Una nazione a rischio Giuseppe Maione, 2021-06-21 T00:00:00+02:00 La societ americana attraversata da una grave crisi sociale e istituzionale Le sommosse seguite alla morte di George Floyd l assalto al Campidoglio del 6 gennaio 2021 e la deriva autoritaria che ha caratterizzato gli ultimi tempi della presidenza Trump ne sono le manifestazioni pi evidenti Ma come spiegare che la nazione pi potente del

mondo sia corrosa al suo interno da una condizione di malessere diffuso Per dare ragione di questo paradosso occorre ripercorrere la vicenda che ha portato la societ americana dai fasti della et dell oro al momento attuale in cui gli straordinari progressi della new economy si coniugano con il degrado di intere categorie sociali Fenomeni che appaiono permanenti in quanto originati da cause profonde e che dunque non sono destinati a scomparire con la sconfitta elettorale di Trump nonostante l'avvento di un presidente che si fatto portavoce di un radicale mutamento di rotta

Closing Death's Door Michael J. Saks, Stephan Landsman, 2021 Closing Death's Door brings the psychology of decision making together with the law to explore ways to improve patient safety and reduce iatrogenic injury the cause of as many as 400 000 US deaths every year in a world where neither the healthcare industry itself nor the legal system has made a serious dent in the problem

Meanings of Public and the Future of Public Services David A. McDonald, 2022-09-09 Critically assessing meanings of the term public this book situates the emergence and expansion of public services within market based forms of production and consumption It highlights the potential for making public services more progressive within market societies but underscores their ongoing capture by private interests and emphasises the inherent limits of reform within a bourgeois public sphere The author explores opportunities for more expansive forms of non marketized public services examining emerging debates on the theory and practice of equitable participatory and sustainable forms of publicness that go beyond mere ownership The book then asks how we can build a robust international pro public movement that juggles universal needs with local context With a focus on essential public services such as water electricity and health the text is global in its scope and written for a broad audience It will be useful for those interested in social and public policy public services and public administration political theory economic geography social movements sustainability and development
