Post-Millennial Indian Speculative Fiction in English E. Dawson Varughese,2025-03-20 Exploring expressions of Indianness buried within and scattered across post millennial Indian speculative fiction in English this book asks questions around what it means to belong to an India of now and what it might mean to belong to multiple Indias of the near future With dystopia near future apocalyptic Indias and fantastical metropolises all imagined across this body of writing Post Millennial Indian Speculative Fiction in English traces economic social and political transformations in post 2000 New India across these various narratives Drawing on established notions of the speculative Dawson Varughese argues for a recognized post millennial canon of Indian speculative writing in English which moves beyond Western centric frames of reference centring instead on Indian sensibilities expressions of belonging to India and speculative Indian futures Organized around key tropes and characteristics of post millennial Indian speculative fiction in English to date urban infrastructures citizenship bodies and biotech future Indian histories and climate catastrophes it takes stock of a range of science fiction fantasy near future and dystopian novels and short stories and offers critical insights into the writings of Samit Basu Varun Thomas Mathew Gautam Bhatia Rimi B Chatterjee Prayaag Akbar and Anil Menon alongside many others Post millennial Indian Speculative Fiction in English examines shifting ideas of what it means to belong to India and conceptions of India as a nation and pulls these ideas together creating a workable framework of understanding for this nascent field as we move into the third decade of the millennium *Aseneth's Transformation* Kirsten Marie Hartvigsen,2018-12-17 The story of Joseph and Aseneth is a fascinating expansion of the narrative in Genesis of Joseph in Egypt and in particular of his marriage to the daughter of an Egyptian priest This study examines the portrayal of Aseneth's transformation in the text focusing on three perspectives How did Aseneth's encounter with Joseph and her subsequent transformation affect various aspects of her identity in the narrative In what ways do the portrayals of Aseneth her transformation and her abode relate to select metaphors and other symbolic features depicted in the Septuagint the Hebrew Bible and the Pseudepigrapha And how do the ritualized components through which Aseneth's transformation occurred function in the narrative and why are they perceived as effective In order to shed light on these facets of Joseph and Aseneth the author draws on the contemporary approaches of intersectionality conceptual blending intertextual blending and the cognitive theory of rituals using these theoretical frameworks to explore and illuminate the complexity of Aseneth's transformation *The Palgrave Encyclopedia of Urban Literary Studies* Jeremy Tambling,2022-10-29 This encyclopaedia will be an indispensable resource and recourse for

all who are thinking about cities and the urban and the relation of cities to literature and to ways of writing about cities
Covering a vast terrain this work will include entries on theorists individual writers individual cities countries cities in
relation to the arts film and music urban space pre early and modern cities concepts and movements and definitions amongst
others Written by an international team of contributors this will be the first resource of its kind to pull together such a
comprehensive overview of the field *Elspeth Huxley* C.S. Nicholls,2003-07-28 A portrait of the conservationist and
chronicler of colonial Kenya describes her childhood in east Africa and wartime Britain marriage to Thomas Huxley roles as a
farmer writer and government advisor **A Place Within** M.G. Vassanji,2009-03-18 A Globe and Mail Best Book The
inimitable M G Vassanji turns his eye to India the homeland of his ancestors in this powerfully moving tale of family and
country Part travelogue part history A Place Within is M G Vassanji s intelligent and beautifully written journey to explore
where he belongs It would take many lifetimes it was said to me during my first visit to see all of India The desperation must
have shown on my face to absorb and digest all I possibly could This was not something I had articulated or resolved and yet
I recall an anxiety as I travelled the length and breadth of the country senses raw to every new experience that even in the
distraction of a blink I might miss something profoundly significant I was not born in India nor were my parents that might
explain much in my expectation of that visit Yet how many people go to the homeland of their grandparents with such a
heartload of expectation and momentousness such a desire to find themselves in everything they see Is it only India that
clings thus to those who ve forsaken it is this why Indians in a foreign land seem always so desperate to seek each other out
What was India to me **D. H. Lawrence** Peter Balbert,2019-06-30 This impressive volume is made up of eleven essays by
a distinguished group of contributors including both Lawrence specialists and well known critics who work primarily in other
areas Nine of the essays were commissioned especially for this volume and the other two were revised by their authors for
book publication Each engages in a fresh and provocative way an important aspect of Lawrence s writings The book s
organization follows the chronology of Lawrence s career and the essays cover the full range of his creative achievement
from analyses of major novels and short fiction to reassessments of his poetry and visionary thought No single ideology or
methodology dominates the volume the contributions include traditional humanistic studies and formalist readings as well as
feminist approaches and analyses that reflect current poststructuralist theory Some of the essays implicitly challenge the
validity of others and some may well cause controversy Taken together they illuminate the richness of Lawrence s writings
and the multifaceted nature of his accomplishments D H Lawrence A Centenary Consideration will be rewarding reading
both for Lawrencian specialists and for others interested in modern literature **Between Mumbai and Manila** Manfred

