Getting Along with Parents Mark Matlock,2009-08-30 Wisdom On Getting Along with Parents can help you understand both sides a little better and improve your relationship This book is about giving you insight and understanding into the dynamics of your relationship with your parents and helping you learn to use wisdom when you interact with them You ll walk away from this book with a whole new perspective on the relationship you have with your parents and how to have an even better one *Good Sex 2.0: What (Almost) Nobody Will Tell You About Sex*

Zondervan,2009-12 **Real World Parents** Mark Matlock,2010-03-09 Christian families today often find themselves stuck between two stories their own family s story and God s story It s like they re living two lives their Christian life and their real world life The trick is figuring out how to get your family s story to line up with God s story in the world around us helping you raise children who have the character values and mission that allows them to go out into the real world and live out a real faith Real World Parents is a parenting book that helps you to be proactive rather than reactive when it comes to raising Christian kids in a world that is filled with contradictions to a life of faith Rather than trying to raise kids who are good Christians you ll find the tools to help you live out a faith that allows your children to see what it means to live as a Christian As a result your kids will learn about real faith by living it out with you Culture expert and veteran youth pastor Mark Matlock will help you explore issues such as Helping your child make decisions The importance of failure Knowing God s story for your family Changing the story your family is in The pursuit of wisdom and much more God has placed us here to interact with and represent him to the world by engaging with the culture not retreating from it Rather than trying to isolate your children from the world or draw lines that keep them from truly engaging in the world God calls us to help and heal you can learn how to lead your family towards an integrated life where your story and God s story come together to make a difference in the world around you *Rock Solid Faith* Barry Shafer,2009-08-30 In Rock Solid Faith a ten session study on 2 Timothy will help students find strength in their faith allowing them to overcome the endless challenges they encounter as they try to follow Jesus **Mirrors and Maps** Sissy Goff,Melissa Trevathan,2008 If you don t understand why you feel act or think the way you do now and life used to be so simple you re not alone you re growing up Listen to other girls like you and two women who know a lot about what you re going through You ll start to understand who you are and you ll see the wonderful person you re becoming *See, Believe, Live* Barry Shafer,2009-10-06 The Digging Deeper series is designed to meet the needs of students today who are looking for spiritual depth Created with the needs of busy youth workers in mind each session comes with guides for just about every age and setting middle school younger high school older high school college a coffee house setting and a talk as well as a guided personal study for the leader As each study digs into a book of the Bible your students will spend time deep in God s Word on their own and will share eye opening revelations with each other during the interactive discussions Your students will walk away from each study with a greater sense of what it means

to follow Christ in their everyday lives and a greater appreciation for God's Word Includes CD ROM *Leave a Footprint - Change The Whole World* Tim Baker, 2009-05-26 You are here for a reason God is calling you to reshape the planet to help change it for the better But if you're like most people you'll spend years searching out why God made you the way he did and never really uncover God's beauty in you and ultimately never realize why God created you Some people believe that when it comes to God's Will in your life there's only one answer Well inside the pages of this book you'll discover that God has definitely created you for a purpose but that purpose isn't an occupation set in stone for the rest of your life Take the time to find out what it means for you to leave a footprint The marks you leave on this world could make all the difference Inside you'll explore Who am I really What gifts and skills do I have You'll look deep inside your emotions your personality and abilities to understand how God has uniquely gifted you to make a difference on Planet Earth What do I dream about You'll look at what your heart longs to do and you'll learn that what you dream about is probably something God has placed in you God has given you passions will you use them for his glory Why am I here You'll discover your life purpose and look into the things you think God may be calling you to do And you'll be challenged to use who you are in the world right now So take off your shoes and step out in faith You'll find out what it means for you to leave your footprint in your world today and what it could mean for your future I AM Standing Up Luke Lang, 2009-05-26

Maybe you have days when you don't feel so good about yourself You're not as tall or thin as you'd like or maybe you don't quite fit in or you just get left out Well you'll start to feel a lot better about yourself once you start reading about Luke Luke Lang calls himself a freak of nature He's a grown man who is the height of an average fifth grader but that's not what makes him a freak He's also about as wide as the average Sumo wrestler but sadly too uncoordinated to actually compete as a Sumo wrestler Luke knows what it's like to feel left out or left behind But he's got a great sense of humor about his life's misadventures and he's sharing the hysterical stories with you in the hopes that you'll feel encouraged not just because you're not as freaky as Luke but because you'll see that God can do extraordinary things through people who are pretty ordinary While you're reading Luke's embarrassing stories like the time he got beat up by a girl in Karate class or the time he was fighting for his life at Boy Scout camp you'll learn a little about God's love and grace and you'll be reminded that you were created on purpose for a purpose **NIV, Couples' Devotional**
