Blessed Lord had said to Sister Josefa My words will be light and life for an incalculable number of souls and I will grant them special graces of conversion and illumination These words have been verified for as soon as the first small volume appeared it was eagerly seized upon was reprinted several times while letters from all parts of the world gave testimony to the profound impression created and to the signal graces that followed on the delivery of the Message Within a few months the book had been translated from the original Spanish into French then into Portuguese Italian English Chinese and Hungarian thus fulfilling Our Lord s wish that His call to the way of love should be heard as widely as possible The Message providentially timed to appear before the general conflagration of nations in the World War of 1939 1945 did not suffer any interruption by it In spite of many difficulties it passed from hand to hand and continued to be widely read At the same time pressing requests for a more detailed biography which would make the bearer of Our Lord s communications better known were continually being received and have resulted in the present publication The Message of Our Blessed Lord framed as it were in the life history of Sister Josefa Menendez consists mainly in excerpts from her notes These notes written under obedience and carefully preserved are connected by a running commentary the testimony of those who day by day assisted at the unfolding of a life which so amazingly carried out the designs of the Heart of Jesus In 1926 after careful examination of the writings of Sister Josefa a Consultor of the Sacred Congregation of Rites concluded his report with these words I pray God that these things may become known for the glory of God and to strengthen the faith of diffident and timid souls and also that the holy religious of the Sacred Heart who wrote them may be glorified