Book of Life Harold Bloom, 2021-12-28 America's most original and controversial literary critic writes trenchantly about forty-eight masterworks spanning the Western tradition from Don Quixote to Wuthering Heights to Invisible Man in his first book devoted exclusively to narrative fiction. In this valedictory volume Yale professor Harold Bloom, who for more than half a century was regarded as America's most daringly original and controversial literary critic, gives us his only book devoted entirely to the art of the novel. With his hallmark perspicience, remarkable scholarship, and extraordinary devotion to sublimity, Bloom offers meditations on forty-eight essential works spanning the Western canon from Don Quixote to Book of Numbers from Wuthering Heights to Absalom Absalom from Les Misérables to Blood Meridian from Vanity Fair to Invisible Man. Here are trenchant appreciations of fiction by, among many others, Austen, Balzac, Dickens, Tolstoy, James, Conrad, Lawrence, Le Guin, and Sebald. Whether you have already read these books, plan to, or simply care about the importance and power of fiction, Harold Bloom is your unparalleled guide to understanding literature with new intimacy.

The Gospel of Wealth in the American Novel (Routledge Revivals) Arun Mukherjee, 2015-08-11 Business and the businessman have had a fundamental place in American society since the inception of the nation. This tenet, the gospel of wealth, is a central concern in the novels of Theodore Dreiser and his contemporaries. First published in 1987, this study sets this group of writers in their historical context and shows how they elaborated the idea of wealth as an object of quasi-religious quest. What had previously been associated with disease and darkness—avarice and dishonour—now came to emblematised the virtues of thrift, prudence, and diligence. The underlying argument is that the dominant group of a society legitimises its power through the appropriation of the vocabulary of religion, and the American business leaders were successful in doing this both in their own practice and through the more insidious medium of art. A detailed analysis, this reissue will be of particular value to students of American literature with an interest in the relationship between linguistic symbols and social order and historical attitudes towards wealth in literature.

Literature and the Glocal City Ana María Fraile-Marcos, 2014-07-17 The modern city is a space that can simultaneously represent the principles of its homeland alongside its own unique blend of the cultures that intermingle within its city limits. This book makes an intervention in Canadian literary criticism by foregrounding both globalism, which is increasingly perceived as the state of the art literary paradigm, and the city. These are two significant axes of contemporary culture and identity that were previously disregarded by a critical tradition built around the importance of space and place in Canadian writing. Yet as relevant as the turn to the city and to globalism may be, this collection's most notable contribution lies in linking the notion of glocality—that is, the intermeshing of local and global forces—to representations of subjectivity in the material and figurative space of the Canadian city. Dealing with oppositional discourses as multiculturalism, postcolonialism, feminism, diaspora, and environmentalism, this book is an essential reference for any scholar with an interest in these areas.

