Wisdom's Journey Steven Rozenski, 2022-07-15

Steven Rozenski reopens old discussions and addresses new ones concerning late medieval devotional texts particularly those showing continental and German influences For many Martin Luther's translation of the Bible into German has come to define the spirit of the Protestant Reformation But there existed a host of devotional and mystical writings translated into the vernacular that had more profound impacts upon lay religious practices and experiences well into the seventeenth century Steven Rozenski explores this devotional and mystical literature in his focused study of English translations and adaptations of the works of Henry Suso Catherine of Siena and Thomas Kempis and the common devotional culture manifested in the work of Richard Rolle In Wisdom's Journey Rozenski examines the forms and strategies of late medieval translation of early modern engagement with Continental medieval devotion and of the latter's literary afterlives in English speaking communities Suso's Rhineland mysticism the book shows found initial widespread influence translation and adaptation followed by a gradual decline Catherine of Siena's Italian spirituality saw continued use and retranslation in post Reformation recusant communities paralleled by vehement denunciation by English Protestants and Thomas Kempis's

Imitation of Christ attained a remarkably consistent expansion of popularity translation and acceptance among both Catholic and Protestant readers well into the nineteenth and twentieth centuries Wisdom's Journey traces this path as it reshapes our understanding of English devotional and mystical literature from the 1400s to the 1600s illuminating its wider European context before and after the Reformations of the sixteenth century Written primarily for scholars in medieval mysticism Reformation studies and translation studies the book will also appeal to readers interested in medieval studies and English literature more broadly

Notes of an Overland Journey Through France and Egypt to Bombay, Bimbashi Baruk of Egypt, Morning Star, The Egyptian Fire-Eater, The Wave: An Egyptian Aftermath, All for Love : The World Well Lost A Tragedy, The Egyptian Maid: A Romance of the Water-Lily Miss Emma Roberts, Various Authors, Sir Henry Rider Haggard, Sax Rohmer, Algernon Blackwood, John Dryden, Rudolph Baumbach, William Wordsworth, 2020-09-18 Experience has especially of late years amply refuted the barbarous error which attributes to Nature a niggardliness towards the minds of that sex to which she has been most prodigal of personal gifts the highest walks of science and literature in this country have been graced by female authors and perhaps the purity and refinement which pervade our works of imagination compared with those of former days may not unjustly be traced to the larger share which feminine pens now have in the production of these works It would appear to countenance the heretical notion just condemned to assume that a robust organization is essential to the proper development and exercise of the powers of the understanding but it is certain that in several instances individuals who have exhibited the most striking examples of female pre eminence have not reached the full maturity of their intellectual growth but have been lost to the world in a premature grave to the names of Felicia Hemans and Laetitia E Landon besides others is now added that of Emma Roberts who although in respect of poetical genius she cannot be placed upon a level with the two writers just named yet in the vigour of her faculties and in the variety of her talents is worthy of being associated with them as another evidence against the asserted mental inequality of the sexes Miss Roberts belonged to a Welsh family of great respectability Her grandfather who was a gentleman of good property and served the office of High Sheriff for Denbighshire North Wales possessed the fine estate of Kenmell Park in that county which was disposed of after his death to Colonel Hughes the present Lord Dinorben whose seat it continues to be He had three sons all of whom entered a military life which seems to have had peculiar attractions to this gallant family The eldest the late General Thomas Roberts raised a regiment which became the 111th and it is said he frequently officiated as Gold Stick in Waiting to George the Third A son of General Roberts was aide de camp to Sir Arthur Wellesley in Portugal was taken prisoner by the French and detained during the war he afterwards rose to the rank of lieutenant colonel The second son Colonel David Roberts of the 51st regiment distinguished himself in the Peninsular war having on the 7th January 1809 during Sir John Moore's retreat near the heights of Lugo headed a party which repulsed the French Light Brigade on which occasion his cloak was riddled with bullets two of which passed through his right hand which was amputated He was then a major but afterwards

commanded the regiment in Lord Dalhousie's brigade and subsequently in Flanders and was so seriously and repeatedly wounded that his pensions for wounds amounted to 500 a year Colonel Roberts was an author and wrote amongst other things the comic military sketch called Johnny Newcome The youngest son William the father of Miss Roberts in the course of his travels on the continent in early life formed some intimacies at the Court of St Petersburg to which he was introduced by the British Ambassador and eventually entered the Russian service he was made aide de camp to General Lloyd his countryman and served with great distinction in several campaigns against the Turks He afterwards entered the British army but had not attained a higher rank than that of captain with the paymastership of his regiment when he died leaving a widow a son who died a lieutenant in the army and two daughters Emma the youngest daughter of Captain Roberts was born about the year 1794 After the death of her father she resided with her mother a lady of some literary pretensions at Bath Though possessed of a very attractive person though of a lively disposition and peculiarly fitted to shine in the gayest circles of social life her thirst for letters was unquenchable and the extent of her reading proves that her early years must have been years of application

On Our Best Behavior Elise Loehnen, 2025-08-26 NEW YORK TIMES BESTSELLER A groundbreaking exploration of the ancient rules women unwittingly follow in order to be considered good revealing how the Seven Deadly Sins still control and distort our lives and illuminating a path toward a more balanced spiritually complete way to live Why do women equate self denial with being good We congratulate ourselves when we resist the donut in the office breakroom We celebrate our restraint when we hold back from sending an email in anger We feel virtuous when we wake up at dawn to get a jump on the day We put others' needs ahead of our own and believe this makes us exemplary In *On Our Best Behavior* journalist Elise Loehnen explains that these impulses often lauded as unselfish distinctly feminine instincts are actually ingrained in us by a culture that reaps the benefits via an extraordinarily effective collection of mores known as the Seven Deadly Sins Since being codified by the Christian church in the fourth century the Seven Deadly Sins pride greed lust envy gluttony wrath and sloth have exerted insidious power Even today in our largely secular patriarchal society they continue to circumscribe women's behavior For example seeing sloth as sinful leads women to deny themselves rest a fear of gluttony drives them to ignore their appetites and an aversion to greed prevents them from negotiating for themselves and contributes to the 55 percent gender wealth gap In *On Our Best Behavior* Loehnen reveals how we've been programmed to obey the rules represented by these sins and how doing so qualifies us as good This probing analysis of contemporary culture and thoroughly researched history explains how women have internalized the patriarchy and how they unwittingly reinforce it By sharing her own story and the spiritual wisdom of other traditions Loehnen shows how we can break free and discover the integrity and wholeness we seek *Live a Legacy* Jonathan D Benz, 2011-10-28 Living spiritually and practically is possible and attainable The fifty
