The Zurich Origins of Reformed Covenant Theology Pierrick Hildebrand, 2024 This book explores the origins and development of one of the most significant doctrines of Reformation theology. The innovative ways in which the Zurich reformer Huldrych Zwingli and his successor Heinrich Bullinger thought about the relationship between the Old and New Testaments left an indelible mark on the Reformed tradition in the sixteenth and seventeenth centuries. Distinctively, Zwingli and Bullinger emphasized the continuity of both testaments and spoke of a single covenant between God and humanity. This would become one of the defining teachings of Reformed Christianity. This book follows the development of their covenant theology in the Reformation and argues for its adoption by John Calvin in Geneva and the German theologians of the post-Reformation era.

The Spirituality of the Heidelberg Catechism Arnold Huijgen, 2015-03-11 At the occasion of the 450th anniversary of the Heidelberg Catechism, an international conference on the spirituality of the Heidelberg Catechism was held at the Theological University Apeldoorn, 21-22 June 2013. This publication offers the plenary papers presented and a selection of the short papers. While the papers center on the Catechism's spirituality, a wide range of topics is covered from both historical and theological perspectives. These topics include the roles of Ursinus and Olevianus, controversial theologians, Anabaptist spirituality, comparisons with Calvin's Genevan Catechism and the later Synopsis of Purer Theology. Also, the distinct spirituality of faith, regeneration, the Trinity, the law, and prayer in the Heidelberg Catechism are scrutinized, besides the idea of mystical union and the art of dying and living. Three contributions reflect on the controversy on the Eucharist, which has stamped the Heidelberg Catechism. From a practical theological perspective, the preaching and teaching of the Catechism are discussed, as well as the mode of gospel presentation and the permanent character of catechetical instruction. So, this volume offers a broad range of scholarly perspectives on the Catechism. Its spirituality is famous for the first question and answer on the only comfort in life and death: That I am not my own, but belong body and soul in life and in death to my faithful Savior Jesus Christ.