Sublime Voices Christopher Bolton, 2020-03-17 Since the 1950s, A. B. K. has achieved an international reputation for his surreal or grotesque brand of avant-garde literature. From his early forays into science fiction

to his more mature psychological novels and films and finally the complicated experimental works produced near the end of his career Abe weaves together a range of voices the styles of science and the language of literary forms In Abe s oeuvre this stylistic interplay links questions of language and subjectivity with issues of national identity and technological development in a way that ultimately aspires to become the catalyst for an artistic revolution While recognizing the disruptions such a revolution might entail Abe s texts embrace these disjunctions as a way of realizing radical new possibilities beyond everyday experience and everyday values By arguing that the crisis of identity and postwar anomie in Abe s works is inseparable from the need to marshal these different scientific and literary voices Christopher Bolton explores how this reconciliation of ideas and dialects is for Abe part of the process whereby texts and individuals form themselves a search for identity that must take place at the level of the self and society at large

Do Metaphors Dream of Literal Sleep? Seo-Young Chu,2011-01-15 In culture and scholarship science fictional worlds are perceived as unrealistic and altogether imaginary Seo Young Chu offers a bold challenge to this perception of the genre arguing instead that science fiction is a form of high intensity realism capable of representing non imaginary objects that elude more traditional realist modes of representation Powered by lyric forces that allow it to transcend the dichotomy between the literal and the figurative science fiction has the capacity to accommodate objects of representation that are themselves neither entirely figurative nor entirely literal in nature Chu explores the globalized world cyberspace war trauma the Korean concept of han and the rights of robots all as referents for which she locates science fictional representations in poems novels music films visual pieces and other works ranging within and without previous demarcations of the science fiction genre In showing the divide between realism and science fiction to be illusory *Do Metaphors Dream of Literal Sleep* sheds new light on the value of science fiction as an aesthetic and philosophical resource one that matters more and more as our everyday realities grow increasingly resistant to straightforward representation

Science Fiction in India ,2022-05-30 Nominated 2023 Teaching Literature Book Award Indian Science Fiction has evolved over the years and can be seen making a mark for itself on the global scene Dalit speculative fiction writer and editor Mimi Mondal is the first SF writer from India to have been nominated for the prestigious Hugo award In fact Indian SF addresses themes such as global climate change Debates around G C C are not just limited to science fiction but also permeate in critical discussions on SF This volume seeks to examine the different ways by which Indian SF narratives construct possible national futures For this looking forward necessarily germinates from the current positional concerns of the nation While some work has been done on Indian SF there is still a perceptible lack of an academic rigor invested into the genre primarily perhaps because of not only its relative unpopularity in India but also its employment of futuristic sights Towards the same among other things it proposes to study the growth and evolution of science fiction in India as a literary genre which accommodates the duality of the national consciousness as it simultaneously gazes ahead towards the future and glances back at the past In other words the book will explore how the tensions generated by the

seemingly conflicting forces of tradition and modernity within the Indian historical landscape are realized through characteristic tropes of SF storytelling It also intends to look at the interplay between the spatio temporal coordinates of the nation and the SF narratives produced within to see firstly how one bears upon the other and secondly how processes of governance find relational structures with such narratives Through these the volume wishes to interrogate how postcolonial futures promise to articulate a more representative and nuanced picture of a contemporary reality that is rooted in a distinct cultural and colonial past

Mapping Modernity in Shanghai Samuel Y. Liang, 2010-07-12 This book argues that modernity first arrived in late nineteenth century Shanghai via a new spatial configuration This city's colonial capitalist development ruptured the traditional configuration of self contained households towns and natural landscapes in a continuous spread producing a new set of fragmented as well as fluid spaces In this process Chinese sojourners actively appropriated new concepts and technology rather than passively responding to Western influences Liang maps the spatial and material existence of these transient people and reconstructs a cultural geography that spreads from the interior to the neighbourhood and public spaces In this book the author discusses the courtesan house as a surrogate home and analyzes its business gender and material configurations examines a new type of residential neighbourhood and shows how its innovative spatial arrangements transformed the traditional social order and hierarchy surveys a range of public spaces and highlights the mythic perceptions of industrial marvels the adaptations of colonial spatial types the emergence of an urban public and the spatial fluidity between elites and masses Through reading contemporaneous literary and visual sources the book charts a hybrid modern development that stands in contrast to the positivist conception of modern progress As such it will be a provocative read for scholars of Chinese cultural and architectural history

