* Louise Phillips,2024-12-30 Co creation in participatory qualitative research has become commonplace It supports a myriad of collaborative practices from service user involvement in health and social care to community capacity building to bottom up climate change projects With its democratic ambitions transformative power and in some contexts goals of social justice co creation has much to offer particularly in these challenging times but it is also complex and full of tensions This book offers an approach which recognises and embraces the messy complexities of co creation The approach is constructive it revolves around creating openings for multiple voices and in particular the voices of people with lived experience And it is critical it involves integrating critical reflexive analyses of the intrinsic tensions in co creation into the practice of research The book brings participatory research into dialogue with poststructuralist social constructionist and new materialist posthumanist strands of qualitative inquiry In an engaging and accessible way the author weaves together personal storytelling and more detached analysis to illustrate her approach to producing and communicating knowledge as intertwined processes The book is written for all students and researchers with an interest in collaborative research practice
