Catherine Krull

Without Fidel A Death Foretold In Miami Havana And Washington:

Without Fidel Ann Louise Bardach, 2009-10-06 From the award winning reporter and go to source on Cuban Miami politics Ann Louise Bardach comes a riveting eye opening account of the last chapter in the life of Fidel Castro his near death and marathon finale his enemies and their fifty year failed battle to eliminate him and the carefully planned succession and early reign of his brother Raul Ann Louise Bardach offers a spellbinding chronicle of the Havana Washington political showdown drawing on nearly two decades of reporting and countless interviews with everyone from the Comandante himself his co ruler and brother Raul and other family members to ordinary Cubans as well as officials and politicians in Miami Havana and Washington The result is an unforgettable dual portrait of Fidel and Raul Castro arguably the most successful and enduring political brother team in history Since 1959 Fidel Castro has been the supreme leader of Cuba deftly checkmating his foes both from within and abroad confronting eleven American presidents and outfoxing dozens of assassination attempts vanquished only by collapsing health As night descends on Castro's extraordinary fifty year reign Miami Havana and Washington are abuzz with anxious questions What led to the lightning bolt purge of key Cuban officials in March 2009 Who will be Raul's heir Will the US embargo end now Bardach offers profound and surprising answers to these questions as she meticulously chronicles Castro's protracted farewell and assesses his transformative impact on the world stage and the complex legacy that will long outlive him She reports from three distinct vantage points In Miami where more than one million Cubans have fled she interviews scores of exiles including Castro's would be assassins Orlando Bosch and Luis Posada Carriles in Washington DC she reports on the Obama administration's struggle to formulate a post Castro strategy in Havana she permeates the bubble around the fiercely private and officially retired Castro to ascertain the extent of his undisclosed medical condition Bardach delivers a compelling meditation on one of the most controversial combative and charismatic rulers in history Without Fidel includes never before published reporting on Castro his family and his half century grip on the largest country in the Caribbean while assessing how his departure will forever transform politics and policy in the Western Hemisphere and the world

The History of Cuba Clifford L. Staten, 2015-03-24 A thorough examination of the history of Cuba focusing primarily on the period from the revolution in 1959 to the present day This historical overview connects significant events from Cuba's past with the country's current social and political changes Author Clifford L Staten reviews the changing landscape of Cuba and explores subjects such as the relationship between the domestic and international political economy of Cuba the successes and failures of Castro's revolution the importance of the US role in Cuban politics and commerce and the problems associated with an agricultural fiscal structure based upon sugar The revised edition includes additional biographies of key figures from recent history and an expanded bibliography of notable resources Updated content features a look at censorship issues with the rise of the Internet and social media in Cuba and the transfer of power to Raul Castro in 2006 Other topics include Spanish colonialism the struggle for independence

Castro's revolution the Cold War and the impact of globalization *Cuba* Ted A. Henken, Miriam Celaya, Dimas Castellanos, 2013-10-29 Written by some of the best known independent scholars citizen journalists cyber activists and bloggers living in Cuba today this book presents a critical complete and unbiased overview of contemporary Cuba In this era of ever increasing globalization and communication across national borders Cuba remains an isolated island oddly out of step with the rest of the world And yet Cuba is beginning to evolve via the important if still insufficient changes instituted by Raul Castro who became president in 2008 This book supplies a uniquely independent accurate and critical perspective in order to evaluate these changes in the context of the island's rich and complex history and culture Organized into seven topical chapters that address geography history politics and government economics society culture and contemporary issues readers will gain a broad insightful understanding of one of the most unusual fascinating and often misunderstood nations in the Western Hemisphere *Populista* Will Grant, 2021-01-07 An ambitious riveting and essential book that has much to teach us about the recent history of this region and about the human impulse towards populism that continues to shape the world Ben Rhodes bestselling author of *The World As It Is* A REVOLUTION IS A STRUGGLE TO THE DEATH BETWEEN THE FUTURE AND THE PAST FIDEL CASTRO For more than six decades Fidel Castro's words have echoed through the politics of Latin America His towering political influence still looms over the region today The swing to the Left in Latin America known as the Pink Tide was the most important political movement in the Western Hemisphere in the 21st century It involved some of the biggest most colourful and most controversial characters in Latin America for decades leaders who would leave an indelible mark on their nations and who were adored and reviled in equal measure Parties became secondary to individual leaders and populism reigned from Venezuela to Brazil from Central America to the Caribbean financed by a spike in commodity prices and the oil backed largesse of Venezuela's charismatic socialist president Hugo Chavez Yet within a decade and a half it was all over Today this wave of populism has left the Americas in the hands of some of the most authoritarian and dangerous leaders since the military dictatorships of the 1970s *Women and the Cuban Insurrection* Lorraine Bayard de Volo, 2018-02-01 Using gender analysis and focusing on previously unexamined testimonies of women rebels political scientist Lorraine Bayard de Volo shatters the prevailing masculine narrative of the Cuban Revolution Contrary to the Cuban War story's mythology of an insurrection single handedly won by bearded guerrillas Bayard de Volo shows that revolutions are not won and lost only by bullets and battlefield heroics Focusing on women's multiple forms of participation in the insurrection especially those that occurred off the battlefield such as smuggling messages hiding weapons and distributing propaganda Bayard de Volo explores how gender both masculinity and femininity were deployed as tactics in the important though largely unexamined battle for the hearts and minds of the Cuban people Drawing on extensive rarely examined archives including interviews and oral histories this author offers an entirely new interpretation of one of the Cold War's most significant events **Encyclopedia of U.S. Military Interventions in Latin America** Alan McPherson, 2013-07-08

