*Straight Answers to 35 Tough Questions* Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowing in the wind but we've learned that really important answers don't come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God's Word That's the reason God's first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It's been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That's one reason we're not only to confront knotty questions but willingly accept God's unraveling answers *Jeremiah and Lamentations (ESV Edition)* Philip Graham Ryken, 2016-05-13 The prophet Jeremiah is a supreme example of how believers can live well in a society that has turned against God While the book of Jeremiah chronicles the last desperate days of Jerusalem before it is conquered by an invading army Lamentations expresses the cries of Jeremiah's heart for the fallen city Together the two books reflect on the meaning of human suffering and illustrate the eternal principle that a man will reap what he sows In this commentary Philip Graham Ryken helps pastors church leaders and Bible teachers understand and teach these spiritually relevant books inspiring readers to respond to God's personal call to live for him in these troubled times Part of the Preaching the Word series

*Biblical Counsel*, 1993 *God's Answers for Life's Questions*, 2011-01-01 Whatever question believers or seekers may have they'll find a straightforward answer in the Bible Organized by topic this easy to use book covers subjects including how to know God relationships discouragement finances and many more Along with the Bible's answers to the questions are applicable Scripture prayers and promises The variety of Bible translations included makes all answers easy to understand Originally published as *God's Answers for Your Every Question* books this volume includes the most helpful questions and answers from the original four books *The Gospel According to Elihu* Moses Pollard, 2022-11-15 In the biblical days there was not a man who was greater than Job Job was a very wealthy man with seven sons and three daughters he possessed more than anyone in the land of Uz Job was a man of God who lived a blessed life protected under God's divine power In the heavenly realm beyond the scope of Job's understanding there were conversations between God and Satan While God maintained great confidence in Job's ability to stay true to the faith He continued to allow Satan access to destroy the blessings which God had given him God's instruction to Satan was that he was allowed to do adverse things to Job but he was

not allowed to take his life Job meanwhile was enjoying the good life unaware of Satan's plans to destroy him At once tragedy struck Job's life from all directions causing him to lose his children and his wealth in a short period of time While grieving over the loss of his loved ones and dealing with the realization that he was now destitute Job's health rapidly declined to a point of turning him into an emaciated relic of his former self While Job was suffering due to undue duress from all of the calamities of his present world he could no longer feel the presence of God In the twenty third chapter of the book of Job we find that the main character is very distraught over the absence of God in his time of trouble Job said If only I knew where I could find God I would go where he lives Job begins to wonder if he will ever find God again Job said that he could not find God in the north south east or west Several of Job's friends came to visit him but would become a snare and a stumbling block in his life by their accusatory words against Job and the sovereignty of God These three men sat beside Job in his time of distress without offering any words of encouragement A young friend of Job listened intently over a period of days until finally he began to speak out against their ignorance about God's sovereignty and love of God toward His people Elihu brings a very different perspective into the discussion which changed Job's attitude toward God The Gospel According to Elihu is a look into how we sometimes view God from a very dim self righteous vantage point rather than from God's sovereign position In this book we will discover that because of God's supernatural advantage He sees all and knows all even when our eyes are blinded by the disguise of the earthly realm This book teaches us to trust God while we are going through tough times because behind the curtain blanketing our vision God is orchestrating it all If ever you have questioned God in any aspect of your life this book is a must read to help you understand His undying love and commitment to the preservation of His saints Elihu's message to saints today is so needed because it is truly good news for daily living It is good news for our peace of mind and comfort during loss It is a compass during feelings of hopelessness and a guide to steer us back on course and to do so while believing in God's sovereign power The Gospel or good news is that God does not lie and He has said that He will never leave us nor forsake us It is not God who brings about destruction in the lives of saints When trouble comes God has already given us the written word to combat any and all things naturally or supernaturally Yes there is good news and the good news is the gospel according to Elihu

assurance that when you pour out your soul to God He will show you the right path for you and your children *Answering the Hard Questions* Robert R. Hill,2022-11-03 No question should be off limits if it is asked with the intent of seeking truth But many Christians do not know how to answer some of the hard questions about the Bible and the Christian faith Could you answer these questions What would you do if you were asked one of these questions from an unsaved friend What would you do if your children asked you one of these questions 1 If God is real then why doesn t he show himself 2 If God is real then why does he allow suffering and evil to continue 3 How can God be real when secular science shows that everything has an explanation without God 4 If God is a merciful kind and forgiving God then why did he order the slaughter of whole people groups including men women children and their animals too 5 Why would a loving God send anyone to an eternal hell 6 How can God be real since the Bible says God is love but commands the barbaric death of innocent animals in the Old Testament and Jesus says to eat his body and drink his blood And there are other weird things in the Bible too 7 How can God be real since we don t see a difference between people who call themselves Christians and the rest of the world This series is designed to equip Christians to answer these types of hard questions in defending the Bible and the Christian faith We must be able to respond to these types of questions or else we will not be confident in our faith and therefore we will be weak in witnessing I want you to be able to answer these questions quickly and confidently to be an effective and passionate ambassador for Christ
