from Peter and he wrote his first book In the last three years Peter has written eight more books and shares everything he has found from his journeys to the inner worlds Peter wrote a seven book series under the title MYSTICISM IN NEWBURYPORT with an eighth bonus companion book called MYSTIC Now you are holding his new writings in your hands Peter laughingly calls himself An Unlikely Messenger as his younger years were nothing resembling anything spiritual So here is the story of just another seeker realizing his divinity and returning to his own heart **Mystic** Peter James Ford,2023-10-19 Mysticism in Newburyport is a seven book series revealing ancient secrets from masters of all cultures along with modern day breakthroughs by scientists and quantum physicists of our times These tales began flowing after Peter s powerful spiritual awakening in Newburyport Massachusetts Newburyport is a quaint little historic seaport on the coast of Massachusetts heading toward New Hampshire Peter had been sober in the 12 step recovery program for many years and had recovered from his alcoholism Peter s love of Nature had brought him to the Newburyport area This area is rich with Nature s treasures Native American Heritage and many tales from the tall cargo ships of olden days High Street was lined with homes of these Sea Captains Peter s awakening had given him new eyes and new highly evolved senses Peter was to have powerful past life experiences with his Mystery Woman guide named Layne Layne was a mystic who would tell people things about themselves that there was no way she could know She would look you in the eyes and tell you your deepest secrets She also knew about the Earth s electromagnetic grids and helped Peter understand what he was experiencing in Newburyport Peter s new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport Market Square was one of the crossroads for these powerful electromagnet energies that give life to our planet Peter was to share the secrets that were revealed to him in his writings

Lacan and Critical Feminism Rahna McKey Carusi,2020-12-29 This book takes a critical feminist approach to Lacan s fundamental concepts merging discourse and sexuation theories in a novel way for both psychoanalysis and feminism and exploring the possibility of a feminist subject within a non masculine logic In Lacan and Critical Feminism Carusi merges Lacan s theories of discourse and sexuation not only from a gender sexuality angle but also from a literary feminist and women s studies framework By drawing examples from literature film art and socio political movements to focus on discourse and sexuation the text examines how tropes impact the subject s positionality within any discourse mode The book also uses women s collective experience and action to illustrate ways that women have repositioned dominant narratives discursively This text represents essential reading for researchers interested in the relationship between Lacan and feminist theory