This unique reference shows how the United States has intervened militarily politically and economically in Central America South America and the Caribbean from the early 19th century to the present day What do baseball American war crimes and a slice of watermelon have in common in the annals of Latin American history Believe it or not this disparate grouping reflects the cultural and historical remnants of America s military and political involvement in the region As early as 1811 the United States began intervening in the affairs of Central America South America and the Caribbean and it hasn t stopped since This compelling reference analyzes both the major interventions and minor conflicts stemming from our nation s military operations in these areas and examines the people places legislation and strategies that contributed to these events In addition to documented facts and figures the alphabetically organized entries in Encyclopedia of U S Military Interventions in Latin America present fascinating anecdotes on the subject including why the United States once invaded Panama over a slice of watermelon how an intervention in Nicaragua landed our country on trial for war crimes and how the popularity of baseball in Latin America is a direct result of American influence Primary source documents and visual aids accompany the content

Cuba in a Global Context Catherine Krull,2014-01-20 Cuba in a Global Context examines the unlikely prominence of the island nation s geopolitical role The contributors to this volume explore the myriad ways in which Cuba has not only maintained but often increased its reach and influence in Latin America Europe Africa and Asia From the beginning the Castro regime established a foreign policy that would legitimize the revolutionary government if not in the eyes of the United States at least in the eyes of other global actors The essays in this volume shed new light on Cuban diplomacy with communist China as well as with Western governments such as Great Britain and Canada In recent years Cubans have improved their lives in the face of the ongoing U S embargo The promotion of increased economic and political cooperation between Cuba and Venezuela served as a catalyst for the Petrocaribe group Links established with countries in the Caribbean and Central America have increased tourism medical diplomacy and food sovereignty across the region Cuban transnationalism has also succeeded in creating people to people contacts involving those who have remained on the island and members of the Cuban diaspora While the specifics of Cuba s international relations are likely to change as new leaders take over the role of Cubans working to assert their sovereignty has undoubtedly impacted every corner of the globe

Patriots and Traitors in Revolutionary Cuba, 1961-1981 Lillian Guerra,2023-01-17 Authorities in postrevolutionary Cuba worked to establish a binary society in which citizens were either patriots or traitors This all or nothing approach reflected in the familiar slogan patria o muerte fatherland or death has recently been challenged in protests that have adopted the theme song patria y vida fatherland and life a collaboration by exiles that predictably has been banned in Cuba itself Lillian Guerra excavates the rise of a Soviet advised Communist culture controlled by state institutions and the creation of a multidimensional system of state security whose functions embedded themselves into daily activities and individual consciousness and reinforced these binaries But despite public performance of patriotism the life experience of many Cubans

