Witness To Hope The Biography Of Pope John Paul II:

Witness to Hope George Weigel, 2009-10-13 This definitive biography of Pope John Paul II explores his historic influence on the world stage Magnificent A tremendous achievement Washington Post As head of the Catholic Church from 1978 until his death in 2005 John Paul II was one of the world's most transformational figures With unprecedented cooperation from the Pope as well as the people who knew and worked with him throughout his life George Weigel offers a groundbreaking portrait of him as a man a thinker and a leader whose religious convictions defined a new approach to world politics and changed the course of history The Pope played a crucial yet underexplored role in some of the most momentous events of his time including the collapse of European communism the quest for peace in the Middle East and the democratic transformation of Latin America With an updated preface this edition of *Witness to Hope* explains how this man from a far country did all of that and much more and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world

Witness to Hope George Weigel, 2005 [The End and the Beginning](#) George Weigel, 2010-09-14 As March gave way to April in the spring of 2005 and the world kept vigil outside the apostolic palace in Rome the pontificate of Pope John Paul II then drawing to a poignant end was already being described as one of the most consequential in two millennia of Christian history With these words world renowned author and NBC Vatican analyst George Weigel begins his long awaited sequel to the international bestseller *Witness to Hope The Biography of Pope John Paul II* More than ten years in the making *The End and the Beginning Pope John Paul II The Victory of Freedom the Last Years the Legacy* tells the dramatic story of the Pope's battle with communism in light of new and recently disclosed information and brings to a close Weigel's landmark portrait of a man who not only left an indelible mark on the Catholic Church but also changed the course of world history When he was elected pope in the fall of 1978 few people had ever heard of the charismatic Karol Wojtyła But in a very short time he would ignite a revolution of conscience in his native Poland that would ultimately lead to the collapse of European communism and death of the Soviet Union What even fewer people knew was that the KGB the Polish Secret Police and the East German Stasi had been waging a dangerous decades long war against Wojtyła and the Vatican itself Weigel with unprecedented access to many Soviet era documents chronicles John Paul's struggle against the dark forces of communism Moreover Weigel recounts the tumultuous last years of John Paul's life as he dealt with a crippling illness as well as the new world disorder and revelations about corruption within the Catholic Church Weigel's thought provoking biography of John Paul II concludes with a probing and passionate assessment of a man who lived his life as a witness to hope in service to the Christian ideals he embraced

Witness to Hope George Weigel, 1999 The Definitive Biography of Pope John Paul II *Witness to Hope* is the authoritative biography of one of the singular figures some might argue the singular figure of our time With unprecedented cooperation from John Paul II and the people who knew and worked with him throughout his life George Weigel offers a groundbreaking portrait of the Pope as a man a thinker and a

leader whose religious convictions defined a new approach to world politics and changed the course of history As even his critics concede John Paul II occupied a unique place on the world stage and put down intellectual markers that no one could ignore or avoid as humanity entered a new millennium fraught with possibility and danger The Pope was a man of prodigious energy who played a crucial yet insufficiently explored role in some of the most momentous events of our time including the collapse of European communism the quest for peace in the Middle East and the democratic transformation of Latin America This updated edition of Witness to Hope explains how this man from a far country did all of that and much more and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world

Lessons in Hope George Weigel, 2017-09-19 From a preeminent authority on the Catholic Church and papal biographer an intimate understanding of John Paul II Weekly Standard In Lessons in Hope George Weigel tells the story of his unique friendship with St John Paul II As Weigel learns the pope from inside he also offers a firsthand account of the tumult of post Vatican II Catholicism and the Cold War s endgame introducing readers to the heroes who brought down European communism Later he shows us the aging pope grappling with the post 9 11 world order and teaching new lessons in dignity through his own suffering A deeply humane portrait of an eminent scholar learning a saint Lessons in Hope is essential reading for anyone seeking a fuller understanding of a world changing pope

God's Choice George Weigel, 2005-11-01 From the bestselling author of Witness to Hope comes an inside account of the election of Pope Benedict XVI and an unflinching view of the Catholic Church at the dawn of a new era After 25 years of John Paul II s guidance the Catholic Church is entering a new age with its bedrock traditions intact but pressing questions of its vitality to address in a rapidly changing world Beginning with a portrait of John Paul s last months God s Choice will then offer an account of the complex conclave process that produced Benedict XVI as the next pope Drawing on Weigel s unprecedented access during the post John Paul II intrerregnum readers will be offered an inside view of the issues and personalities that shaped the conclave s deliberations Weigel will also survey the current state of the Church around the world the remarkable vitality of Catholicism in Africa the new center of the world s Catholic population Latin America the collapse of Catholic faith and practice in much of western Europe contrasted with its strength in Poland and other parts of the post communist world the continuing struggles of Catholicism in Asia the vibrancy of some aspects of Catholic life in the United States even as the Church in America struggles to overcome its recent experience of scandal God s Choice will paint a personal portrait of the new pope and analyze the crucial issues facing world Catholicism in the first decades of the 21st century It will be a major reference point for anyone seeking to understand the Catholic future and the larger human future the Church will help to shape

