horizons Debates considered include what constitutes knowledge in geography constructing the curriculum how do we link assessment to making progress in geography the contribution of fieldwork and outdoor experiences technology and media how we use Geographical Information how geography contributes to global learning sustainable development and geography education The comprehensive rigorous coverage of these key issues together with carefully annotated selected further reading reflective questions and a range of specific web based resources will help support shape your own research and writing Debates in Geography Education is a source of knowledge experience and debate that will be essential reading for all students studying at Masters level practising teachers who want to develop a better understanding of the issues that shape their practice and Education Studies students considering in depth subject teaching *The administration of examinations for 15-19 year olds in England* Great Britain: Parliament: House of Commons: Education Committee,2012-07-03 Additional written evidence is contained in Volume 3 available on the Committee website at [www.parliament.uk/educom](http://www.parliament.uk/educom) **WJEC GCSE Geography** Dirk Sykes,Rachel Crutcher,Stacey McCabe,2017 **Computing** P. M. Heathcote,K. R. Bond,1997 This text on computing is one of a series of study guides for A Levels and Scottish Higher Grade which are designed for use throughout the course as a supplement to studies at school or college and as revision guides for the final approach to the exams The focus is on the knowledge and techniques needed to pass with the best possible grades and there is practical guidance on studying revising course work and exam preparation Exam questions are included for each topic and a test run section incorporates a progress test and a mock exam with answers **A-level Economics** Ray Powell,1996 This revised Economics A Level study guide is intended to give students the best possible chance of success It is designed for use both throughout the course as a supplement to studies and as a revision guide for the final approach to examinations The focus of the book is on the techniques needed to pass with the best possible grades 2012 GCSE English results Great Britain: Parliament: House of Commons: Education Committee,2013-06-11 The 2012 GCSE English results prompted significant controversy which ultimately resulted in an application for judicial review This report sets out the background to these events and identifies lessons to be learned The problems with GCSE English can be traced back to the 2007 09 development phase of the qualification in particular the turbulence which resulted from the shift away from a mostly linear to a modular system combined with a high proportion of controlled assessment and generous marking tolerances Exam board experts raised concerns at the time but these were not acted upon by the regulator the then interim Ofqual Further difficulties arose because of pressures from the school accountability system The problems experienced with GCSE English in 2012 highlighted serious weaknesses in the moderation of speaking and listening with consequences for grade awarding The current status of Ofqual as an independent regulator accountable to Parliament is the right one However the Coalition Government is bringing in wholesale changes to GCSEs and A levels to a tight timetable and at the same time Ofqual must have systems in place The Committee is also concerned that there is a rush towards separate exam systems for England

Wales and Northern Ireland without careful reflection on what might be lost or consensus that this is the right thing to do
