The White Stone The Spiritual Theology Of John Henry Newman:

The White Stone Vincent Ferrer Blehl,1993 An exploration of the roots of Cardinal Newman s spiritual theology in his own life and reading Vincent Blehl the Postulator of Newman s Cause for Canonization presents a comprehensive synthesis of Newman s spirituality including the nature of holiness conversion sin the worm as enemy and sacrament followed by a presentation of Newman s christology The fullest treatment to date of Newman s theology of prayer John Henry Newman Peter C. Wilcox,2013-08-16 John Henry Newman 1801 1890 was a man who sought to integrate life and holiness He believed that the spiritual life needed to be lived in an active and dynamic way touching a person s fundamental attitudes and actions Although Newman rejected the title of spiritual director as such it is obvious from his correspondence that directing others through various facets of the Christian life was one of his dominant concerns Surprisingly comparatively little has been written about Newman s idea of spiritual direction This book investigates Newman s understanding of spiritual direction during his life as a Roman Catholic 1845 1890 It examines the major areas in which Newman gave spiritual direction through an analysis of the correspondence from his Catholic years It also explicates those principles of Newman s own spiritual life that found expression in his direction of others Newman had a mammoth apostolate of correspondence His Letters and Diaries have been edited and published in a series of thirty two volumes embracing more than twenty thousand letters The first ten volumes deal with Newman s Anglican period the remaining twenty two volumes cover his Catholic period and are the primary source for this book These volumes have been studied chronologically in order to determine and extract the major areas in which Newman gave spiritual direction to others and to investigate the stages of development in his spiritual advice John Henry Newman John Henry Newman,2012 Through his writings the spiritual journey of one the most beloved and influential Catholic voices of the modern era Book jacket *Apologia pro vita sua* John Henry Newman,2001 **John Henry Newman, Heart Speaks to Heart** John Henry Newman,2004 Geared to the reflective devotional reader the short selections are derived from Newman the priest preacher and spiritual writer **Newman and Life in the Spirit** John R. Connolly,Brian W. Hughes,2014 Newman and Life in the Spirit collects essays from leading theologians and scholars examining the theology and spirituality of one of the most important and beloved nineteenth century theologians the recently beatified John Henry Newman The essays in this volume present critical analysis of the perception and role of spirituality in various aspects of Newmans thought from his doctrinal work to his university and parochial sermons and argue for its significance to Christian theology and practice in the twenty first century *Pilgrim Journey John Henry Newman 1801* Vincent Ferrer Blehl,2001-11-15 This new study of Newman s religious development from his childhood to his conversion to Roman Catholicism explores Newman s growth in holiness and truth i e religious truth and the mutual influence of one upon the other The former the author states is the more difficult to explore since it involves not only a study of words and actions but of his inner life and motivation which are often hidden This exploration is undertaken here with the aid of materials not

hitherto fully exploited verses sermons prayers and letters both by and to Newman The detailed treatment of Newman s inner life as revealed in his private journals not intended for publication shows the continuity and change involved in his growth in holiness in their proper perspective and how his early rigorous self examination meditation and assiduous study of the whole of the Scriptures produced the flowering of realizations of the Christian mysteries full of psychological insights and abounding in quotations from Scripture of the Parochial and Plain Sermons *A Guide to John Henry Newman* Juan R. Velez,2022-09-10 Provides a wide range of subjects on the life and thought of John Henry Newman 1801 1890 an Anglican clergyman author and poet who became a Roman Catholic priest cardinal and saint The contributors come from disciplines such as theology education literature history and philosophy highlighting the wide range of Newman s work [Saint John Henry Newman](#) Robert C. Christie,2020-01-17 This volume of essays sponsored by the Newman Association of America serves to identify preserve and promote the legacy of John Henry Newman It argues that eleven major elements of Newman s life and work speak to us today and in fact are very important resources for believers in their confrontation with the challenges of an increasingly secular world They also resonate loudly to a church in crisis both internally and externally in its confrontation with that world Ten authors included among them some of the world s most noted Newman scholars as well as several emerging ones address various aspects of Newman s legacy on a host of subjects These include the nature and challenges of faith both for believers and contemporary ones with no religious affiliations an analysis of what and how we know things particularly bearing on religious matters the experience of conversions the place and meaning of relationships in our search for God especially those of family home and friendships the indispensable role of the church in our drive for holiness the nature and importance of education and its personal dimension and the correct application of history in studying and learning from Newman s legacy Those who have questions and who think about these subjects academics and non academics alike will find much to ponder in these essays **Religious Morality in John Henry Newman** Gerard Magill,2014-09-24 This book is a systematic study of religious morality in the works of John Henry Newman 1801 1890 The work considers Newman s widely discussed views on conscience and assent analyzing his understanding of moral law and its relation to the development of moral doctrine in Church tradition By integrating Newman s religious epistemology and theological method the author explores the hermeneutics of the imagination in moral decision making the imagination enables us to interpret complex reality in a practical manner to relate belief with action The analysis bridges philosophical and religious discourse discussing three related categories The first deals with Newman s commitment to truth and holiness whereby he connects the realm of doctrine with the realm of salvation The second category considers theoretical foundations of religious morality and the third category explores Newman s hermeneutics of the imagination to clarify his view of moral law moral conscience and Church tradition as practical foundations of religious morality The author explains how secular reason in moral discernment can elicit religious significance As a result Church tradition should develop doctrine and foster

holiness by being receptive to emerging experiences and cultural change John Henry Newman was a highly controversial figure and his insightful writings continue to challenge and influence scholarship today This book is a significant contribution to that scholarship and the analysis and literature comprise a detailed research guide for graduates and scholars