City of Saints George Weigel, Carrie Gress, Stephen Weigel, 2015-10-27 Karol Wojty a Pope John Paul II was a man whose life was the expression of a richly textured and multidimensional soul The many layers of that soul took on their first mature form in Krak w George Weigel In this beautifully illustrated spiritual travelogue New York Times bestselling author George

Weigel leads readers through the historic streets of Krak w Poland introducing one of the world s great cities through the life of one of the most influential Catholic leaders of all time To follow Karol Wojty a through Krak w is to follow an itinerary of sanctity while learning the story of a city Weigel writes Thus in what follows the story of Karol Wojty a St John Paul II and the story of Krak w are interwoven in a chronological pilgrimage through the life of a saint that reveals at the same time the dramatic history and majestic culture of a city where a boy grew into a man priest a bishop and an apostle to the world With stunning photographs by Stephen Weigel and notes on the city s remarkable fabric by Carrie Gress *City of Saints* offers an in depth look at a man and a city that made an indelible impression on the life and thought of the Catholic Church and the 21st century world

Pope John Paul II Alison Behnke,2005-09-01 Presents a biography of Karol Wojtyla including his boyhood in Poland his steps to the papacy and his twenty five years as Pope John Paul II

Crossing the Threshold of Hope Pope John Paul II,2013-07-31 A great international bestseller the book in which on the eve of the millennium Pope John Paul II brings to an accessible level the profoundest theological concerns of our lives He goes to the heart of his personal beliefs and speaks with passion about the existence of God about the dignity of man about pain suffering and evil about eternal life and the meaning of salvation about hope about the relationship of Christianity to other faiths and that of Catholicism to other branches of the Christian faith With the humility and generosity of spirit for which he is known John Paul II speaks directly and forthrightly to all people His message Be not afraid

Pope John Paul II Nathan Aaseng,2006 Examines the life of Pope John Paul II

John Paul II on the Vulnerable Jeffrey Tranzillo,2013 Pope John Paul II was a great defender of truly vulnerable human beings throughout his life affirming their personhood consistently and powerfully In *John Paul II on the Vulnerable* Jeffrey Tranzillo provides a lucid introduction to John Paul II s philosophical and theological understanding of the human person Unlike other writings on the topic Tranzillo s explicit aim is to highlight an aspect of John Paul s work that has been largely neglected until now He shows convincingly that John Paul s seminal reflections on the human being as a personal agent progressed over time to include human beings at even the most vulnerable stages of development or decline With this advance in thought the pontiff began to declare eloquently that the vulnerable are capable of contributing to and enriching the human community through their activity An engaging overview of John Paul II s life thought and work introduces the book and provides readers with helpful background material It shows that John Paul s interest in and lofty regard for the human person is rooted in his strong Catholic faith and in the extraordinary life experiences that he interpreted in its light Following this is an examination of his principal works on the human person emphasizing their implications for vulnerable human beings as persons and actors Tranzillo considers this theme in the light of selected Christological texts of John Paul II and then reflects on John Paul s portrayal of the vulnerable in his social encyclicals and *Evangelium Vitae* A final chapter develops the anthropological underpinnings of John Paul s thought on the radically vulnerable and their personal agency

