The Necessity of Witness Ariaan Baan,2015-08-17 The role of witness is a recurring theme in the work of Stanley Hauerwas it is through enacting the truth in a world of lies through seeking peace in a world of violence that witnesses show who God is who we are and what the world is like The Necessity of Witness is a study of Hauerwas and his fascinating but complex understanding of witness Ariaan W Baan argues that Hauerwas s approach makes a significant contribution to current debates in systematic theology on the relation between truth and life Reading Hauerwas can be a precarious adventure His rhetoric is overwhelming but his argument is not always crystal clear and carefully formulated With the help of semiotic and philosophical analysis and biblical exegesis Baan articulates Hauerwas s intuitions fills some of the gaps in his argumentation and discloses hidden biases The results of this analysis sometimes surprise Baan notes that unexpected pericopes in Scripture such as Isaiah and Revelation support Hauerwas s account of witness and concludes that his work offers insight into how in our late modern society such diverse groups as martyrs and pop stars offer implicit witness through their lives *From Seed to Fruit (Revised and Enlarged Second Edition)* J. Dudley Woodberry,2008-06-01 The revised and enlarged second edition of J Dudley Woodberry s From Seed to Fruit expands on the next stage of the ongoing collaborative research and reflections of many people from many organizations desiring to bless Muslims Seven additional chapters survey major trends in global Islam today and explore themes that prove to have considerable influence on fruitfulness including a new chapter on building Christlike relationships with Muslims The Global Trends Research Group has continued to update the demographic materials on Muslim people groups their access to Christian witness and when and how Christian groups covenant to provide meaningful access From Seed to Fruit presents the most recent worldwide research on witness to Christ among Muslim peoples using biblical images from nature to show the interaction between God s activity and human responsibility in blessing these peoples Pro Rege Abraham Kuyper,2016-07-13 Abraham Kuyper wrote Pro Rege to bridge the divide between believers lives inside and outside the church He believed that a healthy view of Jesus kingship was essential to closing that gap In this first volume Kuyper

discusses how Satan's kingdom opposes, undermines, and obscures Christ's kingship. He then lays out the kingship of Christ according to Scripture. From his vantage point at the dawn of the 20th century, Kuyper explains the scope of Christ's dominion over all of life in his own culture yet does so in a way that also strikingly impacts the 21st century reader. This new translation of *Pro Rege* created in partnership with the Abraham Kuyper Translation Society and the Acton Institute is part of a major series of new translations of Kuyper's most important writings. The Abraham Kuyper Collected Works in Public Theology marks a historic moment in Kuyper studies aimed at deepening and enriching the church's development of public theology.
