The Power of God's Consciousness James Grant, 2022-11-03 The Power of God's Consciousness was written to transform the lives and consciousness of mankind It was written to transform mankind from a sinful nature and more into fellowship with God When we read and study God's divine Word we realize how God's Word can become the bread of life for mankind God's Word must become the bread of life in our lives so that we can experience how God's Word is able to manifest itself in our lives We have to implement God's Word in our hearts and minds as God's Word becomes a part of our lives We have to develop the discipline in our lifestyles that reflect the life of Jesus Christ Everything that we do at this point in our lives should reflect our discipline and consciousness of God's divine Word in our hearts and is acted out in our lives When we have confidence and courage in God's divine Word we are better able to enhance and develop our faith in God We can only understand our purpose and reason for living through how we define God's consciousness in our lives **Schleiermacher**

on Christian Consciousness of God's Work in History Abraham Varghese Kunnuthara, 2008-01-01 This work is a fresh unusually lucid approach to Christian theology and interfaith dialogue from India Its basic aim is to examine the Christian consciousness of God's work in history redemption history within the entire history of the world It uses Christian Faith by Friedrich Schleiermacher 1768 1834 as its main text so as to view this theme in a reversed order from the way it is presented there This approach which centers on God's new creation in Christ leads to an incisive understanding of Christianity's relation to other modes of faith Throughout Dr Kunnuthara compares the thought of another Indian Christian leader steeped in Hindu thought Pandippedi Chenchiah 1886 1959 to enable renewed interfaith dialogue across a wide spectrum **The Microcosm**, 1885 God's Autopsy and the Living Truth of Soul Hal Childs, 2022-08-22 The Grand Narrative of Christianity

that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God's Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung's psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is

unexpectedly and shockingly in the Bible itself

Existence To Life: The Science Of Self-Consciousness James Porter Mills, 1921 There has been a growing feeling in my mind that Health is too small a title with which to introduce a book that sets forth the noblest science that can possibly be formulated Although health is one of the most desirable conditions in personal life and one of the most essential yet it is but one of the ways of Life that are set forth in the book It appears to me that From Existence to Life the Science of Self Consciousness exactly covers the whole field of that which is herein formulated It is a science for all round use health being but one of the many modes of the Principle of All Knowledge and so far as man is concerned the science of self consciousness formulated correctly and made use of intelligently should satisfy the mind and comfort the heart in all the emergencies of self conscious life enabling a man to hold on his way and grow stronger and stronger *Human Consciousness of God in the*