ABOUT THE AUTHOR Jeffrey Tranzillo received his Ph D in systematic theology from

the Catholic University of America and has taught at both the undergraduate and graduate levels PRAISE FOR THE BOOK This is a masterful work one of the very best books I have read exploring the thought of John Paul II Jeffrey Tranzillo provides a compelling and theologically rich account of John Paul II s Christian anthropology showing how it grounds his understanding of the inalienable dignity of every human being particularly the vulnerable Elements of John Paul II s papacy may fade with time but this extraordinary book keeps the pope s enduring philosophical and theological insights glowingly alive Thomas G Guarino Professor of Systematic Theology Seton Hall University **John Paul II and the Jewish People** David G. Dalin, Matthew Levering, 2008 The twentieth century will forever be marked by the horrific event of the Shoah As a young man the future John Paul II witnessed this horror during the Nazi occupation of Poland His pontificate achieved a number of groundbreaking steps in the Catholic Church s relationship with the Jewish people This book both reflects upon John Paul II s achievements and seeks to continue the theological and philosophical dialogue that he cherished By examining together the words and deeds of John Paul II eminent Jewish and Catholic scholars exemplify in this volume the dialogue that John Paul fostered Together Jews and Catholics can encourage each other in the tasks of knowing the Creator living a life worthy of the created dignity that human beings possess and defending the vulnerable among us As Dostoevsky warned before the horrors of the twentieth century without God anything is permitted Following in the footsteps of John Paul II we discover that our search for meaning and truth is one that needs to be undertaken arm in arm Contributors include Hadley Arkes David G Dalin Robert P George Matthew Levering Bruce Marshall David Novak Michael Novak Gregory Vall and George Weigel *Pope John Paul II: pocket GIANTS* Hugh Costello, 2014-02-03 The world was stunned when little known Karol Wojtyla became the first non Italian pope for 450 years As Pope John Paul II he continued to surprise directly confronting Communist regimes flying hundreds of thousands of miles to meet the faithful and building bridges with other faiths John Paul II became a b te noire in the eyes of liberals for his staunch refusal to accept contraception or the ordination of women But for others he was a Churchillian figure who took on the forces of godlessness and moral relativism He gained a stature that left secular statesmen in his shadow Love him or loathe him few could deny that he was a man of rare courage He survived two assassination attempts fought off cancer and waged a very public battle with Parkinson s disease Seven years after his death he continues to exert a hold over the Church and to inspire an almost cult like devotion *The Legacy of John Paul II* Tim Perry, 2007-10-16 The papacy of John Paul II was phenomenal and not least for the fact that many evangelicals came to honor and respect him Tim Perry calls on some of the best evangelical minds to offer their assessments of the thought of John Paul II as expressed in his major encyclicals **Saints at Heart** Bert Ghezzi, 2019-10-22 Saints at Heart presents an engaging picture of the spiritual life as shown in the experience and writings of the saints The title announces the book s double theme the lives of holy men and women who have consecrated their lives to God and to the possibility of our following them and also dedicating our hearts to God Readers will discover in this book well told and

appealing stories of women and men ordinary human beings like themselves who knew God and whose lives as a consequence radiated light love and joy Each story presents the core message of a saint s life and highlights an important spiritual path that readers will be encouraged to follow Saint Pope John Paul II: Religious Leader & Humanitarian Judy Dodge Cummings,2015-08-01 This biography examines the remarkable life of Saint Pope John Paul II using easy to read compelling text Through striking historical and contemporary images and photographs and informative sidebars readers will learn about Saint Pope John Paul II s family background childhood education inspirational work as a Roman catholic priest bishop cardinal and pope and his canonization Informative sidebars enhance and support the text Features include a table of contents timeline facts page glossary bibliography and an index Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO The Faiths of Others Thomas Albert Howard,2021-01-01 The first intellectual history of interreligious dialogue a relatively new and significant dimension of human religiosity In recent decades organizations committed to interreligious or interfaith dialogue have proliferated both in the Western and non Western worlds Why How so And what exactly is interreligious dialogue These are the touchstone questions of this book the first major history of interreligious dialogue in the modern age Thomas Albert Howard narrates and analyzes several key turning points in the history of interfaith dialogue before examining in the conclusion the contemporary landscape While many have theorized about and practiced interreligious dialogue few have attended carefully to its past connecting its emergence and spread with broader developments in modern history Interreligious dialogue grasped in light of careful critical attention to its past holds promise for helping people of diverse faith backgrounds to foster cooperation and knowledge of one another while contributing insight into contemporary global religious pluralism **The Vanishing Tradition** Paul Gottfried,2020-07-15 This anthology provides a timely critical overview of the American conservative movement The contributors take on subjects that other commentators have either not noticed or have been fearful to discuss In particular this collection of searing essays hits hard at blatant cult of celebrity and intolerance of dissent that has come to characterize the conservative movement in this country As The Vanishing Tradition shows the conservative movement has not often retrieved its wounded instead dispatching them in order to please its friendly opposition and to prove its moderateness The movement has also been open to the influence of demanding sponsors who have pushed it in sometimes bizarre directions Finally the essayists here highlight the movement s appeal to permanent values as a truly risible gesture given how arduously its celebrities have worked to catch up with the Left on social issues This no holds barred critical examination of American conservatism opens debates and seeks controversy *Papal Diplomacy from 1914 to 1989* Dennis Castillo,2019-10-17 The First World War the Second World War and the Cold War are episodes of a wider conflict called here The Seventy Five Years War dominated the twentieth century Both unresolved issues and new issues from the First World War carry over into the next conflict which in turn led immediately to the Cold War While this great conflict can

be viewed from different perspectives this book focuses on the role of the Papacy From the stateless Benedict XV s attempts to call a peace conference to the establishment of Vatican City and the restoration of sovereignty to the struggles of Pius XI and Pius XII with both Fascism and Communism and the contributions of John Paul II to the collapse of Communism the Catholic Church was a part of this struggle In addition to its humanitarian and pacifistic efforts from 1914 to 1989 the Catholic Church was also engaged in an intense ideological struggle with atheistic communism This conflict will often take priority over other ideological conflicts such as that with Fascism as well as complicate the Church s mission in other parts of the world such as Latin America and Asia
