that involves a bogus American Scholars Society chocolate chip ice cream and Steve McQueen Their sacriligious scheming doesn't go quite to plan however and events begin to spiral dangerously beyond Cameron's control Will our hero pull the tour guide of his dreams Will his partner in crime ever shift those microwaves Is there an afterlife In Robin Mitchell's rude and darkly comic debut novel all the answers will be exhumed **The Edinburgh Visitor Guide**, 2004 THE EDINBURGH VISITOR GUIDE is an essential reference for a trip to Scotland's capital The book features comprehensive listings of where to go and what to see and is arranged alphabetically The extensive range of attractions includes castles historic houses ancient monuments museums galleries religious buildings gardens outdoor activities nature and wildlife Each entry contains information on facilities opening times admission directions contact telephone number website plus a short description and is numerically linked to one of a number of color maps Special features highlight history places and events An extensive index references both text and photos and chapters are color coded for easy reference to maps Illustrated throughout with stunning color photography The Edinburgh Visitor Guide is the ultimate companion for tourists day trippers and residents
