Ten Puppet Plays Musette Morell, 2022-09-15 Ten Puppet Plays is a collection of puppet theatre plays for children by Musette Morell Excerpt FATHER XMAS Within this pack Stacked in this sack Are sleeping dolls and gollywogs Ships and trains and jumping frogs Rubber ducks and velvet dogs And lots of other lovely toys For all my friends the girls and boys Turns Ho ho this is what I like to see The stockings hanging up for me **Death of a Racehorse** Katie Bo Lillis, 2025-05-06 The inside story of the crisis within the country's most classic sport horseracing and why money is killing thoroughbreds at the top of their game Every year hundreds of horses die on the racetrack Why In this deeply reported and propulsive narrative CNN reporter Katie Bo Lillis shows how two high profile cases lay bare the ills facing the sport the abrupt industry rocking indictments of top trainers Jason Servis and Jorge Navarro and the untold story of Bob Baffert the most successful and recognizable horse trainer in modern history and the allegations he faced after a string of mysterious horse deaths and the high profile disqualification of his latest Kentucky Derby winner for a failed drug test Death of a Racehorse delves deep into the horse racing world offering intimate access to dozens of top trainers owners breeders veterinarians lab specialists and more The mainstream perception has been that rampant drug use is forcing these horses to run past their natural ability resulting in heart attacks and broken legs But this doesn't paint the full picture That picture is driven by class tension between the affluent old stables and an ambitious new guard This upstairs downstairs drama shows blue blooded families on a quest to restore horse racing to the good old days that never existed versus those like Bob Baffert who are still viewed as outsiders fantastically successful but coming from less pedigreed backgrounds and experience The privileged few determined to save the sport seem to hold a powerful suspicion that the sport's brash pioneering working class could not possibly be

doing so well on their own Lillis shows how the breeding industry prioritizes making millions over breeding a sound durable horse A disjointed race schedule created by racetrack operators that are trying to maximize betting opportunities makes it impossible to manage a horse s athletic career safely In this purely capitalistic industry the brute force of winning and the money that follows has taken the place of a responsible husbandry of the animal that is its beating heart Death of a Racehorse is a cutting on the ground investigation into the morally ambiguous behavior at the industry s glamorous center raising nuanced questions about the relationship between animal and human and offering a hopeful path forward for one of America s oldest and most treasured sports
