The Water Ghost And Others:

The Water Ghost and Others, by John Kendrick Bangs ... John Kendrick Bangs,1856

The Water Ghost and Others

John Kendrick Bangs,2014-04-17 The trouble with Harrowby Hall was that it was haunted and what was worse the ghost did not content itself with merely appearing at the bedside of the afflicted person who saw it but persisted in remaining there for one mortal hour before it would disappear It never appeared except on Christmas Eve and then as the clock was striking twelve in which respect alone was it lacking in that originality which in these days is a sine qua non of success in spectral life The owners of Harrowby Hall had done their utmost to rid themselves of the damp and dewy lady who rose up out of the best bedroom floor at midnight but without avail They had tried stopping the clock so that the ghost would not know when it was midnight but she made her appearance just the same with that fearful miasmatic personality of hers and there she would stand until everything about her was thoroughly saturated

The Water Ghost and Others John Kendrick

Bangs,2015-10-30 For the purposes of this bit of history Bangletop Hall stands upon a grassy knoll on the left bank of the River Dee about eighteen miles from the quaint old city of Chester It does not in reality stand there nor has it ever done so but consideration for the interests of the living compels me to conceal its exact location and so to befog the public as to its whereabouts that its identity may never be revealed to its disadvantage It is a rentable property and were it known that it has had a mystery connected with it of so deep dark and eerie a nature as that about to be related I fear that its usefulness save as an accessory to romance would be seriously impaired and that as an investment it would become practically worthless The hall is a fair specimen of the architecture which prevailed at the time of Edward the Confessor that is to say the main portion of the structure erected in Edward s time by the first Baron Bangletop has that square substantial stony aspect which to the eye versed in architecture identifies it at once as a product of that enlightened era Later owners the successive Barons Bangletop have added to its original dimensions putting Queen Anne wings here Elizabethan ells there and an Italian Renaissance facade on the river front A Wisconsin water tower connected with the main building by a low Gothic alleyway stands to the south while toward the east is a Greek chapel used by the present occupant as a store room for his wife s trunks she having lately returned from Paris with a wardrobe calculated to last through the first half of the coming London season Altogether Bangletop Hall is an impressive structure and at first sight gives rise to various emotions in the aesthetic breast some cavil others admire One leading architect of Berlin travelled all the way from his German home to Bangletop Hall to show that famous structure to his son a student in the profession which his father adorned to whom he is said to have observed that

The Water Ghost; And Others

John Kendrick Bangs,2025-08-22 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

The Water Ghost and Others

John Kendrick Bangs,2019-11-29 In The Water Ghost and Others John Kendrick Bangs weaves a captivating tapestry of

supernatural tales that blend humor and Gothic elements reflecting the Victorian era fascination with the ethereal and macabre. With a unique literary style characterized by its playful language and satirical wit, the collection features eclectic characters and whimsical plots challenging conventional narratives while engaging readers with what the author calls ghostly humor. Set against the backdrop of the late 19th century, the stories echo the period's cultural preoccupations with the afterlife and the unknown, inviting readers to explore the fine line between reality and the fantastical.

John Kendrick Bangs was a notable American author and humorist celebrated for his contributions to literature that often critiqued society through a humorous lens. His varied career includes work as an editor, playwright, and satirist, which undoubtedly informed the creation of *The Water Ghost and Others*. Bangs' inclination toward the supernatural may stem from the Victorian appetite for ghost stories, while his sharp satirical edge offers insight into the era's existential musings, creating a rich context for his narratives. This collection is highly recommended for readers who delight in the interplay of humor and horror, as Bangs masterfully captures the absurdities of human nature through his ghostly protagonists.

Fans of classic literature as well as those intrigued by the supernatural will find themselves enchanted by these timeless tales that are both amusing and thought-provoking.

The Water Ghost and Others John Kendrick Bangs, 1894

The Water Ghost and Others John Kendrick Bangs, 2021-04-06

Book Excerpt: re-streamed rivulets of water but whose own person deep down under the various garments he wore was as dry and as warm as he could have wished. "Ha! said the young master of Harrowby, "I'm glad to see you. You are the most original man I've met; if that is true, returned the ghost, "May I ask where did you get that hat? Certainly, madam, returned the master, "courteously. It is a little portable observatory I had made for just such emergencies as this. But tell me, is it true that you are doomed to follow me about for one mortal hour to stand where I stand, to sit where I sit? That is my delectable fate, returned the lady. "We'll go out on the lake, said the master, starting up. "You can't get rid of me that way, returned the ghost. "The water won't swallow me up; in fact, it will just add to my present bulk. Nevertheless, said the master firmly, "we will go out on the lake. But my dear sir, returned the ghost with a pale reluctance, "it is so fearfully cold out there. Read More

The Water Ghost and Others (Esprion Classics) John Kendrick Bangs, 2023-03-03

John Kendrick Bangs (May 27, 1862 – January 21, 1922) was an American author, humorist, editor, and satirist. He was born in Yonkers, New York. His father, Francis N. Bangs, was a lawyer in New York City, as was his brother, Francis S. Bangs. He went to Columbia College from 1880 to 1883, where he became editor of Columbia's literary magazine, *Acta Columbia*, and contributed short anonymous pieces to humor magazines. After graduation in 1883 with a Bachelor of Philosophy degree in Political Science, Bangs entered Columbia Law School but left in 1884 to become Associate Editor of *Life* under Edward S. Martin. Bangs contributed many articles and poems to the magazine between 1884 and 1888. During this period, Bangs published his first books, **Water Ghost & Others**, 2006 and **WATER GHOST & OTHERS** John Kendrick Bangs, 1862-1922, 2016-08-27.