was somewhere in between Guerra explores these in between spaces and looks at Cuban citizens complicity with authoritarianism leaders exploitation of an earnest anti imperialist nationalism and the duality of an existence that contains elements of both support and betrayal of a nation and of an ideology **Cuba Libre** Philip Brenner, Peter Eisner, 2017-08-31 This timely book provides a balanced and deeply knowledgeable introduction to Cuba since Christopher Columbus's first arrival in 1492 With decades of experience studying and reporting on the island Philip Brenner and Peter Eisner provide an incisive overview for all readers seeking to go beyond stereotypes in their exploration of Cuba's politics economy and culture As Cuba and the United States open their doors to each other Cuba Libre gives travelers policy makers businesspeople students and those with an interest in world affairs an opportunity to understand Cuba from a Cuban perspective to appreciate how Cubans quest for independence and sovereignty animates their spirit and shapes their worldview and even their identity In a world ever more closely linked Cuba Libre provides a compelling model for US citizens and policy makers to empathize with viewpoints far from their own experiences **The Guerrilla Legacy of the Cuban Revolution** Anna Clayfield, 2019-05-16 This book examines the way in which the guerrilla origins of the Cuban Revolution have shaped the beliefs and values that have underpinned it since 1959 The book proposes that it is this guerrilla discourse which holds the key to understanding not only the survival of the Revolution itself but the longevity of its leadership **Harmony and Normalization** Timothy P. Storhoff, 2020-10-21 Harmony and Normalization US Cuban Musical Diplomacy explores the channels of musical exchange between Cuba and the United States during the eight year presidency of Barack Obama who eased the musical embargo of the island and restored relations with Cuba Musical exchanges during this period act as a lens through which to view not only US Cuban musical relations but also the larger political economic and cultural implications of musical dialogue between these two nations Policy shifts in the wake of Raul Castro assuming the Cuban presidency and the election of President Obama allowed performers to traverse the Florida Straits more easily than in the recent past and encouraged them to act as musical ambassadors Their performances served as a testing ground for political change that anticipated normalized relations While government actors debated these changes music forged connections between individuals on both sides of the Florida Straits In this first book on the subject since Obama's presidency musicologist Timothy P Storhoff describes how after specific policy changes musicians were some of the first to take advantage of new opportunities for travel push the boundaries of new regulations and expose both the possibilities and limitations of licensing musical exchange Through the analysis of both official and unofficial musical diplomacy efforts including the Havana Jazz Festival the National Symphony Orchestra of Cuba's first US tour the Minnesota Orchestra's trip to Havana and the author's own experiences in Cuba this ethnography demonstrates how performances reflect aspirations for stronger transnational ties and a common desire to restore the once thriving US Cuban musical relationship Raul Castro and the New Cuba Harlan Abrahams, Arturo Lopez-Levy, 2011-10-10 In 2006 Fidel Castro yielded power over Cuba to his younger brother Raul making

him the first new president of the island nation in nearly five decades Raul has ushered in many changes and reforms including allowing open criticism of the government lifting the ban on personal electronics and allowing farmers to purchase their own equipment This timely work weaves together expert analysis with narrative accounts from current Cuban citizens to explore the economic political legal and social changes occurring in Cuba under Raul Castro's presidency Instructors considering this book for use in a course may request an examination copy here *Bobby Kennedy* Larry Tye, 2017-05-09 A multilayered inspiring portrait of RFK the most in depth look at an extraordinary figure whose transformational story shaped America Joe Scarborough The Washington Post NEW YORK TIMES BESTSELLER Soon to be a Hulu original series starring Chris Pine Larry Tye appears on CNN's American Dynasties The Kennedys We are in Larry Tye's debt for bringing back to life the young presidential candidate who almost half a century ago instilled hope for the future in angry fearful Americans David Nasaw The New York Times Book Review Bare knuckle operative cynical White House insider romantic visionary Robert F Kennedy was all of these things at one time or another and each of these aspects of his personality emerges in the pages of this powerful and perceptive biography History remembers RFK as a racial healer a tribune for the poor and the last progressive knight of a bygone era of American politics But Kennedy's enshrinement in the liberal pantheon was actually the final stage of a journey that began with his service as counsel to the red baiting senator Joseph McCarthy In *Bobby Kennedy* Larry Tye peels away layers of myth and misconception to capture the full arc of his subject's life Tye draws on unpublished memoirs unreleased government files and fifty eight boxes of papers that had been under lock and key for forty years He conducted hundreds of interviews with RFK intimates many of whom have never spoken publicly including Bobby's widow Ethel and his sister Jean Tye's determination to sift through the tangle of often contradictory opinions means that Bobby Kennedy will stand as the definitive biography about the most complex and controversial member of the Kennedy family Praise for Bobby Kennedy A compelling story of how idealism can be cultivated and liberalism learned Tye does an exemplary job of capturing not just the chronology of Bobby's life but also the sense of him as a person Los Angeles Review of Books Captures RFK's rise and fall with straightforward prose bolstered by impressive research USA Today Tye has a keen gift for narrative storytelling and an ability to depict his subject with almost novelistic emotional detail Michiko Kakutani The New York Times Nuanced and thorough RFK's vision echoes through the decades The Economist *Cuba for the Misinformed* Mick Winter, 2013-03-08 A lively survey of Cuba's past and present and a must have companion to any Cuba travel guide Cuba has the same effect on American administrations that the full moon has on werewolves Wayne Smith former head of US Interests Section in Havana *Cuba for the Misinformed* is extraordinarily educational and enlightening Midwest Book Review For more than 50 years the US government and mass media have misrepresented hidden or ignored the truth about Cuba In *Cuba for the Misinformed* Mick Winter brings together a fascinating array of facts and anecdotes about Cuba's history its government its people and the actions that the United States has taken against the well being of those people Citizens of

