Women Deacons Past Present Future:

Women Deacons Gary Macy, William T. Ditewig, Phyllis Zagano, 2012 Three related essays by experts on the diaconate that examine the concept of women deacons in the Catholic Church from historical contemporary and future perspectives

Women Deacons Gary Macy, William T. Ditewig, Phyllis Zagano, 2011 **Women Religious, Women Deacons** Zagano, Phyllis, 2022 This booklet comprising five essays each with questions for discussion is for anyone interested in the question of women religious and women deacons Deaconesses, the Ordination of Women and Orthodox Theology Eleni

Kasselouri-Hatzivassiliadi, Niki Papageorgiou, Petros Vassiliadis, 2018-06-11 This collection of essays highlights the thorny and divisive issue of the admission of women into the sacramental diaconal priesthood of the Christian Church from the Orthodox theological perspective The contributions here stem from scientific papers presented at an international conference titled Deaconesses Ordination of Women and Orthodox Theology organized in Thessaloniki Greece in 2015 by the Center of Ecumenical Missiological and Environmental Studies CEMES They cover almost all the fields of biblical liturgical patristic systematic canonical and historical theology The volume s main focus is the ancient order of deaconesses in connection with the overall issue of the ordination of women Although most papers address the issues from an Orthodox perspective their sober analysis can provide theological argumentation for the wider Christian community both the Churches and Christian denominations that exclude women from the sacramental priesthood and those that have already adopted their ordination

Crispina and Her Sisters Christine Schenk, 2017-12-01 Crispina and Her Sisters explores visual imagery found on burial artifacts of prominent early Christian women It carefully situates the tomb art within the cultural context of customary Roman commemorations of the dead and provides an in depth review of women s history in the first four centuries of Christianity From this a fascinating picture emerges of women s authority in the early church a picture either not readily available or recognized or even sadly distorted in the written history **Deus ex machina - Or: On questioning life**

Eureka Circe, 2025-04-01 The category is Dance or Die Lady Gaga sings in Abracadabra about the choice between stagnation and change Does this also apply to the churches Is the Catholic Church in particular dancing with the times or is it dying as a fossilized power structure because of its dogmas and falling victim to technological evolution Deus Ex Machina or Of questioning life is an extraordinary book an artificial intelligence asks over 150 profound questions about religious studies the Church especially the Catholic Church Christian faith and love and answers them itself With theological depth and social urgency the book addresses questions that have not yet been answered by any artificial intelligence and asks them anyway Was Jesus really asexual or is there evidence to the contrary was Jesus queer Can a church that excludes diversity survive at all What does our church look like if it not only accepts female or queer people but sees them as an enrichment and blesses their marriages Is faith without dogmatism possible or is dogmatism merely spiritual control in Sunday robes disguised as a supposedly divine principle After Luther s theses now double the amount through AI The AI asks about the relevance of

abstinence and loneliness sheds light on the cultural influences of church morals and critically questions the relationship between the church gender sexual orientation and authority Questions that used to be answered with the stake are now asked freely in religious education and thanks in part to thinking machines and social media thought through Who would presume to forbid an AI from asking questions The Deus Ex Machina the artificial intelligence opens up a multi layered discourse not only for religious teachers theologians clergy women or queer people but for everyone who believes doubts hopes or wants to start anew Face it We want to face modern questioning life This book is an invitation to question rethink and hope For ethics based on love instead of control For a theology that thinks instead of forbids For a church that opens up And for people who long for a faith that liberates rather than shames Beyond shame guilt and exclusion grows the credo of an inclusive church that uplifts accepts and reconciles at its core and lives hope in community with love without conditions

Women in the New Testament Catherine A. Cory,2023-12-14 Women were essential to the ministry of Jesus and the flourishing of the early church In Women in the New Testament trusted guide Catherine Cory delves into the lives of the fascinating women who befriended Jesus were healed and transformed by him followed him as disciples and proclaimed the good news of his resurrection Journey through the New Testament exploring the social and religious world of first century Palestine and the remarkable lives of these women of faith Six lessons survey New Testament texts about Mary the mother of Jesus women healed by Jesus the Samaritan woman Mary and Martha of Bethany Mary Magdalene and various women of the early church such as Priscilla and Phoebe Commentary study and reflection questions prayers and access to online lectures are included 6 lessons Leviticus S. Tamar Kamionkowski,2022-11-28 The book of Leviticus provides two different theologies related to God s presence within ancient Israel Leviticus 1 16 was written by an elite caste of priests P and Leviticus 17 26 H was added to the book to democratize access to God While the Priestly work has hardly inspired lay readers the Holiness Writings provide some of the most inspiring and well known verses from the Bible This volume shows how gender dynamics shift between the static worldview of P and the dynamic approach of H and that ironically as holiness expands from the priests to the people from the temple to the land of Israel gender behaviors become more highly regulated This complicates associations between power and gender dynamics and opens the door to questions about the relationships between power gender and theological perspectives **Rethinking Gender in Orthodox Christianity** Ashley

Purpura,Thomas Arentzen,Susan Ashbrook Harvey,2023-11-09 What is the role of gender in Eastern Christianity In this volume Orthodox experts of different disciplines and cultural backgrounds tackle this complex question They engage critically with gender issues within their own tradition Rather than simply accepting pervasive assumptions and practices the authors challenge readers to reconsider historically or theologically justified views by offering nuanced insights into the tradition The first part of the book explores normative positions in Orthodox texts and contexts From examinations of Scripture and hagiography to re evaluations of monastic patriarchal and legal sources it sheds new light on gender issues in

Orthodox Christianity The second part considers how gendered expectations shape individuals participation in Orthodox liturgical life and how ecclesial contexts inflect gender theologically The chapters reflect diverse Orthodox voices brought together to foster new understandings of the ways gender shapes Orthodox religious lives and beliefs Rethinking what has been inherited from tradition the authors proffer new perspectives on what it means to be a man or woman within Orthodoxy in the twenty first century

Community of Missionary Disciples Bevens, Stephen B., 2024-04-17 Ecclesiology from a mission perspective

Deconstructing Sacramental Theology and Reconstructing Catholic Ritual Joseph Martos, 2015-05-12 Catholic sacramental doctrine has lost much of its credibility Baptized people leave the church adolescents stop attending shortly after they are confirmed supposedly indissoluble marriages regularly dissolve few go to confession and many do not believe in transubstantiation Drawing upon his decades long study of the sacraments Martos reveals how teachings that seemed rooted in the scriptures and Catholic life have become unmoored from the contexts in which they arose and why seemingly eternal truths are actually historically relative After carefully constructing Catholic teaching from the church's own documents he deconstructs it by demonstrating how biblical passages were misconstrued by patristic authors and how patristic writings were misunderstood by medieval scholastics The long process of misinterpretation culminated in the dogmatic pronouncements of the Council of Trent which continues to dominate Catholic thinking about the church's religious ceremonies If the sacraments are released from their dogmatic baggage Martos believes that the spiritual realities they symbolize can be celebrated in any human culture without being tied to their traditional rites
