The Wisdom Of Stability Rooting Faith In A Mobile Culture:

The Wisdom of Stability Jonathan Wilson-Hartgrove, 2010-05-01 Voted Best Book of 2010 by Englewood Review of Books In whatever place you live do not easily leave it Abba Anthony In an age where we might email a friend in Africa skype a co worker in Brazil and teleconference with people in different time zones all in one day the sheer speed of life can be dizzying Like children stumbling off a merry go round says Jonathan Wilson Hartgrove we are grasping for something to anchor our lives in a sea of constant change In *The Wisdom of Stability* Wilson Hartgrove illuminates the biblical and monastic understanding of why staying in one place is both a virtue and good for you For the Christian tradition he writes the heart's true home is a life rooted in the love of God When we cultivate an inner stability of heart by rooting ourselves in the places where we live engaging the people we are with and by the simple rhythms of tending to body and soul true growth can happen *The Wisdom of Stability* is a must read for pastors leaders and anyone seeking an authentic path of Christian transformation

A Faithful Public-Prophetic Witness Barry K. Morris, 2020-03-20 This book hails from decades of challenging trial and error work abundant reading and an enduring obligation to ministers activists and unsung lay heroes whose legacies matter As there is little that actually addresses the elusive meanings if not the dangers inherent in pursuing alleged spoils of success it is kairos time Seemingly scarce resources and competition to make and maintain ministries in the city challenge those of us in the field or on the sidelines to speak write and communicate clearly and convincingly not only for ourselves and our people past and present but for those who come along soon to receive the baton or wear the mantle Concretely narrated with unique case studies a cast of dozens contribute their earthy earnest testimonies and are at long last energetically affirmed Specifically this work proffers constructive attention to the critical cautions concerning subtle temptations to succeed including commodification cooptation communalism clientelism and cowardice and not bailing on fierce charity justice tensions with benevolence protectively dominant Narrative analysis and biography as theology social ethics biblical theology and recent church history give apt attention to how a compelling case is possible for success if justice is practiced given a hopeful realism and perspective of prophetic eschatology

Stability Nathan Oates, 2021-09-07 What is the foundation of work that lasts As Christians in a hypermobile culture most of the time we talk about going and doing about the need for meaningful action service and pilgrimage Here we listen to a quieter call We consider the foundation the roots the bass note that place of origin from which the building rises and the fruit blooms and the music soars and all the action comes the place of stability This call is rooted in the being of God the faithfulness reliability and unchanging character of God Drawing from some of the best writings on Benedictine spirituality and from his personal experiences raising a family pastoring a church and spending time living with monks Nathan Oates offers a compelling invitation to find inner peace and stillness right where we are When faced with decisions to stay or go we rarely consider a beautiful challenging third option embracing the value of stability which is moving closer to the root Rather than pulling up our tents or simply enduring we

can choose to press deeper into the core of the question to lean into the source of life the real need the true passion

Chasing Wisdom Daniel Grothe, 2021-10-26 Acclaimed teaching pastor Daniel Grothe speaks to the sense of loneliness that many feel in today's age of hypermobility and noncommittal wandering reminding us of the ancient vow of stability and teaching us how we can lead a richer life of friendship community and purpose Unlike previous generations that had to stay put many people today have unprecedented access to a lifestyle of mobility We can explore and bounce from place to place never settling down or making anywhere home And while it feels freeing to be able to try something new whenever we want whether it's a new job a new city a new group of friends or even a new church somewhere along the way we discover we're missing something We may be paying our bills and have a roof over our heads but we're lonely and unfulfilled disconnected and unsatisfied What's that all about What is the missing piece In *The Power of Place* pastor Daniel Grothe speaks to the human ache for home and makes a countercultural case for staying put He calls us to reject the myth of Christian individuality and instead embrace the richness of commitment and community arguing that we must stay in one place as long as we can plant our lives and let roots take hold Because only then can we experience the deep fulfillment friendship and fruitfulness God created us for

The Intentional Christian Community Handbook David Janzen, 2012-11-01 This is a book that we've needed for a long long time This is a book for people who long for community and for people who've found it for young seekers and for old radicals Like a farmer's almanac or a good cookbook it's a guide that doesn't tell you what to do but rather gives you the resources you need to find your way together with friends in the place where you are We couldn't be more grateful to have a book like this And we couldn't be happier to share it with you Shane Claiborne and Jonathan Wilson Hartgrove In the 21st century a new generation of Spirit energized people are searching for a new yet ancient way of life together David Janzen a friend of the New Monasticism movement with four decades of personal communal experience has visited scores of communities both old and new *The Intentional Christian Community Handbook* shares his wisdom as well as the experience of intentional Christian communities across North America over the last half century