Holiness in a secular age Fr. Juan R. Vélez, 2017-08-16 Cardinal John Henry Newman 1801-1890 a pre eminent English intellectual and convert to Catholicism was brought up in a low Church Anglican home where his grandmother and an aunt first nurtured his love for the Bible At the age of 15 after a short period of entertaining religious doubts he had a first conversion to Evangelical Christianity For a few years he was influenced in his piety and biblical reading by evangelical authors and later in the sacramental and ecclesial life by Anglican theologians Then in 1845 through the study of the Church Fathers he came to a profound understanding of authentic development of doctrine in particular the exercise of the Pope's office it was then that he became Roman Catholic He lived during a period similar to ours one of economic and technological progress that was accompanied by an embrace of materialism and a subsequent loss of faith and moral breakdown Newman's writings challenge us contemporary men and women living in a world beset by these similar ills His writings on the subject of holiness the practice of the Christian virtues the objective nature of truth and its relationship to the moral conscience university education and the role of the laity in society and the Church are very much needed today Individuals parish groups and students at Newman Centers will benefit and learn from Blessed Newman's life example insights and teachings found in this book Beatified by Pope Benedict XVI in 2010 his canonization is imminent *The Virgin Mary and Theology of the Body* Donald H. Calloway, M.I.C., 2014-06-25 The Church's Marian beliefs have constantly shed light on other teachings and the Theology of the Body is no exception In this compilation of essays some of the world's most foremost Mariologists and experts on the Theology of the Body share their insights on how Mary illuminates the message of the Theology of the Body in a profound way As the Mother of God Mary provided Jesus with His body a body that would be offered on the cross for our redemption She bore witness to His bodily resurrection and ascension and she herself was assumed bodily into heaven Through an understanding of Mary's role in salvation history we are able to see more clearly our personal roles in the Christian life In this book you will learn about The nuptial meaning of the body in the marriage of Joseph and Mary The Immaculate Conception and the human person The significance of Mary as virgin and mother The Virgin Mary and the culture of life The image of God in the image of Mary as model Christian **Mary** John Henry Newman, 2001 **The Legend of the Anti-Christ** Stephen J. Vicchio, 2009-07-01 In *The Legend of the Anti Christ* Stephen Vicchio offers a concise

and historical approach to the history of the idea of the Anti Christ including precursors to the idea the development of the idea in the New Testament as well as the understandings of the legend of the Anti Christ in the history of Christianity Vicchio also raises the question of why there is so much emphasis in the modern world about the idea **Two Cardinals** Robrecht Boudens,1995 **De Maria Numquam Satis** Judith Marie Gentle,Robert L. Fastiggi,2009-09-30 Who is the Blessed Virgin Mary Why is she significant for all people How is she at work alongside her Divine Son Jesus Christ in redeeming and bringing us into union with the Blessed Trinity in this life and the next De Maria Numquam Satis considers these and other questions through a collection of essays that explain the primary truths of the Catholic Faith regarding the Blessed Virgin Mary in a way that is at the same time ever ancient and ever new **Victorians and the Virgin Mary** Carol Engelhardt-Herringer,2013-07-19 This interdisciplinary study of competing representations of the Virgin Mary examines how anxieties about religious and gender identities intersected to create public controversies that whilst ostensibly about theology and liturgy were also attempts to define the role and nature of women Drawing on a variety of sources this book seeks to revise our understanding of the Victorian religious landscape both retrieving Catholics from the cultural margins to which they are usually relegated and calling for a reassessment of the Protestant attitude to the feminine ideal This book will be useful to advanced students and scholars in a variety of disciplines including history religious studies Victorian studies women s history and gender studies Deliver us from the Evil one Bernardo Olivera,2021-10-13 In these pages Bernardo Olivera helps us to discern and recognize how the devil can act in our life and what kind of influence he can have What is the relationship between Satan and the spiritual combat implied in our own journey to union with God This book brings together the advice of the principal spiritual masters who have treated the subject with the realism that comes from their own experience of the devil s worst temptations such as the laziness bitterness and indifference that comes from the vice of acedia The call is not to fight Satan directly but to persevere in the humility and patience of Christ *The Wedding Present* Margaret Long,Viscountess Margaret Long,1999