other countries do know many of these facts That is why every year at the United Nations almost every country on the planet the 2012 vote was 188 3 demands that the United States end its embargo of Cuba As you read this book you will recognize that for more than fifty years something very interesting has been happening just ninety miles offshore from the United States You may not agree with everything or even anything that has happened since the Cuban revolution but you will likely admit that this small island country of eleven million people has had a global effect that reaches far beyond its size This book presents information that is little known particularly to most Americans about Cuba and its relationship with the United States It offers this information clearly succinctly and in a style that s enjoyable to read and backs it up with helpful footnotes and links to resources Whether you re a student educator or journalist planning a trip to Cuba this book is an essential companion to your Cuba tour book anticipating future business dealings or simply want to know more you ll find Cuba for the Misinformeda treasure of interesting and often fascinating information facts and anecdotes about Cuba and its people

Why Cuba Matters Néstor T. Carbonell, 2020-02-25 As an eyewitness to Fidel Castro s rise to power in Cuba and other key episodes N stor T Carbonell sheds new light on how the ruler and his allies deceived and subjugated the Cuban people and defied twelve U S presidents Just as important if not more so he reveals how the regime continues to pose a serious threat to the United States in collusion with Russia China and Venezuela The author draws on declassified documents and reliable unpublished testimonies as well as personal experiences to delve into the Communist takeover of Cuba which he denounced while on the island He ponders the causes and consequences of the botched Bay of Pigs operation which he joined as a refugee From the battle to expel the Castro regime from the Organization of American States which Carbonell helped achieve to the Congressional Joint Resolution on Cuba which he tenaciously pursued from the looming Missile Crisis which the author persistently flagged to the myriad subversive activities he warned against and condemned N stor T Carbonell debunks the myths and fallacies surrounding the longest running subversive tyranny in modern times Join the author as he shares a critical analysis of the Castro Communist regime and explores the challenges and opportunities that will likely arise when freedom finally dawns in Cuba

The New Latino Studies Reader Ramon A. Gutierrez, Tomas Almaguer, 2016-08-23 The New Latino Studies Reader is designed as a contemporary updated multifaceted collection of writings that bring to force the exciting necessary scholarship of the last decades Its aim is to introduce a new generation of students to a wide ranging set of essays that helps them gain a truer understanding of what it s like to be a Latino in the United States With the reader students explore the sociohistorical formation of Latinos as a distinct panethnic group in the United States delving into issues of class formation social stratification racial gender and sexual identities and politics and cultural production And while other readers now in print may discuss Mexican Americans Puerto Ricans Cubans and Central Americans as distinct groups with unique experiences this text explores both the commonalities and the differences that structure the experiences of Latino Americans Timely thorough and thought provoking The New Latino Studies Reader provides a genuine view of the Latino