Rooted Stephen C. Shaffer, 2022-06-07 In a rootless world we long for a place where we find peace rest and belonging The soil of our society is not particularly well suited for growing deep roots of character and Christian identity The consistent pattern of uprooting our lives and families for a new job a new opportunity a new church has left our roots damaged our friendships weak and our souls drained We long for a place where we are known loved and even challenged to live more fully The longing for home for place for rootedness is ultimately a longing for Jesus Wrestling with the biblical themes of land and exile *Rooted Growing in Christ in a Rootless Age* is a call to grow more at home in our true home Jesus Christ Walking along with Israel from Eden through the Exodus to the Exile Stephen C Shaffer shows how God both rooted and uprooted his people so that they would find their identity and center in God

Oriented to Faith Tim Otto, 2014-07-07 Rather than embracing the conflict around gay relationships as an opportunity for the church to talk honestly about human sexuality Christians continue

to hurt one another with the same tired arguments that divide us along predictable political battle lines If the world is to know that we are Christians by our love the church needs to discover better ways to live out the deep unity we share in Christ as we engage with politics and our world In *Oriented to Faith* Tim Otto tells the story of his struggle with being gay and what that taught him about the gospel With an authentic and compelling personal voice Tim invites us to explore how God is at work in the world even amidst the most difficult circumstances redeeming and transforming the church through this difficult debate With gentle wisdom and compassionate insight Tim invites all followers of Jesus to consider how we might work with God through these tensions so that all can be transformed by God's good news in and through Christ

God's Country Brad Roth, 2017-09-19 With the poetic force of Kathleen Norris and the pastoral warmth of Eugene Peterson Kansas pastor Roth sets forth a vision for vibrant rural churches for ministry in congregations that bear a profound sense of both loss and possibility and for harvesting fruits of transformation and renewal Rooted in stories from Scripture his own ministry and interviews with rural church leaders Roth offers a sturdy theological and practical alternative to church growth strategies that rely on success stories and flashy metrics Reclaiming God's vision for the rural church Roth writes means learning how to praise abide watch pray grow work the edges die befriend and dream In *God's Country* rediscover the stunning abundance of God's presence in rural communities Name the ways that the rural church testifies to God's glory and goodness Learn to live and love and minister right where you are no matter how small or unassuming it may seem Winner of the Award of Merit Christianity Today 2018 Book Awards The Church Pastoral Leadership category Free downloadable study guide available here

Approaches to Monasticism in the Context of Christian Responses to Modern Culture Kevin Maddy, 2022 *Approaches to Monasticism in the Context of Christian Responses to Modern Culture* is a study of how the values and practices of monasticism are being shaped by the shift to a cultural understanding of Christianity in modern times The values and practices of traditional monasticism are contrasted with those of various expressions of new monasticism against the background of a multicultural and fluid social environment in an effort

to find some reciprocal illumination The study aims to describe monasticism in terms of authenticity and lived religion

Pro Ecclesia Vol 21-N3 Pro Ecclesia,2012-08-02 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology **Becoming the Gospel** Michael J. Gorman,2015-05-06 The first detailed exegetical treatment of Paul's letters from the emerging discipline of missional hermeneutics Michael Gorman's *Becoming the Gospel* argues that Paul's letters invite Christian communities both then and now to not merely believe the gospel but to become the gospel and in doing so to participate in the life and mission of God Showing that Pauline churches were active public participants in and witnesses to the gospel Gorman reveals the missional significance of various themes in Paul's letters He also identifies select contemporary examples of mission in the spirit of Paul inviting all Christians to practice Paul inspired imagination in their own contexts

