Winners Guide to Table Gaming: a Pocket Guide Michael Wehking, 2018-04-18 This is a solid pocket primer to get you ready to hit the floor running in today's casino table gaming world Author Michael Wehking clearly explains the games betting strategies handling success and loss while sharing how he made nearly a quarter million dollars in six months This book can change your gaming life

Mensa Guide to Casino Gambling Andrew Brisman, 2004 The runaway winner as the best overall gambling encyclopedia written in the past 20 years Detroit Free Press Walk away from every casino a winner Take it from Mensa the society for people with high IQs you don't have to be a genius to triumph at the tables Here's the inside line on the games and bets that give the best advantage Do you know whether to split a pair of aces in blackjack which slot machines carry the worst payback for the player and why losses are more significant at video than live keno Beat the bank by understanding all this and more including odds and probability the house edge money

management and gambling psychology The chips will just pile up The author lives in New York NY **Gambling in America** William N. Thompson, 2015-02-10 This one volume reference provides a comprehensive overview of gambling in the Americas examining the history morality market growth and economics of the gaming industry This is the most complete encyclopedia of gambling covering the industry in great detail including the players the games the venues and the surrounding social issues Updates in this second edition reveal the impact of technological advances on the games the growing legislation regulating the industry and the expanding global footprint of gambling across the world from Manitoba to Montana Author William N Thompson postulates on the impact of gambling on local communities and shows how the U S gaming industry is tied to the global market most notably gaming expansion in Macau and Singapore The book addresses the various forms of gaming such as casino based and online gambling sports betting and lotteries Additional content examines the social issue of problem and pathological gambling and addresses the rehabilitation programs available for the mitigation and treatment of gambling problems *Gambling for Winners* Ward Wilson, This book is for you only if you gamble to make money If your idea of fun and entertainment includes giving away your hard earned money to casinos I can t help you If you enjoy sitting in a mindless bright lights dinging trance while you drop quarters down a slot this book is not for you If you think casinos are built and run by stupid people you better stay out of them If you think you can beat a blackjack dealer by wild assed guessing think again If you play poker just because it s now so popular you don t need my book If you believe you can just happen to be lucky enough to beat the odds you live in a fantasy world and you d hate this book for destroying your illusions But if you re hard headed serious willing to work and tired of the mainstream gambling books that simply teach you how to lose less rather than win If you understand casinos don t stay in business by giving out more money than they take in This is an extensive examination of the most popular forms of gambling If you can find any positive expectation bets and how Some of the material is controversial Some of it is unique It s not for beginners If you don t already know how to play blackjack or craps buy and read the basic books first This one assumes you know and understand the rules of play If you have emotional or psychological issues around money my strong advice is don t gamble If you want to believe casinos are playgrounds built for your amusement this is not the book for you I use statistical concepts and common sense to strip away the bright lights and glamor to reveal the mathematical realities of gambling For the most part it s not pretty Not if you want to make money instead of lose it But there are opportunities there for people willing to work hard and understand the obstacles so they can surmount them If you re still an emotional child needing the adrenaline rush and excitement of winning money this is not for you And not only the casinos want to take your money hordes of online scammers selling bogus systems online also are after the money belonging to would be pro gamblers Until you can enter a casino and remain blind to the red carpeting the flashing lights dinging slots and the entire aura of glamorous partying you ll remain a loser If you have enough money to pay for a mirage that s up to you Most people don t Forthcoming Books Rose Arny, 1997 The Experts' Guide

to Casino Games Walter Thomason,1997 Walter Thomason has selected a top group of professional gamblers to explain their skills in particular games His own contribution is a chapter on the advantages and disadvantages of long and short play periods The Experts Guide to Casino Games offers the best advice and that extra edge from the best players about all types of casino games
