previously published in a book entitled *The Flesh and the Spirit* 9 Four messages given in Spokane Washington on June 21 and 22 1975 They were previously published in a book entitled *The Building of the Church* 10 Eleven messages given in Seattle Washington and Berkeley and Anaheim California on June 23 through July 13 1975 They were previously published in a book entitled *The Testimony of Jesus* 11 One message given in Berkeley California on July 5 1975 The edited message was divided into two chapters which are published in this volume under the title *The Truth concerning the Triune God and Crucial Points of Truth and Practice* 12 Six messages given in Anaheim California on July 23 and 24 1975 One of the edited messages was divided into two chapters and the seven resulting chapters are included in this volume under the title *Fellowship with Elders* 13 Five messages given in Chinese in Taipei Taiwan on August 19 through 23 1975 They were previously published in Chinese and English in a book entitled *Living in the Spirit* 14 Four messages given in Chinese in Taipei Taiwan on August 26 through 31 1975 They were previously published in Chinese and English in a book entitled *Living with the Lord* *The Church Building as a Sacred Place* Duncan Stroik, 2012 This collection of twenty three essays by Duncan Stroik shows the development and consistency of his architectural vision Packed with informative essays and over 170 photographs this collection clearly articulates the Church's architectural tradition **Seeing Through the Eyes of the Spirit** John Oti, 2018-06-23 Seeing through the Eyes of the Spirit is a Bible based practical approach to the place of dreams visions and revelations in the lives of those who are believers in Christ Jesus It is obvious that some even among Christians have problems believing in dreams and revelations as a critical component of spirituality in the times we now live However a close and a thorough examination of the Bible in general and the book of Acts provides the evidence that what God did in the past does happen in our time because God has not changed Moreover further evidence in the book of Hebrews notes Jesus Christ the same yesterday today and forever Hebrews 13:8 In other words those who are believers in Christ do experience seeing through visions and receiving revelations from God Regardless of the skepticism of the modern and postmodern worldview God moves in supernatural ways to accomplish his plans on earth Furthermore everyone who has read Acts and the entire New Testament will also come to the conclusion that the ability to see through dreams and visions did not end with the apostles of the Lamb or the early church fathers Rather visions and revelations are a commonplace phenomenon for anyone in any age who has had a genuine encounter with the living Christ Without a doubt there are those who claim to have visions and who have made such claims when their experiences have not been proven to be biblically based or an authentic divine experience from God However just because such people misrepresent the gospel does not negate the fact those with visions and revelations in this time truly had such encounters from God Seeing through the Eyes of the Spirit is a signature of my own experiences in many years of the ministry I trust that the testimony and the teachings from the holy scriptures in this book will inspire future Christian leaders to be more prepared for supernatural encounters from the Lord *The Collected Works of Witness Lee, 1970, volume 1* Witness Lee, *The Collected Works of Witness Lee* 1970 volume 1 contains messages

The Vision of the Church Witness Lee, 198? *Vision, Mental Imagery and the Christian Life* Zoltán Dörnyei, 2019-07-03 This book uniquely explores how the notion of vision is presented in modern science and the Bible and how it can be applied to contemporary Christian contexts The word vision our ability to see has been described by an increasing body of scholarship in the social sciences as our capacity for mental imagery and imagination As such this unique cognitive capability has been utilised in many fields for a variety of purposes from arts and psychotherapy to politics and business management and even for performance enhancement in sports The current book argues that a better understanding of vision can have far reaching practical implications for Christian life and ministry by helping people to align

themselves with God's specific purposes After a theoretical overview that integrates scientific and theological insights the final chapters present a variety of strategies that can help believers to discern God's call through the use of mental imagery and then to develop and cultivate the perceived vision The book examines the scientific and biblical principles of vision in a comprehensive manner with a special emphasis on the practical implications of the issue As such it will be of great interest to scholars of Theology Biblical Studies and Church Growth Leadership as well as Organisational Behaviour Business Management and Psychology *The Congregationalist* ,1923