The Other Journal: Environment The Other Journal,2018-09-27 The Other Journal is a space for Christian interdisciplinary reflection at the intersection of theology and culture TOJ tackles the cultural crises of our time with verve and slant advancing a progressive provocative and charitable response in sync with the peacefully contrarian Christ In this issue we address the theme of environment by visiting the barren moonscapes of Appalachia the tobacco fields of Kentucky an air conditioned office in the Bronx and urban Midwestern streets that are blighted with trash We read the foreign language of animal footprints in the sandy soil at the base of Mount Hood And in all this we seek to envision a kingdom of God that encompasses each fruit flower and herb Our environment issue features writing by Karen Brummund Daniel Castillo Samuel F Chamelin Ruthanne SooHee Crapo Mary DeJong Michael J Iafrate Glen A Mazis Brett McCracken Kris Pint Dave Pritchett Meaghan Ritchey Remco Roes Leah D Schade Paul J Schutz and Catherine Wright interviews by Jonathan Hiskes and Jessina Leonard with Norman Wirzba and Aaron Canipe respectively poetry by Maryann Corbett Kris Pint Daniel Tobin and Jeanne Murray Walker an art installation by Sara Bomans Tom Lambeens and Remco Roes and photography by Karen Brummund Aaron Canipe Mary DeJong Rob Jefferson Remco Roes and Kristof Vrancken

Making Marriage Beautiful Dorothy Littell Greco,Christopher Greco,2017-01-01 What makes a marriage beautiful Honesty Compatibility Physical and emotional intimacy All of these are important but there's one component that determines the quality and longevity of a marriage more than anything else a willingness to grow Because a wedding joins together two imperfect people all couples experience disappointment conflict and pain How husbands and wives respond to these challenges determines the kind of people they will become and the kind of marriage they will have *Making Marriage Beautiful* reveals how the pursuit of Christ results in profound transformation for both the individual and the marriage Rather than offering clichés and formulas Greco relies on candor humor and real life stories to bring encouragement and wisdom to all couples regardless of whether they have been married four weeks or forty years *The Routledge International Handbook of Education, Religion and Values* James Arthur,Terence Lovat,2013-08-21 The academic fields of religion and values have become the focus of renewed interest in contemporary thinking about human activity and its motivations The

Routledge International Handbook of Education Religion and Values explores and expands upon a range of international research related to this revival The book provides an authoritative overview of global issues in religion and values surveying the state of the academic area in contributions covering a wide range of topics It includes emerging controversial and cutting edge contributions as well as investigations into more established areas International authorities Arthur and Lovat have brought together experts from across the world to examine the complexity of the field of study The handbook is organised around four key topics which focus on both the importance of religion and values as broad fields of human enquiry as well as in their application to education inter agency work and cross cultural endeavours The Conceptual World of Religion and Values Religion and Values in Education Religion and Values in Inter agency Work Religion and Values in Cross cultural Work This comprehensive reference work combines theoretical and empirical research of international significance and will be valuable reading for students researchers and academics in the field of education *Rediscipling the White Church*

David W. Swanson, 2020-05-19 Before white churches can pursue diversity we must first address the faulty discipleship that has led to our segregation in the first place Pastor David Swanson proposes that we rethink our churches habits or liturgies and imagine together holistic communal discipleship practices that can reform us as members of Christ s diverse body

What Kind of God? Bret Wells, 2018-04-05 How does a missional mindset or perspective impact the way we read Scripture How does the Bible speak to and through a missional disciple And seriously what kind of God is God A missional reading of Scripture is pivotal to helping the church find its way back to its true vocation and to helping newly forming missional communities follow the triune God revealed in Jesus To the extent that the church is absorbed with itself and its own comfort and agendas it has forsaken the God revealed in Jesus whom we claim to follow The mission of God will lead us to confront the injustices in our society shed light on the lies we tell ourselves and name the sickness in our midst Reading the Bible with and as a missional church means we approach the Bible with the assumption that God is actually up to something in this world that we are all called to play an active role in that something and that the Bible is the story of that something What kind of God is God We invite you to read with us and see for yourself *Mobilizing for the Common Good* Peter

Slade, Charles Marsh, Peter Heltzel, 2013-07-27 Born into a sharecropping family in New Hebron Mississippi in 1930 and only receiving a third grade education John M Perkins has been a pioneering prophetic African American voice for reconciliation and social justice to America s white evangelical churches Often an unwelcome voice and always a passionate provocative clarion Perkins persisted for forty years in bringing about the formation of the Christian Community Development Association a large network of evangelical churches and community organizations working in America s poorest communities and inspired the emerging generation of young evangelicals concerned with releasing the Church from its cultural captivity and oppressive materialism John M Perkins has received surprisingly little attention from historians of modern American religious history and theologians *Mobilizing for the Common Good* is an exploration of the theological significance of John M Perkins

With contributions from theologians historians and activists this book contends that Perkins ushered in a paradigm shift in twentieth century evangelical theology that continues to influence Christian community development projects and social justice activists today
