

Voyages And Discoveries

Cook

Voyages And Discoveries:

Voyages and Discoveries Richard Hakluyt, 1772 Renaissance diplomat and part time spy William Hakluyt was also England's first serious geographer gathering together a wealth of accounts about the wide ranging travels and discoveries of the sixteenth century English. One of the epics of this great period of expansion *The Principal Navigations Voyages Traffiques and Discoveries of the English Nation* describes in the words of the explorers themselves an astonishing era in which the English grew rapidly aware of the sheer size and strangeness of their world. Mingling accounts of the journeys of renowned adventurers such as Drake and Frobisher with descriptions by other explorers and traders to reveal a nation beginning to dominate the seas Hakluyt's great work was originally intended principally to assist navigation and trade. It also presents one of the first and greatest modern portraits of the globe. *Voyages and Discoveries* Richard Hakluyt, 1962-06-01 Hakluyt

Edmund Fanning, 2023-07-18 In 1792 Edmund Fanning embarked on a journey that would take him to some of the most

exotic and dangerous places in the world. This book chronicles his adventures in the South Seas from his encounters with

cannibals to his clashes with rival European powers. Fanning's vivid descriptions of the landscapes, peoples and cultures he

encountered make this book an enthralling read for armchair travelers and history buffs alike. This work has been selected by

scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the
