Woman To Woman Sharing Jesus With A Muslim Friend:

Woman to Woman Joy Loewen, 2010 Based on thirty years of field experience Joy Loewen shows women how to successfully and sensitively befriend and minister to Muslim women **Woman to Woman** Joy Loewen, 2010-01-01 Like many women in the Church Joy Loewen didn't fully understand Muslim women or their roles in the Muslim culture and religion In fact she was afraid of them and not particularly interested in befriending them But with prayer wisdom and a lot of love Joy overcame these obstacles found that she actually liked them and that many of these women are irresistibly attracted to the love of Jesus For the last thirty years she has used this knowledge to build authentic connections with Muslim women reaching out to them in a sensitive effective way In this practical and very personal book Joy shares not only her insights into befriending Muslim women but many helpful stories from her own experiences Her goal is to help readers move from fear to love and compassion so that they too can love as Christ does **Woman to Woman** is essential reading for Christian leaders ministries and any layperson who wants to grow in love for and understanding of Muslims **For the Love of God** Jerry M. Ireland, 2017-03-23 Compassionate missions constitutes a growing focus among evangelical denominations and agencies Because of this there exists a growing need to be guided by sound principles and best practices This edited volume sets forth both the biblical foundations and preferred methods for churches wanting to engage in compassion as part of their missionary efforts The aim throughout is that compassionate missions would be guided by indigenous principles that help establish autonomous local churches capable of being salt and light in their communities The contributors to this volume have over 200 years of missions experience Through their first hand knowledge of the challenges and pitfalls faced by missionaries engaging in compassion these authors set forth foundational principles and practical guidelines related to some of the most pressing issues confronting missionaries today These include HIV AIDS UPGs human trafficking orphans and vulnerable children gender issues and many more Pastors missionaries missions boards and educators will find this a valuable resource as the church in the twenty first century continues to engage in the Great Commission **Pilgrims of Christ on the Muslim Road** Paul-Gordon Chandler, 2008-10-03 Today's tensions between the Islamic East and Christian West run high Here Paul Gordon Chandler presents fresh thinking in the area of Christian Muslim relations showing how Christ_ whom Islam reveres as a Prophet and Christianity worships as the divine Messiah_ can close the gap between the two religions Historically Christians have taken a confrontational or missionary approach toward Islam leading many Muslims to identify Christianity with the cultural prejudices and hegemonic ambitions of Westerners On the individual level Christ followers within Islam have traditionally been encouraged by Christians to break away from their Muslim communities Chandler boldly explores how these two major religions_ which share much common heritage_ can not only co exist but also enrich each other He illustrates his perspective with examples from the life of Syrian novelist Mazhar Mallouhi widely read in the Middle East Mallouhi a self identified Sufi Muslim follower of Christ seeks to bridge the chasm of

misunderstanding between Muslims and Christians through his novels *Walking Together on the Jesus Road* Evelyn Hibbert, Richard Hibbert, 2018-08-17 Make discipling culturally relevant Christians who serve Jesus among people from a different culture than their own often struggle to find a good way to disciple people *Walking Together on the Jesus Road* addresses this need by guiding readers through three essential practices for making disciples across cultures listening to disciples to get to know them and their context focusing on relationships with Christ fellow disciples and others and enabling disciples to live out their faith in culturally relevant ways These practices are the foundation for the long term intentional process of helping disciples from other cultures become more like Jesus The book also engages with practical challenges such as enabling disciples to find and belong to a nurturing community of faith as well as contextualizing the way we teach the Bible *Toward Respectful Understanding and Witness among Muslims* Evelyne A.