Indian Popular Fiction Prem Kumari Srivastava, Mona Sinha, 2021-11-24 The scholarly essays in this book open up experimental and novel spaces and genres beyond the traditional and the literary world of Indian Popular Fiction as it existed towards the end of the last millennium They respond to the possibilities opened up by the technology driven and internet savvy reading and writing world of today Contemporaneous and bold most of the essays resonate with the racy and fast paced milieu and social media space inhabited by today's youth Combative in its drift this book makes possible an attempt to disband hierarchies and dismantle categories that have engulfed the expansive landscape of Indian Popular Fiction for too long It facilitates discussion on graphic novels microfiction popular entertainment and political satire on television and celluloid social media driven romances existing in the domain of the real rather than that of fantasy and mythological readings against the backdrop of gender and politics Aimed at facilitating further research by scholars and enthusiasts of Indian Popular Fiction this book is also an ode to the current trends generated by social and internet media cosmos This book is co published with Aakar Books New Delhi Taylor Francis does not sell or distribute the print versions of this book in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

Shanghai Love Catherine Vance Yeh, 2006 In this fascinating book Catherine Yeh explores the Shanghai entertainment

world at the close of the Qing dynasty Established in the 1850s outside of the old walled city the Shanghai Foreign Settlements were administered by Westerners and so were not subject to the strict authority of the Chinese government At the center of the dynamic new culture that emerged was the courtesan whose flamboyant public lifestyle and conspicuous consumption of modern goods set a style that was emulated by other women as they emerged from the inner quarters of traditional Chinese society Many Chinese visitors and sojourners were drawn to the Foreign Settlements Men of letters seeking a living outside of the government bureaucracy found work in the Settlements burgeoning print industry and formed the new class of urban intellectuals Courtesans fled from oppressive treatment and the turmoil of uprisings elsewhere in China and found unprecedented freedom in Shanghai to redefine themselves and their profession As the entertainment industry developed publications sprang up to report on and promote it Journalists and courtesans found that their interests increasingly coincided and the Settlements became a cosmopolitan playground Ritualized role play based on novels such as Dream of the Red Chamber elevated the status of courtesan entertainment and led to culturally rich interactions between courtesans and their clients As participants acted out the stories in public they introduced modern notions of love and romance that were radically at odds with the traditional roles of men and women Yet because social change arrived in the form of entertainment it met with little resistance Yeh shows how this fortuitous combination of people and circumstances rather than official decisions or acts created the first multicultural modern city in China With illustrations from newspapers novels travel guides and postcards as well as contemporary written descriptions of life in foreign driven fast paced cutting edge Shanghai this study traces the mutual influences among courtesans intellectuals and the city itself in creating a modern market oriented leisure culture in China Historians literary specialists art critics and social scientists will welcome this captivating foray into the world of late nineteenth century popular culture

Contextualizing Urban Narratives through the Socio-Spatial Dialectic Ankur Konar, 2024-03-26 This book examines how urban narratives explore the complexities of city life including the diversity of its inhabitants the challenges of urbanization and the impact of social and economic disparities They may delve into such topics as crime poverty gentrification and the struggle for identity and belonging in different bustling metropolis settings like Delhi Mumbai Kolkata Benaras Edinburgh and Glasgow This monograph provides a lens through which authors and storytellers examine and reflect upon the complexities challenges and opportunities of urban life It seeks to reiterate how the discourse of urban narratives refers to the specific language themes and ideas that are commonly found in stories set in urban environments and encompasses the ways in which urban spaces are portrayed the issues and conflicts that arise within these settings and the social cultural and political commentary that is often embedded in these narratives
