Un sain investissement : argumentaire pour financer durablement l’OMS World Health Organization,2022-08-19

Micro-finance, pauvreté et développement Souleymane Soulama,2005 Cet ouvrage traite de la micro finance en la resituant dans la problématique de l'action collective de type coopératif Avant de traiter de la micro finance proprement dite l'on se préoccupe d'abord de l'émergence des institutions de micro finance dans une économie de marché Cette façon de concevoir la micro finance permet de comprendre ses spécificités comme entreprise poursuivant une fonction objectif de satisfaction du plus grand nombre au moindre coût en lieu et place de celle de maximisation d'un profit d'entreprise il apparaît ainsi que l'entreprise de micro finance n'est pas une entreprise quelconque créée par une catégorie d'agent économique quelconque poursuivant un objectif classique de maximisation du profit d'entreprise La problématique de l'action collective de type coopératif se fonde dans sa conception originelle pure sur l'existence d'un instinct de survie socio économique capable d'animer un groupe homogène d'agent socio économique menacé dans son existence et son identité L'instinct de survie socio économique lui donne les aptitudes pour créer une entreprise spécifique et l'animer selon des règles de partage et de solidarité qui sont propres à l'économie sociale

Quel secteur bancaire pour le financement des économies de l'UEMOA ? Sogué Diarisso,Ibrahima Thione Diop,Ahmadou Aly Mbaye,2011-03-01 La contrainte de financement est de plus en plus perue comme l'un des obstacles majeurs au développement de l'UEMOA Le taux de financement de l'économie demeure relativement faible comparé à la moyenne de l'Afrique subsaharienne et les crédits de long terme destinés au financement de l'investissement ne représentent que 3,5% des crédits totaux Dans ces conditions les ressources de l'aide publique au développement ainsi que la finance informelle deviennent un recours privilégié pour les décideurs publics et privés Voici une ensemble de contributions sur différentes problématiques de financement des économies de l'Union