experience as a whole Visions of Power in Cuba Lillian Guerra,2012-10-15 In the tumultuous first decade of the Cuban Revolution Fidel Castro and other leaders saturated the media with altruistic images of themselves in a campaign to win the hearts of Cuba's six million citizens In Visions of Power in Cuba Lillian Guerra argues that these visual representations explained rapidly occurring events and encouraged radical change and mutual self sacrifice Mass rallies and labor mobilizations of unprecedented scale produced tangible evidence of what Fidel Castro called unanimous support for a revolution whose moral power defied U S control Yet participation in state orchestrated spectacles quickly became a requirement for political inclusion in a new Cuba that policed most forms of dissent Devoted revolutionaries who resisted disastrous economic policies exposed post 1959 racism and challenged gender norms set by Cuba's one party state increasingly found themselves marginalized silenced or jailed Using previously unexplored sources Guerra focuses on the lived experiences of citizens including peasants intellectuals former prostitutes black activists and filmmakers as they struggled to author their own scripts of revolution by resisting repression defying state imposed boundaries and working for anti imperial redemption in a truly free Cuba **Listen, Yankee!** Tom Hayden,2015-04-14 Based on unprecedented access to both Cuban and American officials a book that offers fresh insight into one of history's most enigmatic relationships between nation states from one of America's best known voices of political and social activism Listen Yankee offers an account of Cuban politics from Tom Hayden's unique position as an observer of Cuba and as a US revolutionary student leader whose efforts to mobilize political change in the US mirrored the radical transformation simultaneously going on in Cuba Chapters are devoted to the writings of Che Guevara Rgis Debray and C Wright Mills the Cuban missile crisis the Weather Underground the assassination of JFK the strong historical links between Cuba and Africa the Carter era the Clinton era the Cuban Five Eli n Gonz lez and the December 17 2014 declaration of normalization by presidents Obama and Castro Hayden puts the present moment into historical context and shows how we're finally finding common ground to the advantage of Cubans and Americans alike The Illusion of Democracy Phil Mennitti,2015-02-02 This is the second story in a non partisan series detailing how the elite have impoverished America's Middle Class In this timely and revealing book the author explains what has happened in simple easy to understand terms that are brief and to the point The crippling and devastating consequences to liberty have not gone unnoticed The author bears witness to history and the treacherous crimes which have overthrown the Republic Referred to as the history of the Deep State The Illusion of Democracy is a more accurate historical accounting of the United States since the coup of 1963 when President Kennedy was executed in Dealey Plaza by the Operation 40 assassination squad This sequel focuses on the big picture It explains Hegelian Dialectic Principles of how our puppet masters create conflict to increase their wealth and power The book connects the dots of all major false flag events to prove this massive deception was intentionally engineered and that we the people have been subjugated through indentured servitude into a feudal system controlled by wealthy oligarchs This book was written at a high school

level with those students in mind It is perfect for high school classes college courses or the average reader at home who is curious about what went wrong over the past generation which killed the American Dream *Learning to Salsa* Vicki Huddleston, Carlos Pascual, 2010-08-01 Today the United States has little leverage to promote change in Cuba Indeed Cuba enjoys normal relations with virtually every country in the world and American attempts to isolate the Cuban government have served only to elevate its symbolic predicament as an underdog in the international arena A new policy of engagement toward Cuba is long overdue From the Introduction As longtime U S diplomats Vicki Huddleston and Carlos Pascual make painfully clear in their introduction the United States is long overdue in rethinking its policy toward Cuba This is a propitious time for such an undertaking the combination of change within Cuba and in the Cuban American community creates the most significant opening for a reassessment of U S policy since Fidel Castro took control in 1959 To that end Huddleston and Pascual convened opinion leaders in the Cuban American community leading scholars and international diplomats from diverse backgrounds and political orientations to seek common ground on U S policy toward Cuba This pithy yet authoritative analysis is the result In the quest for ideas that would support the emergence of a peaceful prosperous and democratic Cuba one in which the Cuban people shape their political and economic future the authors conducted a series of simulations to identify the critical factors that the U S government should consider as it reformulates its Cuba policies The advisers wide ranging expertise was applied to a series of hypothetical scenarios in which participants tested how different U S policy responses would affect a political transition in Cuba By modeling and analyzing the decisionmaking processes of the various strategic actors and stakeholders the simulations identified factors that might influence the success or failure of specific policy options They then projected how key actors such as the Cuban hierarchy civil society and the international and Cuban American communities
