Teaching Comedy Bev Hogue, 2023-08-03 From Shakespeare to The Simpsons comedy has long provided both entertainment and social commentary It may critique cultural values undermine authority satirize sacred beliefs and make room for the marginalized to approach the center Comedy can be challenging to teach but in the classroom it can help students connect with one another develop critical thinking skills and engage with important issues The essays in this volume

address a rich variety of texts spanning film television stand up cartoons and memes as well as conventional literary works from different places and times Contributors offer theoretical foundations and practical methods for a broad range of courses including guidance on contextualizing the humor of historical works and on navigating the ways that comedy can both subvert and reinforce stereotypes Finally the volume argues for the value of comedy in difficult times as a way to create community and meaning This volume contains discussion of fiction poetry plays and essays by Maya Angelou Jane Austen Aphra Behn Hugh Henry Brackenridge Frances Burney Charles W Chesnutt Roddy Doyle Maria Edgeworth Ben Jonson Anita Loos Emtithal Mahmoud Thomas Middleton Okot p Bitek William Shakespeare Laurence Sterne Jonathan Swift Alma Villanueva Paula Vogel Oscar Wilde John Wilmot and William Wycherley TV shows and films including Crazy Ex Girlfriend The Gold Rush Life Is Beautiful The Marvelous Mrs Maisel The Office Office Space Rick and Morty and South Park works and stand up performances by Aziz Ansari Samantha Bee Dave Chappelle Louis C K Tina Fey Moms Mabley Hasan Minhaj Eddie Murphy Trevor Noah Richard Pryor Issa Rae and Wanda Sykes and visual works and other media including Aaron McGruder s The Boondocks Bill Watterson s Calvin and Hobbes Nick Sousanis s Unflattening Marvel s Hawkeye The Onion YouTube videos advertisements and memes

Graduate Students at Work Tessa Brown, 2023-02-28 Graduate Students at Work highlights the expertise and experiences of graduate students to demonstrate what graduate study entails what it makes possible and what it constrains in the context of corporatizing higher education This collection of full length research articles and short personal essays illustrates graduate students experiences organizing tactics and strategies for staying in or moving out of the academy Speaking from personal experience as well as reporting research findings the contributors of Graduate Students at Work illustrate the significant expertise that graduate students are asked to enact in their time intensive jobs as teachers researchers and administrators even as they are kept in poverty wages for the decade or so it takes to move through a master s and doctoral program into the promised land of a tenure track job While these students are the leaders of the academic labor movement they have yet to receive as much attention as adjunct instructors and other laborers in the university system Though they experience harassment discrimination and exploitation graduate students rarely have access to labor protections because they are often misclassified as students not employees a key rhetorical strategy universities use to fight graduate student organizing These essays and articles also draw insightful connections between the labor conditions of graduate student workers and other workers navigating poverty wages labor migration limited benefits and harassment and discrimination around lines of race gender ability and citizenship the most important connection perhaps being the possibility for organization and unionization to fight for better working conditions for all

Understanding Rhetoric Eamon M. Cunningham, 2020-01-01 Understanding Rhetoric A Guide to Critical Reading and Argumentation is a composition textbook that outlines three essential skills rhetoric argument and source based writing geared towards newcomers and advanced students alike Though comprehensive in its coverage the book s focus is a simple one how to move beyond a gut

reaction while reading to an articulation of what is effective and what is not while explicitly answering the most important question of Why This text gets at this central concern in two fundamental ways First the text teaches composition as a cumulative process coaching you how to question challenge and expand on not just the readings you hold in your hands but also how to interrogate the internal processes of writing and thinking The book s blend of composition methods detail the cross point of product and process to turn reading and writing from a matter of coming up with answers to questions to learning what type of questions need to be asked in the first place The right questions the text argues are fundamentally rhetorical in nature Second the content of the practice based chapters is framed into a larger mesh of intellectual history to show how the writing and thinking you are doing today is continuous with a long history of writing instruction that goes back to the ancient world This book provides equal representation from classical and contemporary theory with the recognition that theory cannot be fully grasped without practice and practice cannot be fully understood without its theoretical antecedent After all you can t write outside the box until you know where the box is and what it looks like

Understanding Rhetoric Eamon Cunningham,2019 **Understanding Rhetoric** Elinor A. McNeel,2017-05-23 A Book of Student Writing from Rhetoric and Composition People avoid writing because of the fear and anxiety they have about writing Prior to attending Penn State and taking a Rhetoric and Composition class I was one of those people Depending on the style and the way the material is presented you will find yourself creating essays outlining speeches etc without giving it a second thought After my very first English course at Penn State I was over the fear and was able to not only pass the course with an A but was approached by my Effective Speech and Communications professor requesting my papers be used as samples in her upcoming courses You will find essays in this book on subject matter that will motivate and improve the writers skills in the following areas rhetorical analysis position arguments proposals understanding the rhetorical situation and many more Also included are a couple of speeches that I thoroughly enjoyed preparing **Writing Workshop in the Logic & Rhetoric of Molecular Biology** George M. Malacinski,1998 *Understanding Rhetoric + Launchpad Solo for Readers and Writers Six-month Access Card* Elizabeth Losh,Jonathan Alexander,Zander Cannon,Kevin Cannon,2017-04-14 After shaking up writing classrooms at more than 450 colleges and universities Understanding Rhetoric the comic style guide to writing that instructors have told us gets nothing but positive responses from students has returned for a second edition Combining the composition know how of Liz Losh and Jonathan Alexander with the comic art credibility of Kevin Cannon Far Arden Crater XV and Zander Cannon Heck Kaijumax Understanding Rhetoric encourages deep engagement with core concepts of writing and rhetoric as teachers and students alike have told us With a new chapter on collaboration unique coverage of writerly identity and extensive discussions of rhetoric reading argument research revision and presenting work to audiences the one and only composition comic covers what students need to know and does so with fun and flair A new Walk the Talk feature in each chapter helps students see how to put concepts to use in their own reading and writing And the

detailed instructor s manual will help both novice and experienced instructors plan a course around Understanding Rhetoric

Information Now Matt Upson,Holly Luetkenhaus,C. Michael Hall,Kevin Cannon,2021 Since its original publication in 2015 Information Now has helped college students address this fundamental issue in the form of a short humorous graphic guide It explains how information is organized both on the open web and in library resources and how to navigate those sources to find good trustworthy answers But the information landscape has changed dramatically in just a few years and this revised edition explores new questions about who has access to information and about algorithmic bias in how search engines present results The book also covers online misinformation and offers simple strategies for fact checking websites In addition to this expanded topical coverage the new edition includes revised critical thinking exercises in every chapter to help students feel more engaged in improving the information landscape

A Guide to Writing & Presenting in Music Therapy Kenneth Aigen,2003 This publication is an elaboration of two questions What do want to say And how do you want to say it The author believes that professional communications are a form of advocacy and not merely informational with his observations directed particularly to all music therapists
